

“THE LORD TAKETH”
“God’s Right Hand”

(Broadcast December 07, 2008)

Message was given in Florida.

Praise God. Greet you all in the name of the Lord Jesus. It is a great privilege and pleasure to be here. We won’t dwell on the circumstances which make this meeting possible, but the bottom line is that it is God. The brother said, “The Lord giveth and the Lord taketh away; blessed be the name of the Lord.”¹ When this thing began to happen and the Spirit of God began to speak to me I heard, “The Lord giveth and the Lord taketh away; blessed be the name of the Lord.” It turned me to remember “the Lord giveth”. It turned me back to remember, did He when He did, how He did and some of the emotions of receiving from the Lord came back over me.

I remember the day I was telling Hans Navor over here when I was fourteen years of age and I went to the country to spend a little time in Manchester with my cousins. We heard this great crash outside and we knew some terrible accident had occurred, but we weren’t prepared for what we saw. It was Mavis’s brother. A truck knocked him over the bank and killed him instantly. If you look at Steve, my son Steve that was in the meeting you will know how he looked. Steve looked like him, blue eyes and things like that. He was killed instantly. So we went to the house to pay our condolences. I was fourteen years of age, Mavis was nine. When I saw her she came out and stood under the belfry, because they have a church in their front yard.

She stood under the belfry and I said to my cousin, “Do you see that girl? She is going to be my wife.”

“Shut-up!” he said. “Shut-up! You don’t talk about a wife.” He said, “You had better stay right here. Don’t come up to the house.” He said, “Mr. Johnny would be very mad at you if you come up there with anything like that.”

So he left me down by the belfry and I had to wait until he came back to go back home. Amen. But time went on and it all came to pass ten years after. Ten

¹ Job 1:21

years after it came to pass and I had forgotten all about this now and was back in the area working with the Agricultural Department as Assistant Accountant. I prayed to God, I had already received Jesus now. I said, “My God, please give me a wife.” I didn’t like women to be honest with you. I began to dislike women because they talk so much. I don’t know if you will forgive me, but it is the talking part that bothered me. I couldn’t stand it. My mother and my sister “Talk, talk, talk, talk, talk” and they would get together after each other and I said, “My God if you give me a wife, don’t give me one like my mother or my sister.” They are two beautiful women, but no. So I kind of suspected that most women were like that, like the experience that I had with my mother and my sister. So I didn’t want one like that. So I prayed and the Lord answered my prayer. I was in a sleep I believe one day and I saw a beam of sunlight coming through from above, high up, coming down into my room. I could see the figure of someone coming down in the sunlight. The person came and she held my hands and I was so anxious to see this person, because I knew the promise of God came to me then and she just disappeared.

He said, “When you see her you will know her.”

So I had no name, no nothing, but a knowledge in the Spirit that I was going to know her. I was at my office one day, down making paybill or something like that. Some stranger came in at the door and was being introduced to everybody and I didn’t have any time to look up, but the person was brought to my desk. I shook her hand without even looking up. “Pleased to meet you.” and I looked up and I got a shock right through my whole body. God’s promise! I slumped back in my seat not knowing how this will ever come to pass. But it so happened that I used to teach Shorthand and Bookkeeping and Typewriting, all those things. She wanted to learn touch-typing and shorthand, so she came to my house for me to teach her. You know the Lord just touched her there and that is how it started.

I mean I am talking about “the Lord giveth”. The gift of God is eternal brethren. It is not a possibility that God can take back a covenant that is made. A covenant is something that is eternal. It is eternal and God is making us covenant people. It is eternal. We kind of felt eternal and immortal at the same time. I don’t know how to explain it, but death was not part of our thinking. Hallelujah. We happened to have made a little preparation because we bought the spot from this place. That is how we got to be here. The place we went to yesterday to put Mavis in the earth, we bought it long ago and forgot it. We forgot it entirely and we didn’t know that anybody would die.

I said to God, “Lord, why did You not tell me? Why did You not tell me that You were going to take Mavis?”

Well He showed me that He had told me many times, but like the Bible He wrote it in mystery. He gave me a mysterious thing like I’m doing a thing, we are doing something and Mavis wasn’t there. Secretly in my heart there was a little fear. I did not want to face the fact that one day we would be sitting in this hall without her. So I shied away from it. You know you can deceive yourself a lot?

First of all He said, “How do you feel now?”

I said, “Lord God I don’t know how I am going to face tomorrow without her.”

For sixty years she had become a part of my body and soul and I don’t know how it is going to be possible for me to face tomorrow.

