

BE YE PERFECT

Cecil duCille

*(Foundation Studies CD 02, # 025)*

Maybe I think you are very much interested in the subject of perfection which is preached which is the basic difference between the old order gospel and the new order gospel. When we say old order we mean the gospel they based, or the preaching, or the church operations which his based upon law and rules and regulations. It is basically done by church organizations that are presided over by a bishop and run by man. God has shown us that there is the need for people to come into a relationship with one another where no human agent is the boss but Jesus Christ is. This is the difference between the old order and the new order. Men are beginning to turn away from the shepherd-ship or the overlord-ship, now that is what I mean because we do need shepherds, people to help to guide you. But the overlord-ship of man and turn to the overlord-ship of Christ. In other words all this doctrine is, or this gospel is the headship of Jesus Christ. Amen.

You will hear people saying, there are people around Decatur here that are saying that we preach this and that, that and the other and we don't believe in the blood. That is all stupidity. We are preaching the full gospel except that we go one step further than these fellows. Instead of talking about the overlord-ship of Jesus and Jesus Christ being Lord, we make Him Lord. In other words you cannot make Jesus Lord if you are the boss and you cannot make Jesus Lord if I am the boss, or if any other minister is the boss. Jesus Christ can only be Lord when both minister and congregation agree that Jesus is Lord and minister is only a helper. Do you see what I mean? This is the basic difference.

Now most of our doctrines and gospel as we hear in the churches, they say that you cannot be perfect. It is a gospel that they are preaching that you cannot be perfect. Now let's hit the nail right on the head. Let's turn to Matthew Chapter 5 and hear Jesus Christ says about this perfection. First person find verse 48 read it for me please:

Mt 5:48 *"Be ye therefore perfect, even as your Father which is in heaven is perfect."*

BE YE PERFECT  
CECIL DUCILLE

*“Be ye therefore perfect, even as your Father which is in heaven in perfect.”* Now that sounds to me like Jesus was saying that we could be perfect as the Spirit God is perfect. Amen. Now how are we going to get that perfection? This is what I am going to show you, that God laid down a plan for us to walk into that perfection.

Now take 2<sup>nd</sup> Corinthians 13 and verse 11. If anybody finds that first read it for me please.

2Co 13:11 *“Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you.”*

Praise God. Now here again Paul enjoins the brethren to be perfect. Paul is here agreeing that the brethren can be perfect. It was a pre-understood thing. You notice he didn't have to press the point, it was a knowledge that the brethren knew that they could be perfect.

Now turn to Ephesians 4 and verse 13:

Eph 4:13 *“Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ:”*

Good. Now we are talking about something else. We are talking about the apostle from verse 11:

Eph 4:11 *“And he (God) gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;”*

12 *“For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:”*

Now ask your pastors and ask yourselves a question: Where are the apostles? If there are some apostles why don't they bring some into your churches? Amen. And why don't they do the work of the apostles? The work of healing and deliverance and blessing and the expounding of the Word? Then you ask the question: Where are the prophets? How come we never see anybody get up in certain churches to prophesy? Where is the prophesy? What has happened? Is God's word to be thrown aside? Or should we say that these things are not functioning in the churches. You see because it says until all of us come together into a perfect man. What do you mean by that? Let's see if we can find out what is meant by that. It says:

Eph 4:13 *“...unto the measure...”*

Did it say measure? If I am going to measure you how would I measure you? Well it says:

FOUNDATIONAL TEACHINGS (VOLUME 2) – #25  
AUGUST 16, 1973 – DECATUR ILLINOIS

Eph 4:13 “...unto the measure of the stature of the fullness of Christ:”

Now are we up to that measure? Let me tell you the story. It is a big Head, Christ the Head and that is the body and the little body and we are going to have to come up to measure to fit the Head. That is what he is saying. All of us come together are going to make a body for one man named Jesus Christ. Do you understand what we are talking about?

So this is what the church should be doing: the apostles, the prophets, the pastors, the teachers, but the churches are dividing. The denominations have all divided a little piece of the man and said, “This is mine.” But it cannot function because it is not joined to the body. One cut off a leg and said, “This is mine.” So each church has a little piece and nobody has anything. So what God is doing is bringing a people together who will not recognize religion. You will fellowship with every group, every church, you will be free as the morning here. You will not be bound, nobody will throw a rope around you to say, “Now you belong to me, you can’t go there.” You see kids over there you want to fellowship with, go fellowship with them. This is the gospel God is preaching in this end time to set His people free, you see.