He said, “Well suppose I had told you? You would start having this feeling from then.”

Do you understand? So certain secrets belong to God. He didn’t tell us. Hallelujah.

In memory of her I would like to start this Word, because my heart is really full with these Words that God has been speaking to me. I would like to start it with singing one of her songs for you. Brother Herman, I don’t know if you know it, but you had better sing. Come. I don’t know if any of you sisters want to come to help us to sing it? This song: *His life was broken, for my life a token*. We sat in London and we made up so many of these songs, but this song the man that put it together, the tune is “*Ol Sol O Mio*”, My soul. This man was sitting in one of Brother Warnock’s living room in Canada and the Spirit came down upon him and he wrote two verses of it. When we sang the two verses we felt that that wasn’t enough, so we started and it just flowed from both of us; one line here; one line there.

His life was broken, for my soul a token

But now He lives again to free from sorrow’s pain

(chorus) O how I love Him

Herman do you know that song?

“I am looking at the words here. Some of the song I know.”

Good. So we will start the song from the beginning then and we will sing the two verses that the brother sang.

*Born in a manger to His own a stranger
A man of sorrow grief and agony*

(Chorus)

*O How I Love Him how I adore Him
My breath my sunshine my all in all
The great Creator became my Savior
And all God's fullness dwelleth in Him*

*What condescension bringing us redemption
When in the dead of night
Not one faint hope in sight
God's gracious tender laid aside His splendor
Stooping to woo to win to save my soul*

(Chorus)

*Without reluctance flesh and blood His substance
He took the form of man
Revealed God's hidden plan
O glorious mystery sacrifice of calvary
And now I know Thou are the great I Am*

(Chorus)

*His life was broken for my soul a token
But now He lives again to free from sorrows pain
I'll sing forever of His great endeavor
Throughout eternity in Glory Land*

(Chorus)

Thank You Jesus. Thank You Jesus.

I want to speak to you about God's right hand. Today God's right hand is sitting here before me. It is in the heavenlies and it is on earth and it is designed of God for a certain task at the end of time that has never been done before and to complete the will of God in bringing man into God. Hallelujah. Now let's look at

the will of God from the very beginning. The Bible says that God created man. Amen. Genesis 1:26, “*And God said, Let us make man in our (own) image, ...*” “*In our (own) image*”, in other words, “Let us make man to look like us.” Now God had no physical image, but God had spiritual image. So God was going to create a physical being after the spiritual image of God. In other words to look like God. God sees; God feels; God touches; God hears; God speaks. Hallelujah. “I am going to make a creature with an intellect. One that thinks; one that speaks; one that hears; one that understands; one that calculates; one that believes; one that can doubt.” Now that is a problem. If He made a man to believe then to make the man in the complete image of God he must have the capacity to doubt. Amen. If He makes a man to see he must have the capacity to be blind. If He makes a man to feel he must have the capacity to feel good and to feel evil. Praise be to God. Are we understanding?

So then God had a problem. Have you ever heard that before? God had a problem because He was going to make a creature that could be like God or like the Devil. There was no devil at the time – well yes there was a Devil at the time, but when God first made His Word there was no devil. But God now knows that His creatures have the ability to choose whether they wanted to be God or whether they wanted to be devil. That is a very awesome responsibility that you have to choose to be God or to be devil. Or if you make no choice then you become devil. Hear me now. So then there were three choices: a choice to be God, a choice to be devil, or no choice. Both of those were playing against for to be God you have to **be**; to be the devil you have to be **not**. In other words there is no falling into godliness. There is falling into sin, but you can’t fall into godliness. You are going to have to work for it. Amen.

So then I am trying to give it to you as He gave it to me, right. At times you sit down to meditate with God and these are the things that you meditate about.

“Lord God why did You do this?” “Why did You make man to sin?” Because God said, “I made good and created evil.”² That says everything. God had a problem when He made good that He also created evil. For as I always say to you, a simple understanding: God made man and created the motorcar. It is very simple. God has to take responsibility for making a car; He has to take the responsibility for making an airplane, because the same God that made man, He gave him the capacity to make car; make plane; make good; make evil. Amen. Then the onus, the responsibility is thrown back upon the church. I don’t know if you know what your responsibility is? But it is thrown right back on us and we have been stupid;

² Genesis 1:31; Isaiah 45:7;

downright stupid. Amen. I mean I look at myself and I say, “My God I don’t have any sense.” If I had sense I would be like God right now. I will tell you what, I am going to tell you why. If I had sense, if I was really what I should be I would be like Jesus Christ standing up before you right now.