Now, this gospel therefore is dimensional. The gospel is dimensional and I am going to explain that to you. If you take any one word in the Bible you will find that the word can be divided like this in three dimensions. Every word has three dimensions. You look at that suitcase and you can only see three dimensions and you are seeing three different dimensions from what I am seeing, for under the bottom you will be seeing three different dimensions, but our vision is three dimensional and this is for a reason. Do you know why? You are the temple of the living God. God never intended to be in any other church beside you. You are His church and He is going to live and walk and talk in you and this is God’s intention and God’s will for eternity.

Can you see that? Like eternity, a thousand years from now you will be here. Amen. You will be here and you will put on the beauty of God and you will be God’s own (I don’t want to say God’s agent), you won’t be God’s agent because you will be God Himself because God will be in you and you will be walking through all eternal ages from star to star, from world to world through all the galaxies. Space and time won’t stop you for you will move like God and you will be doing your Father’s business bringing life to different worlds and different people. That is the reason God wants you to bring life to this planet first. Amen. God is not going to burn up this planet and take you up and put you on another planet, that is not true. The Bible says, “The earth abideth forever.” (Ec 1:4) This world here is here to stay and you are here to stay and now you have free-will choice. If you love Jesus and you follow what Jesus tells you then that is the way you are going to walk in immortality and reign and rule with Him, but some people will live but they won’t rule.

BE YE PERFECT  
CECIL DUCILLE

The first dimension is the natural dimension. Anybody give me a word, just a

word in the Bible. Give me a word... Heaven, all right. Heaven has three dimensions: the natural, the spiritual and the perfect. Now God created the heaven and the earth, where did He create them? You tell me, where did He create them? Genesis Chapter 1 says:

Ge 1:1 “...*God created the heaven and the earth.*”

Where do you think He created it? What heaven is that? It had to be the heavenly bodies, the natural heaven. So let's call it the stars. Now God dwelleth in the heaven of heavens, where is that? A realm in the invisible. We can put the invisible realm is the perfect heaven where God dwells. Now we say there was war in heaven and Satan fighting against Michael and his angels and Michael fighting against Satan and his angels. (Re 12:7) And there was a woman in heaven and she brought forth a child and the child went from heaven to heaven. Which heaven was there war in? First of all heaven is the dwelling place of God. Amen. Now, does God dwell in you? So you are one of these heavens that the Bible is talking about. So you see the human heaven – it is as simple as all that. So you see, just one word has three different meanings and these Bible students will say, “Heaven, the Bible says heaven and therefore it is up there.” He really does not know what he is saying for the scriptures show me that the Devil was in heaven, I mean now. Do you know your Bible is showing you that the Devil is in heaven now? Sure, down in Revelation it says that Satan fought Michael and his angels in heaven in Revelation 12, verse 7 tells you of war being in heaven. Do you want to read it? Someone read that for me please.

Re 12:7 “*And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,*”

8 “*And prevailed not; neither was their place found any more in heaven.*”

No place found in heaven. Then after that he said:

Re 12:10 “...*Now is come salvation, and strength, and (glory).*...”

When Satan was cast out of heaven that is the time our salvation will come forth. So you can see then that there is a heaven that is incomplete, not yet perfect, but for the main fact that there is one that is not perfect, there is one that is perfect and there is the starry heavens which awaits the

FOUNDATIONAL TEACHINGS (VOLUME 2) – #25  
AUGUST 16, 1973 – DECATUR ILLINOIS

perfection of your spiritual heaven before the starry heavens can be put in order. Amen. Before we can people those heavens, before we can live up there we have to occupy this one first.

Now I show you another scripture that may surprise you. Look in the 6<sup>th</sup> Chapter of Matthew and verse 10, the Lord's Prayer:

Mt 6:10 *"They kingdom come. Thy will be done **in** earth, as it is **in** heaven."*

Not ON earth, IN earth as it is in heaven. So you are both heaven and earth together. Yes. You have some earth in you and that is why the heaven is not complete. So you are praying, "Oh God do in my soul even as it is in my spirit." Why? Because your spirit was filled with the Holy Ghost and your spirit became heaven the dwelling place of God and your soul wants to be just like your spirit, you want to be heaven in your soul and heaven in your spirit.

Now when I say your soul what do I mean? I mean your mind, I mean your emotions. You will admit you are not perfect in your mind, you are not perfect in your emotions, you are not perfect in your will. You have some bad will and some bad desires yet these are being made perfect. Isn't it true? You are much better than you were last year. Yes sir! You have got to be if you are going on with Jesus and this is our assurance of perfection. So when the Lord says, "Be ye perfect even as your Father which is in heaven is perfect" He is speaking a truth that is being brought to pass.

Now let us draw here the tabernacle. Why am I going into the Old Testament?

One brother said, "This is total nonsense." He said, "The Old Testament, we shouldn't be going into the Old Testament like that."

He was pretty much mad with me in going into the Old Testament.

He said, "That is for the Jews."

Amen. Praise God. We are Jews. Amen. We are Jews, the real type of Jews that God wanted to make long ago. When He made the first Jews He had the intention to make us and we need to be more Jews till we be like Jesus. So we are the Israel of God.

BE YE PERFECT  
CECIL DUCILLE

Now the tabernacle is the pattern that God gave

Moses. Now when you are going to build a house you must have a plan and the plan must be an approved plan. The plan is the pattern of the house you are going to live in. But you cannot live in the plan, you have got to build the plan before you can live in it. This is the point you see. So because this is the plan this is here the outer court. All this here is called the outer court (OC) like the yard around. Here is called the holy place (HP) and here is called the holy of holies (HH)

Everything God made is divided into three parts and the three parts are divided into three parts and the three parts of the three parts are divided into three parts. The three parts of the three parts of the three parts are divided into three parts and you can continue dividing into three parts until you get into infinity, you cannot see anymore. This is the very fact the Physicists discovered in the atom. The atom is divided into three parts and when they began to analyze it they found three parts were divided into three parts, you see. There is an infinity within and there is an infinity without.

Now here we are, you are the tabernacle or the temple of God. Look brethren, God would never let Moses build the tabernacle if God did not intend to build everything that is in the tabernacle in you. You see this is symbolic, but you are the real thing you see. So God built this tabernacle in the exact pattern of His great temple in which He is going to dwell. Now many Christians are looking forward to seeing a big old temple in Jerusalem and they are wondering what God is doing. Why He doesn't just blast up the Mosque of Omar which is sitting over the temple site and put up some great big temple down there. God is not putting up any more temples. Do you know why? He's getting you, that is what He wanted. You are the temple of the living God and the Holy Ghost dwells in you.

Now if you are the temple you have a holy of holies. Isn't that right? What is your holy of holies? Your spirit and your holy place is your soul and your outer court is your body. Now it is peculiar when I say this but you must figure it out that you are using your holy place at school, on the streets, in your spare time and you have got to be careful how you use your holy place. This is why some people cannot understand the gospel of Jesus Christ. Because this doctrine, this gospel that I am preaching, this word that God has given me is a revelation to open men's souls to truths that have been hidden for ages, yet some great theologians can't understand one word of what I am talking about. Why? Their holy place has been shut up, it is being used for some other service not for God.

Now you, when you go to school and you learn you are using your mind, therefore it is part of your holy place. Whatever you cram into your head is part, you are putting it in your being in the man that is what you are going to be. It is like you are eating food and the food is making flesh in your natural body, so are you eating spiritually and you are making a spiritual being. So whatever you are in time to come is going to be what you have taken in. Whether it be from school, from church, or from the street, or from messages like this. So you are actually forming the heavens, constructing the heavens. Now does that sound like scripture to you? It is, I am quoting a scripture. Let's find it. You are constructing the heavens. It is in Isaiah Chapter 51, verse 16:

Is 51:16 *“And I have put my words in thy mouth, and I have covered thee in the shadow of mine hand, that I may **plant the heavens, and lay the foundations of the earth**, and say unto Zion, Thou art my people.”*

So you see the heavens that God is planting and making, continuing with His construction is within you. So He is hiding you in the hollow of His hand, hiding you from all.... Can you imagine, many of you have been exposed to drugs, have been exposed to the worst kind of environment that any human being can be exposed to. Some of the things that you have been exposed to we never even heard about them when we were kids, but you have survived. God said He hides you in His hand while He is constructing the heavens, that He is fixing up your insides and He is hiding you at the same time.