So He said He is going to make man in His own image, “*after our likeness*”. What does the “*after*” mean? It means afterwards. The point of making man is that he might be in His likeness. It is not that you must remain in the image of God. God wants you to be like Him. Imagine God giving His throne to you? Imagine God giving His throne to us? He says He would make us in His likeness after His image. That means that we have the capacity to evolve. (You like the word evolution now.) You have the capacity to evolve into God Himself, so that many Christ’s will walk the earth, that many “*saviours*”.³ Amen. That when you find within yourself the ability to save, to help people, to do, that it is God that is coming up into you. Amen. Because He made us to save every other thing that He made. He made us in order that we might evolve, not evolve by evolutionary process, but evolve by deliberate; a deliberate growth into God-likeness; that we should be like God; that when we speak the sun stands still. Yes! Yes! Didn’t a man do it? “Thou sun stand still in the valley of Ajalon.”⁴ Yes, the man Joshua did it. Amen. He has carried us all through the processes; we can turn back the powers of darkness. We can do all these things. BUT you can also succumb to them and be a wimp and a waste of God’s glory. Oh God Almighty have mercy upon us.

So He has a right hand working all through the ages. Amen. From the time He made Adam there was the right hand of God working through all the ages and the left hand: which is the carnal; sinful; always trying to outdo the right hand. Then Cain would kill Abel. Because Abel was ordained of God to be that right hand Cain killed Abel. Amen. Adam and Eve got together and they said, “We have done wrong. We have made a manchild and created a murderer.” Do you hear me? “We made a man and we created a murderer.” But before they made another one, it took 130 years before he knew his wife again because they were afraid they were going to make more Cain’s. Amen. So they came together and said, “Lord God, give us a man that will vindicate the cause of God.” So they prayed and in 130 years another boy was born. Eve thanked God that Seth has come forth, “At last You have given me a manchild that will vindicate the cause of righteousness.”⁵ So it was. If you watch your Bible right through the ages there is a man. Amen.

Sin got ahead of righteousness. You hear that now? Sin got ahead of righteousness and sin begin to multiply among men. Men began to do all manner of wickedness. They went so far that they would have destroyed the plan of God to bring forth a righteous generation on earth to rule through the eternal ages. They had gone so far, God tried to find a solution. He found one man and that one man had three sons. Look out about having children. Make sure that you don't have children that come forth with the wickedness that was in your generation, but that it comes forth with the godliness that is in you. Do you hear? By prayer and faith already we have all made the mistake; most of us are past the age. But the young ones: look at that baby; that fellow there that is inside that baby. Put your hands on it Brother Patrick and both of you pray, "I bless you in the name of Jesus Christ. Be thou a son of God." Jesus Christ said, "Son of God from the womb." So then if we had the sense that we ought to have had we would have brought forth a righteous generation; but we didn't have the sense. So now we get the sense and we are going to use the power that God has given us. So then it comes to pass that all through the ages God gets a man.

Now when these people decide to destroy God's kingdom; the possibility of God's kingdom coming forth on earth, God said, "It repented Me that I had made man."⁶ Amen. He didn't mean repentance like how you are sorry for what you did and you did wrong. No. It means: "I am going to have to change; I am going to have to kill them." Yes. That is what it means by "It repented me." It means that, "I will have to turn the plan because the wickedness progressed too much, too fast." Two thousand years and the wickedness has passed the righteousness and there was no hope of the righteousness ever catching up, so God slew them all. He drowned them in a flood and the flood is a type of baptism. The flood was a type of baptism, for when they baptized them into death – many were saved. Many were saved, maybe millions were saved. Hallelujah. Sure, because when Jesus Christ went to hell He went specifically to preach to them, to those who in the time of Noah lost their lives.⁷ God provided a place in hell for them to be in until Jesus comes. He went to hell to save Noah's congregation and He did preach them out of prison.

So God chose Him a people. He said at one stage that He saw a man and this man was righteous and this man loved God. He was a son of Seth coming down. So God said, "All right, I am going to choose this man" and He chose the man Abraham. He said, "Out of this man I am going to bring forth a generation of

⁶ Genesis 6:6

⁷ 1st Peter 3:29

people; a blood-line; a generation of people.” This generation of people must bring forth righteousness in the earth and this righteousness must come like a flood and it must overthrow wickedness and sin and eventually bring forth God’s plan: make man in His own image.

Now God has the problem of not only bringing forth righteous men, but of stopping sin forever and ever, that no more sin will ever come back on earth. I hope you understand. So He will have to do away with everything that is turning towards sin and anything that would revert or backslide – He has to do away with that too. So this is God’s plan. So God’s plan then is to make you like Jesus Christ.