So this is a picture of the inside of the

heavenlies that I am going to give you and how you can be made perfect. Now to be made perfect you have got to have the seven works done within you, seven works of grace to be done within you. Now I am going to draw them and name them.

BE YE PERFECT  
CECIL DUCILLE

The first work here is called the brazen altar.

There are seven pieces of furniture:

1. The brazen altar – and the work that is being done in you which this brazen altar symbolizes is *death to sin*. The sign for that is the cross. The brazen altar symbolizes death to sin.
2. The next one the brazen laver, the word laver means basin. The brazen laver symbolizes *death to self*. Amen.
3. The next one is the candlestick and that symbolizes – it is really a lampstand, it is not a candlestick it is a lampstand. We get so used to calling it candlestick through the translation of the *King James*. It is really not a candlestick it is a lampstand because you don't pour oil into a candlestick. So then the work that this symbolizes is *living in the Spirit / living in the Holy Ghost*.
4. Now the next one symbolizes, the next one is called the table of shewbread, it has a crown right around it. The table of shewbread and that symbolizes *feeding on Christ and the body / feeding*. Jesus said, "Eat me, Eat me, drink my blood and you will have life in you." So you feed on Jesus Christ and on the twelve loaves. The twelve loaves symbolize the twelve tribes of Israel and also the twelve tribes of Israel has the meaning of *the twelve areas of life that are being worked in you through feeding on the church*, on the body of Christ.

You see I will tell you why. God has been revealing Himself little by little continuously. When you go to school and you take up a textbook and you read that is the revelation that men have had on a certain subject (maybe math or something) for years and years and years. You don't have to go and start back again and try to invent 1 and 2 and 3 and 4. That is all done. You just go and inherit so that each generation goes on from the pedestal or the point from where the last generation left, the other generation goes on from that so that men are actually advancing in knowledge. Now because of that also in God when all these men accumulate knowledge to bring us to certain understanding of God we just come and we feed upon them. So there are twelve areas of life and these are, the mystery of this life is found in the names of the twelve tribes of Israel, the meaning of the names. Now it is a very interesting thing for you to go around and study the meanings of these names: Judah means praise, God is working praise in your nature so praise becomes a part of you. So you will be symbolic of the whole twelve tribes of Israel in one person. Amen.

5. Now the next one that He is working here is called the altar of incense. Now the altar of incense, the meaning of it is *offering* or call it *soul offering*. It is putting an *offering of the soul / soul offering*. So you notice the things that God is working into you, seven different works. 1, 2, 3, 4, 5, the altar of incense is number 5.

6. Then number 6 is in the shape of two angels over the mercy seat. Now number 6 therefore is called the mercy seat and it has the Shekinah glory breaking out from in the midst there. The meaning of the mercy seat is *the overshadowing presence of God*.
7. Number 7 is called the ark of the covenant. That is the seventh and the perfect one. When you reach to that point you are perfected and become just like Jesus Christ. This one is *the perfect man*. There are three symbols it has in it. There are the golden pot of manna, the rod of Aaron that budded and the tables of stone. Those three are the three – remember I tell you everything is divided into three. So we see here the three are the golden pot of manna, Aaron’s rod that budded and the word written on tables of stone. Now what is the meaning of that? The pot of manna, the golden pot of manna symbolizes an energy of supernatural food energy that will be built inside of the men and women who come forth in the glory of God, that they in themselves will be life-givers to the world. That pot of manna will cook for the whole world, it will never be emptied. Power, power, power, absolute power to do anything...can you understand what I am talking about? He said, “If you look at that mountain and say, Be thou moved to the midst of the sea.” What kind of power, what kind of energy would it take to lift up a whole mountain and BOOM – put it in the sea? That is what we are talking about. So great that a man look at the sun and said, “Stand still!” and the whole earth put on its brakes and the sun and the whole galaxy stopped. You see what I am talking about? This is what we mean by God’s power. This is the power that God is endowing you with. Okay.

Therefore you can see it is a walk

from here to here. Now you are somewhere along the line. Let’s just run through what it means?

The brazen altar, the death to sin means you accepted Jesus Christ as your Savior justified by faith you have peace with God. You don’t have to sin anymore. Did you hear? You don’t have to sin anymore. Let me tell you something: you don’t sin unless you deliberately do it. In other words you can’t go to bed and fall asleep and next thing happens you get up and find you sinned or something like that. It means you have got to willfully, consciously commit sin to be guilty of sin. If you come along here and you are tempted and you fall into sin God will forgive you. You will ask for forgiveness and God will strengthen you so that you don’t sin again. And if you fall again you get up again and you ask God again to forgive you again. And if you fall again you get up again and you ask God to forgive you again and He forgives you again and God will strengthen you even by your stumbling and your walking if you are genuine inside, if you mean business with God He will give you strength.

BE YE PERFECT  
CECIL DUCILLE

So you need not condemn yourself over anything. Do you know what the condemnation is? No man is going to go to hell because he sinned, but people will go to hell because they reject Jesus Christ, this is the condemnation. You want Jesus to be Head, You want Jesus to rule you and this is the way to go. Now that is the sin question. The sin question is dealt with at Calvary, Jesus Christ paid for all their sins you don't have to walk around with your head bowed down as a sinner.

Now the *death to self message* is one which says that self and Jesus Christ cannot sit on the same throne. Is Jesus Lord? We sing it. Yes. *He is Lord, He is Lord*, but is He Lord? If He is Lord then you are not Lord, you know.

Somebody says, "Let's go to the golden island."

You would like to go, but you say, "Jesus, do you want me to go?"

He is Lord. You don't just do what you want anymore.

"Okay, if I feel like it I will do it."

Or you promise, "I will be there."

But you will go if Jesus Christ lets you go. This is the difference from being your own boss and from Jesus Christ being your Boss.

Now some people would go, but, "Pastor says mustn't go." And they don't because "Pastor says don't go over to that church" or "Don't go to that meeting" or "You can't go." Or else you will come under a lot of ridicule and they will look at you as an outcast and a backslider. Do you hear? Jesus was an outcast. Jesus was looked at as an outcast. He was thrown out of the synagogues. Paul was thrown out. Peter was thrown out. Every man who God really speaks to is thrown out of the synagogues so you don't care. But the synagogue must know that you are walking in Jesus. Amen.

So this is the second work of grace done in your heart. The third work of grace is your walking in the Holy Spirit which you received somewhere out here (in the outer court). From the moment you say you accept Jesus you are qualified for the Holy Ghost, you qualify to become a son of God. Then you can become a son of God by obeying the Holy Ghost. That is the only way you do it.

Now let's find that scripture. Romans 8, if somebody finds it please read it for me.

Ro 8:14 "*For as many as are led by the Spirit of God, they are the sons of God.*"

You see. So this is the area we reach, right here number 3, the third work of grace is being led by the Spirit of God. Do you know that? The people you see who are not being led by the Spirit they haven't reached the third work. They haven't crossed this second veil which is flesh/self and the

FOUNDATIONAL TEACHINGS (VOLUME 2) – #25  
AUGUST 16, 1973 – DECATUR ILLINOIS

door which is Christ. When you cross the door and enter into Christ you give up self. So the people who are doing their own thing and I tell you more worse than that, there are some whole churches that are obeying somebody else besides Jesus Christ. You ask any pastor that you love and you would like to really be a part of his group, you ask him if it is Jesus says this program must be done and see what he says.

Some of them would say, “You don’t have to hear Jesus say that. We know the will of God. We just go along and do it.”

The money-raising schemes of the church and everything else you ask them, “Is this Jesus? Did Jesus say He wants to do it this way?”