So how did the plan work? Okay! He got one man and the one man was Abraham. Abraham now was supposed to bring forth this righteous generation that would save the earth. Now is the right hand of God risen up again. He got the man to have one son when he was what? Ninety some years of age. Isaac, but yes, then the Devil had got a punch in. The Devil had got a punch in because Abraham was not perfect. He found in Abraham’s nature a sneaky way of getting in so that Abraham had an Ishmael. So you see, here is the good and the evil. The Isaac was to bring forth the people of God and the Ishmael would bug them right down to the last point. In other words they had to overcome the Ishmael that is within them.

Now I want you to notice that the Bible is filled with God talking to man. But where was God when He talked to these men? He was outside of them. But He wanted to make man in such a way that He would no longer talk to you through your ears, but He talks from inside. Amen. So He designed you as a vessel. There again you are susceptible to evil, because if you are a vessel to hold God you also have the capacity to hold the Devil. But God and the Devil are not going to live in the same vessel. So war was declared. There must be a continuous war where the God in you fights against the Devil in you. So far we are not so much fighting against the Devil outside here, but we are fighting against the Devil inside here. It says, “*For the law of the Spirit of life in Christ Jesus ...*”⁸ What is the law of life? “He that hath the Son hath life.”⁹ Amen. But “the law of death is sin.” So therefore if you sin you become a servant of sin. So you are under the law of death and you can only be redeemed by the law of life. How is that going to happen? So therefore God designed a design. He designed something and this is that from Abraham righteousness; “believe God and it will be counted to you for righteousness.”¹⁰ The belief in God is to get you in a place where God could get inside of you. Inside of

⁸ Romans 8:2

¹⁰ Romans 4:3

you and getting inside of you He will kick the Devil out of you. It is a simple way. It sounds simple all right.

The Devil said, “Well all right, if God is getting inside of people, I also have to get inside of them, but he is inside there already because your ancestral endowment cause you to revert to what your father used to do and what your mother used to do. So God got a special family coming down and in that family there is a streak of righteousness; a streak of God-likeness coming down. Remember now they don’t have Him inside them yet; He is all outside. But that streak of godliness is coming down, coming down, God Almighty working through this family. We call them Jews, we call them Israel, but that is the family that God chose.

I am showing you something here that is very important that God wants you to catch tonight if you don’t get anything else.

The endowment that God put in the Jews, that He had a little girl from her father coming right down, right down, right down. Boom! He got the seed He wanted. He called her Mary and she was to bring forth the Christ, because He could not come forth with too much of that heavy burden of carnal humanity. He had to be human to bring into the human realm the God nature, but He also had to be human. He had to be human, He had to be God. He came from this generation that had a record of overcoming the Devil and then He sent the Holy Ghost. Now the Devil protested. The Devil protested because he can’t inseminate humanity. That is one thing that God kept to Himself. No devil can have a child with a woman. So it came to pass with some of these people preaching that Eve in the garden was inseminated by the Devil and the Devil took the form of man and gave her Cain, because the Bible says that Cain was the son of the Devil. You become the son of the Devil not necessarily because your mother had intercourse with the Devil. Amen. So therefore it is a lie.

So God, because He was the maker of the seed, because He was the maker of man, He could make another man. So it was quite in order for Him to make a man. Hallelujah and He went by the natural way and He took a seed out of His bosom like the first one and He put it in the womb of the woman and the woman was going to have a child now with ancestral nature of God. God was her ancestor and of course Abraham and David coming down.¹¹ Of course when you talk about David, you know how terrible David’s situation was. He went upon a roof and he saw a woman and he just couldn’t contain himself and killed a man to get her. God that was an awful murder, yet he was a man after God’s own heart.¹² He repented.

¹¹ Matthew 1:1

¹² 1st Kings 11:4b

It says, “...*If any man sin, (he) we have an advocate with the Father, (even) Jesus Christ the righteous:*”¹³ So he, David had an advocate and so he went to his advocate and God forgave him.

So now this man called Jesus that was birthed was man and God at the same time. But what you did not know, I want to tell you a revelation thought that God brought to me, that when Jesus Christ took up His ministry, after the Holy Ghost fell on Him, He had to go for 40 days into the wilderness and to fast and pray to get rid of Mary. He had to get rid of His human nature. He had to get rid of the ancestral endowment of David, for upon that endowment there was every sin: there was murder; there was all different crimes committed; there was a carnality, a horrible carnality that made Solomon have 900 odd wives. Can you think about that? A man can't manage one wife. It is such a difficult thing to manage one wife and the man had 900 wives and so many concubines. It is amazing, almost impossible. If it wasn't the Bible that I read it in I would never believe it. Amen.