They will think you are nuts. Amen. Now therefore this is where most fall (lampstand). Jesus Christ must lead the church through the Holy Ghost and let me show you it in the Bible. Turn to the 14<sup>th</sup> Chapter of John, Jesus was speaking about the Holy Ghost and in verse 16 He said:

*Jn 14:16 “And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever;”*

In verse 26 He said:

*Jn 14:26 “But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.”*

Now you ask these leaders why they don’t know all things? Why they are not being taught all things? Of course you see it is wrong – they will get mad at you because they are not following the Holy Ghost. Because anybody who follows the Holy Ghost, he hears. Yes. How does the Holy Ghost teach people? Let me explain to you. You notice this table here (table of shewbread) is made of wood and it is covered over with gold and it has bread on it and it means that wood is humanity, God uses men to teach His people because there are some people who God reveals truth to easier and God uses them as channels God to the other people. Now God’s intention is to bring everybody up to the same standard, you see. So that is why He uses like the pipe that brings the water to you in your house, God uses some people as the pipe to bring God into the rest of the people.

Now because of that God said that if you didn’t even know the thing before, no man is going to get all of it. I won’t get all. You won’t get all. Nobody will get all but we will all have a piece. If we are smart and we know, I know that you have a piece and you have a piece and you have a piece and you have a piece and so on – all I do is try to get your piece and let you tell me what you know and then mine will be quickened as soon as I can receive from you. This is the way the body feeds from one another. But look at your body, that is how your body is. No one part of your body:

**BE YE PERFECT**  
**CECIL DUCILLE**

My arm says, "Well I am doing all of the work. I am more independent than you so I am going to cut myself off."

That's it. That would be the end of that arm. The whole thing is that God is producing a body in the earth, people who function like clockwork, function as one together, love one another. This is going to bring such a power and such a glory that we never even thought of it. The power of God to do and to will in the earth, you have never seen anything like it neither have you thought of it. But this is what God is trying to do and the church people, (when I say the church I mean the denominations,) are trying to break down, are trying to stop people from fellowshiping together. If they do it say, "Praise the Lord." Those who are fellowshiping and moving in the Spirit just say, "Praise the Lord" for them. There you are. So I won't even go further than the third work because let me tell you the third work is walking in the Spirit and when you start walking in the Spirit everything else comes. Just obey the Spirit. Jesus said, "He shall teach you all things and lead you into all truths."

God bless you. Amen.

So if you ask me the questions now, there are so many questions here, I mean we haven't even gone through the whole thing. But that is how you enter into perfection, through the Holy Ghost. He makes you offer up your soul nature to God so that God uses you rather than you use God. Amen. It is a good bumper sticker you know.

**ARE YOU USING GOD - - - - -**  
**OR IS GOD USING YOU ?**

Then you have the overshadowing which the Spirit does to people and to the church and then you come into perfection after He overshadows you.

Do we all understand this situation? There are seven works of grace that are done in the human temple to make the temple well equipped and perfect as Moses temple was.

"Is there a correlation between the seven pieces of furniture and the seven works in 2<sup>nd</sup> Peter Chapter 1?"

I have never checked them out, but I will. I know Peter said those seven things. Maybe it has a relationship. Let's see if we can put them here. 2<sup>nd</sup> Peter Chapter 1:

2Pet 1:5 "...*giving diligence, add to your faith virtue;*..."

Let's see if we can put them here:

- 1) FAITH - Justified by faith you have peace with God so this one works out beautifully.
- 2) VIRTUE – Death to self, we could call it virtue. Moral excellence, perfection.

The Greek word translates the same as power - *<arête>*.

Well here it is that in the sense of perfection I can understand because the Holy Ghost coming into your life is the first part of perfection that you receive. It is a down-payment, an earnest of perfection and what you shall be in the time to come. So when the Holy Ghost enters into you you really enter into perfection in your spirit at least. So the death to self message is just to bring you into that realm and the only way you can die to self is by the action of the Spirit. Self cannot kill self for if self killed self self would be the victim and self would still be alive.

- 3) KNOWLEDGE – *<gnosis>* this is **to know** like Adam knew his wife and this is a union with God. So living in the Spirit is coming into union with God.

I'll tell you something, do you know what I have discovered? You can't just take the translations just in the literal as they give it to you because for instance if I didn't know this word *<gnosis>* that is it not just head knowledge, but it is a knowledge of oneness, a knowledge a union, a coming together so you know that person more than anybody else because you are united with them in Spirit. This is what it means.

- 4) TEMPERENCE – So here again temperance is feeding on Christ. Number 4 here in the furniture is the showbread which is feeding on Christ. *<egkrateia>* means here self control or continence, to contain yourself, to hold back. That meaning I don't quite see through it but I know that this is making yourself one with Christ by eating. This is a communion, you see, eating and I believe it comes from that eating that word which means feeding. I'm sure it does, it comes from the word eating because when you eat Jesus it is obeying Him you see.
- 5) PATIENCE – (offering of the soul)
- 6) GODLINESS – Now I can understand that – like God. That is what it says. Now number six which is the mercy seat, the revelation of the mercy seat is the Holy Ghost overshadowing the church and planting in your nature the God nature just like He overshadowed Mary and planted a seed in a woman – she brought forth God in the natural. In the spiritual this is what it means, the Holy Ghost overshadows you and plants God into your soul and Christ comes forth in your soul.
- 7) BROTHERLY KINDNESS & CHARITY – Well I don't know, I want to put these two together because those two words mean the same thing. Brotherly kindness and charity means *<agape>* which is LOVE.

Jesus Christ said “the first and great commandment is to love the Lord thy God with all thy heart and the second is like unto it, love thy brother as thyself.” So brotherly love and godly love – right in that same scripture you will see God turn around and say, “Love your brother as yourself.” He said, “If you don't love your brother you can't love God.” So it is just one love.

BE YE PERFECT  
CECIL DUCILLE

For instance down in Romans the scripture says, “Husband love your wives” and when we check into it the word he used was <agape>. Agape your wife, meaning to say you would love them just like God loves you. That wasn’t human love at all, that is not.

In things like this this is what adds to the ministry, no one man has everything and here it is – you show where another minister brought this in and these need some explanation but I am sure that this is the explanation of this. Praise the Lord.

2Pet 1:5 “...*giving all diligence, add to your faith virtue; and to virtue knowledge;*”

6 “*And to knowledge temperance; and to temperance patience; and to patience godliness;*”

7 “*And to godliness brotherly kindness; and to brotherly kindness charity.*”

It is strange you know, I was reading the Bible and chewing on, “What is this story for?” “What is this love story in the Bible for?” “What is this for?” Then I found out that all of them were the same. All the stories in the Bible are just telling one story – of Jesus and His love, nothing else. All the laws that are written in the Jewish law, in the Bible is just telling one thing of Jesus and what He is working within us.

He said, “I will plant my law in your heart, in your inward parts. No man will tell you what to do anymore.”

You shall be made whole, complete inside. You just have God inside of you.

Eph 1:13 “*In whom ye also trusted, after that ye heard the word of truth, the gospel of your salvation: in whom also after that ye believed, ye were sealed with that holy Spirit of promise.*”

14 “*Which is the earnest of our inheritance until the redemption of the purchased possession (that is the soul), unto the praise of his glory.*”

Yes, that is where we are going. You see the whole Bible is the same thing. It is just one great story being told over and over and over in different words and different angles, every angle, every dimension is being told and it is the most marvelous thing you could do to get to understand the basic understanding of the Bible: What God is doing in the scriptures and that having that key you can open doors in the word of God. This is the basic thing you see, that you understand. So no man can deceive you if you understand the keys to the gospel. But if a man tells you to do something about Jesus which you don’t think is true you will look it up in the tabernacle and see if it was there. Amen. So the thing is all written down in scripture and in mystery so that...God knew that people would try to deceive us with the word. Take for instance the new bibles are changing up certain words and changing certain things – but you can know the truth if you look into these.

It is not only the tabernacle because Solomon built a temple and Solomon’s temple expanded everything. Solomon’s temple instead of having these two little wings or angels on top of the

mercy seat, he had two big massive angels 30 cubits wide, almost 45 feet wide, right across the whole width of the temple, blocked it completely. He had ten massive candlesticks standing right up across here, right across, ten of them instead of one. The shewbread was the same multiplication. Everything he had many, many, many and larger ones. So that shows how God expands the glory in us. We are the tabernacle, we are the temple. So when these guys go building all these massive churches, paying so many millions of dollars, people dying of hunger in the street in other countries if not in America and you say that the same God that is helping people over in other countries, God tell you to spend so many millions of dollars on one roof for the church to make it pretty and you know, to have the best roof in town. These men are not working according to God. This is what you need to understand for the blind will lead the blind, they must fall into the ditch. (Mt 15:14) God wants to take you out of the ditch.

God bless you.