So Jesus had to go fast 40 days and 40 nights to get rid of David. Not you David, but He had to get rid of David His ancestor. Watch the temptations that the Devil gave Him, they were the temptations that the line of David had succumbed to. Amen. Jesus used His authority upon him. “*Get thee behind me, Satan: for it is written,...*”¹⁴ “*Thou shalt not tempt the Lord thy God.*”¹⁵ He now was no longer man, Mary's son that you can tempt, but He was God. “Get out of here! He said, You can't tempt God.” Hallelujah.

Remember now God's plan is to have man walk and talk like God. God's plan is to have many Jesus Christ's walking the earth. You understand? So the pattern Son that He sent must multiply. Amen. Now we come down to us, because this work must be finished at the end of time. This work must be finished in our time. Hallelujah. The Bible said that on the sixth day He made man.¹⁶ On the sixth day He made man. So we have come to the sixth millennium. We are according to our calendar gone over into the morning of the seventh. God said that man was completed on the seventh day. Let me read it because somebody wouldn't understand. In Genesis 2 He said that He completed the work He was doing for six days. Genesis 2:2, “*And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.*”

Thank you Jesus. So the Lord ended His work on the seventh day and rested. Now between us, He is not yet resting, because the work is yet to be ended.

Now come to us. Come to us. I was called of the Lord; I was trained of the Lord; I was sent of the Lord and I should accomplish that which the Lord required, but I have not. Now let me explain to you what happened. Mavis was sick and I was sick. We had never been sick before like that. She had been sick, but I had never been sick before. I had been preaching that we will not die because we have to go through this tribulation and we must come out on the other side to offer up the sacrifice of the “*red heifer*”.¹⁷ Am I talking parables? The sacrifice of the “*red heifer*” means that in the offering of the morning the sacrifice was a lamb and the lamb represents Jesus, everybody knows that. But there was a female sacrifice made in the evening. The female sacrifice had to represent Jesus to be a sacrifice. So we have now Jesus in you. Amen. Jesus in you is again taking you to Calvary. In Revelation 14:1, we see where it says, “On mount Zion there was standing...” Turn to it for me please. “...*Lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand,...*” They also were lambs; with His Lamb company; the company of the “*red heifer*”; the right hand of God that must be sacrifices at the end of time to finish the job. Because that sacrifice must cleanse the temple. Now read it for me somebody. Revelation 14:1, “*And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father’s name written in their foreheads.*” Yes. It says, “*του πατρος αυτου*”; <του πατρος αυτου>; that means the Father and Himself. So the translation should be “...*having his name and his Father’s name written in their foreheads.*” Now what is the meaning of that? First of all, where were they? They were on mount Zion. Now Zion is the heights of God’s people. When you talk about Zion you talk about Jerusalem, first of all you talk about Israel, then you talk about Jerusalem, then you talk about Zion. Israel is the Christian, Jerusalem is the holy place and Zion is the holy of holies. So there is a company of people who must go in to the holy of holies with God and you can only go in with the sacrifice of yourself. You cannot remain as you are and believe that, “I am going to be in the firstfruits of God.” When Brother Alade preached about “Awake Zion, Awake” and speak of that and we all rejoiced in it.

“Oh yes, we are going to be that....”

WE WHO? Watch yourself, because there is a terrible division that is coming in the midst; wherein all of a sudden the bride was in the bride chamber; ready; waiting for the midnight hour. Are you waiting? You know it might strike

¹⁷ Numbers 19:2

tomorrow. Amen. Waiting for the midnight hour and then when the voice came, “...Behold, the bridegroom cometh; go ye out to meet him.”¹⁸ Somebody jumped up and found out that his lamp was gone out. Oh God have mercy upon us my God. The rich young ruler came to Jesus and he said, “All these things have I kept from my youth up: what lack I yet?” Jesus said, “Okay. Do one little thing for me. Go sell all the luxuries that you have, give the money to the poor, and come and then you will have what you are asking for.”¹⁹ Don’t you see that we are bagged down and we cannot move as we are and the night is upon us and midnight is near to come and God has stopped preaching to you? I don’t know if you know it? **God is not preaching to you anymore.** What we are going through here is an exercise of what He told us before. God is not trying to convince you of anything more now. **You must act or you are a part of the foolish virgins.** Can you imagine that? Either you must move on what God is telling you now or you are a part of the foolish virgins. It is time to give up earth now. It is time to give up worldliness now. It is time to give..... You know what I mean? Well, let’s not talk too much about it.

We go back here “on mount Zion”. That means it is time for the priest to go through the veil, but before the priest went through the veil he had to offer up his soul. Can you understand that? Before the priest went through he had to take the incense and put it on the altar and say, “Lord God for my soul and for the souls of Israel!” Amen! Put the fire on it! It would have to burn, no sediment left, no ashes. Amen. God Almighty is bringing you through a process that you have never gone through before. Hallelujah. The burning of the soul; the end of you; “God I leave it all to You!”

Do there on mount Zion then that means in the holy of holies, was standing Jesus Christ the Lamb who had already been crucified; but He is going to be crucified in you now. Hallelujah. The One hundred forty *and* four thousand: twelve, the completed man; twelve by twelve is one hundred forty *and* four, the completed church, completed man; zero, zero, zero.

12 the completed man
12 X 12 the completed church
X 000 the fullness of Christ

¹⁸ Matthew 25:6

¹⁹ Matthew 19:20, 21,

144,000 the fullness of Christ in His Body

You know I was just talking to Alade a while ago before he left about the “awake, awake,” “truly, truly,” we don’t have that in our language. In the language of Hebrew and Greek, if you repeat a thing twice it has a greater significance than when you said it the first time. If I said, “Awake!” Then you are being commanded to awake! But there is a point where it comes to a compulsion, he said, “Awake, awake!” “Truly, truly I say unto you!” meaning to say that there is no possibility of it not being accomplished; **it is already accomplished in heaven.** Hallelujah. So God Almighty, His program is rolling on. If we are not careful the program goes ahead of us; misses us; the program leaves us behind, because **God cannot wait.** Hallelujah. He has a program and He must bring man to perfection and to Christ-likeness at a certain time in His program and we are in the Seventh Millennium and God’s program must be completed. Hallelujah. Amen.

When we asked God, “Put it off Lord? God please put it off?”

The Bible says that, “*only he who now letteth will let, until*”: < *ek mesos gevntai*>; out of the midst the thing is birthed. You are going to be; God is holding back until He let loose. Do you know what God showed me? There was a time ordained for devils to have a certain amount of power and authority, because a power on a certain level was given to them by Adam. Amen. So your very adamic nature has bequeathed to the Devil a certain amount of power. Then there is the fact that we are flesh and blood, the fact that we have to submit to a bowl of soup. Amen. A man takes a bowl of soup and gave away his birthright and his blessing. For the fact that we have to submit to a bowl of soup to keep going and to keep alive; it means that our adamic person demands, has a certain authority. But we are to take this authority away. Amen. So then because of this Jesus Christ went into Gadara and a wild man came out at him and this man was lawfully possessed by a Legion of devils.²⁰ Lawfully, do you hear that? “*The law of ... life in Christ Jesus hath made me free from the law of sin and death.*” Whatever this man had done, he had been possessed by a Legion of devils. When he saw Jesus he said, “...*What have we to do with thee, Jesus, thou Son of God? art thou come hither to torment us before the time?*”²¹ **Has it ever occurred to you that the time would come when they need to be tormented and that we get the power to finish the job that Jesus could not do?** He couldn’t do it, because He let them loose. I wonder if you are understanding the whole situation? So the time is important!

²⁰ Mark 5:9

²¹ Matthew 8:29

We asked God, “Can You put off the time? Could You instead of 2008, could You lengthen it out?”

He said, “No. It cannot be changed again.”

Now in thinking of it, today is December 7th, 2008 and the year 2008 will soon be ended according to our calendar. I do not know if God’s calendar is stretched out to April? But what I do know is that He told me that 2008 is the year of the end of the tribulation. As a matter of a fact counting from the day when He told me the tribulation started, when Israel was attacked, (I won’t try to remember that now.) but God told me that that time was the beginning of the tribulation and the tribulation was forty years and the forty years end in 2008.

God Almighty is saying that, “The Devil’s time has come.”

So guess what? He must loose those spirits that are bound in the River Euphrates.²² What are we talking about? Spirits bound in a river? It was right there that Satan had his first victory over humanity. Right there around that area around the Euphrates where Satan first tempted Adam and Eve, first got them to sin and took their authority from them. Amen. It is there that we must win our last victory, first victory I should say, taking back the authority from them. But God had to loose the spirits in the Euphrates. Now the spirits that govern Iran, Iraq, all those places around there, those people who are in that area; these spirits are being loosed. God has been preserving the earth from the destruction by the Devil, because I said to God, “You cannot allow, You would not allow the Devil to destroy Your earth?”

God said, “He could do it.” Then He said a peculiar thing to me. He said, “But for the elect’s sake no flesh would be saved.”²³

What is He saying? “But for the right hand of God: the same right hand that made the man Moses bring them out of the land of Egypt; the same right hand of God that worked with Abraham; worked with Isaac; the same right hand of God coming right down through Israel. This right hand came through Calvary. Hallelujah.

Now, whereas the Spirit used to talk to us, the Spirit is no longer talking to us. He is talking in us and He has given us this great endowment and we don’t believe it. I said to God, “Lord God save Mavis. Save her.”

God said, “Yes, yes. Save her, yes.” He said, “But you, why don’t you do it?”

“God, me? Do I have the power to save her?”

He took me to the scriptures. *“I give unto you power...over all the power of the enemy: and nothing shall by any means hurt you.”*²⁴ Amen. Let us read a little bit of it. If you understand what happened to me in that room with the Lord that day, then you are going to have a different view upon the whole situation. We go to Matthew 16:13, *“When Jesus came into the coasts of Caesarea Philippi, he asked his disciples, saying, Whom do men say that I the Son of man am?”* (He is telling them.) Verse 14, *“And they said, Some say that thou art John the Baptist: some, Elias; and others Jeremias, or one of the prophets.”* Verse 15, *“He saith unto them, But whom say ye that I am?”* Verse 16, *“And Simon Peter answered and said, Thou art the Christ, the Son of the Living God.”* “Yeshua Hamashiah You are the Messiah.” My goodness that was something. Verse 17, *“And Jesus answered and said unto him, Blessed art thou, Simon Barjona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven.”*

Now I just want you to look at the picture here. The revelation that **Jesus is the Christ** is the root and foundation of our whole life and spiritual endowment. If you don't know that Jesus is the Christ; you have not spiritual endowment; nothing out there to look forward to. But if you know, then are you going to act upon it? You are going to have to start treating Him as the Christ. This is where we fail. We are not treating Jesus as the Christ.

We hear a little voice inside of us and we say, “I wonder if it is the Devil?”

Do you suffer from that too? Yes. God tells you something and you start wondering if it is the Devil. You don't know what to do so you go so and so and you ask this one. “What can I do?” “Help me here?” “Help me there?” You don't believe that Jesus is the Christ. Oh God help us! This is where I am telling you the story between Jesus Christ and myself; what happened.

So He said to me now, *“And Simon Peter answered and said, Thou art the Christ, the Son of the living God.”* Verse 18, *“And I say also unto thee, ...”* (Now He has turned to Peter.) Now the word Peter means little stone. Amen. But He used another word. “You are not just going to be a little stone anymore, but you are going to be a rock” *“...That thou art Peter, and upon this rock (upon this confession) I will build my church; and the gates of hell shall not prevail against it.”* Wait, let's go on a little more. Verse 19, *“And I will give unto thee the keys of the kingdom of heaven: ...”* Did you hear that? Yes! *“I will build my church upon*

²⁴ Luke 10:19

this rock and the gates of hell shall not prevail against it.” “And I will give unto thee the keys of the kingdom...”

Then God spoke to me and said, “That Word was not spoken for one man.” It is spoken for many others who He will ordain. He said, “Yes. I give you the keys of the kingdom of God.” Jesus is talking to me and He says, “*And I will give unto thee the keys of the kingdom of heaven: (Watch it now!) and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.*”

I said, “Lord yes.” He reminded me of what happened, Jesus Christ came into my room, (you know the whole story,) for seven months.

He sat down with me one day and He said, “I want you to go and preach the gospel.”

I said, “But God I don’t know what to say, I don’t know any words. I am not a preacher, I am an accountant.”

He said, “Open your mouth and I will fill it.” He began to tell me of the calling that He has called me to; the position of the right hand of God for this hour, for this generation, for this people and He said, “What ever you bind will be bound, whatever you loose will be loosed. I called you to this.” He said, “But you don’t believe.”

I said, “Lord.”

He said, “You don’t believe.” He said, “Worse than that, the people that I sent to you...”

Now did you know brethren that you were particularly picked out and sent?

He said, “The people that I sent to you don’t believe either. They are following your example.”

I said, “But God, how did I not believe?”

He said, “Well, I told you that whatever you bind on earth is bound in heaven. You went to India and the great angel of death attacked you and by the power of God I whispered in your ears and tell you to call on the blood and the blood smote that angel of darkness that had killed the apostle Thomas in India.”

Right there close to the tomb of the apostle Thomas the thing came and it attacked me personally and we grappled in the middle of the floor and I was there speaking, “In the name of Jesus I rebuke you and so and so.” While he was just going back and forth there like this and he held me like I held him there.

God came and whispered in my ears and said, “The blood.”

I called upon the blood of Jesus Christ and I saw like the ceiling was bleeding blood and a drop of blood dropped right into his head and flattened him onto the floor. The great angel of death Kali got such a blow. He had never got it in his whole time.

He said, “I subdued the darkness of India under your hand.” He said, “You went to Nigeria and Mami-Wata spirit attack you one night in the Presidential Hotel in Port Harcourt.” Again God slammed that spirit and destroyed it.

He showed me that where ever He had sent me and I had gone and had destroyed these spirits and “that I never tell the brethren, **‘This is your calling!’**” Amen.

I said to Him, “My thumb is stiff and can’t bend. Why is my thumb in this condition and my whole body in this condition?”

He said, “The thumb is a symbol of the ministry of the apostle.” He said, “I have sent you. I have given you an apostolic calling. You have not the sinews that cause this thumb to bend like this that come from the head Christ and it goes through many different sinews and nerves and things to cause this to happen. Look at that. Can a thumb work without all these sinews?” He said, “I have given you the sinews. **THE BRETHREN ARE ALL STAMPED WITH THE APOSTOLIC CALLING** of supporting a ministry in the earth to break the power of hell in this time in this hour in which we live.” (My God.) He said, “You have not recognized it. You have not recognized the apostles, the prophets, the evangelists, the shepherds, the teachers. The very fingernail on the fingers, they look dead but they serve a purpose.” He said, “You have not taught the people to recognize one another and submit to the gospel of Jesus Christ in them.”

Yes, when I was hit with constipation over 10, 15 days, I was suffering great pains because of the medication that I was taking. I called to God, “What am I to do? No medication is working.” Brother Burt called me and Sister Nancy said to Brother Burt over the phone there, “Tell him to take some figs.” Immediately I remembered Jesus going to the fig tree for figs and the fig tree had no figs and He cursed the tree.²⁵ That tree should have heard God six months before. Do you understand that? Your tree should have heard God six months before and prepared himself for that hour when Jesus Christ would want figs.

But it was not so in my case. Brother Gerber and Sister Sandy, they sent the figs and it was sitting down in my refrigerator. Do you hear me? That means that six months before that they got the message that the fig tree didn’t get.

²⁵ Matthew 21:19

I said, “But it is such simple things that God speaks to us.

God said, “You did not ordain one of these people.”

Every man, Gordon sitting down there with the things on his ears, this is what the Spirit of God put in him to do. There is David, the Spirit of God put in him what to do. There is Gary, the Spirit of God put in him what to do. None of them were called and ordained by me to do anything. God Almighty is making up a body with a power that must destroy the power of Satan in our time. Don’t you understand? This is what the Bible said. Are you afraid to think that you are a part of this elect? He said, “But for the elect’s sake, no flesh would be saved.” Satan is planning to destroy the world and to wipe out all humanity and to make this a dead planet.

I said to God, “He can’t do it.”

But God said, “Yes, he can do it. But for the elect’s sake no flesh would be saved.”

WHO IS THIS ELECT? We always think of some nice people, some other people of God. Let me tell you something. The church is whittling down to nothing. Go in to any church and you find nothing but trash. Satan is working because man is ruling. Anywhere man rules the Devil has pre-eminence.

God Almighty said He has ordained a people, we won’t recognize them. From this day onward, let us recognize one another. Amen. Yes. Recognize this one, God gave you a voice, sing for Jesus. Recognize the other one, God makes you pray, you know just in silence you pray and heaven moves. God Almighty is telling us something. We have failed, but we won’t fail anymore. Let us be determined to be what God wants us to be. Break the powers of darkness that have bound us so long and “*the sin which doth so easily beset us*”.²⁶ Let us overthrow the Devil now. **The truth is if you don’t believe it you won’t do it.** Amen.

What blesses me, David kills Uriah to get his wife and when the prophet came to him and said, “*Thou art the man.*”²⁷ David crumbled before God and asked God’s forgiveness. God forgave him and made him the same David that brought forth Jesus Christ. Can you imagine that? So then if you don’t believe in the power of God to deliver you; if you don’t believe the power of God to set you free from you ancestral demonic nature; if you don’t believe... Amen. **God is saying that you had better rise up and start believing.** Hallelujah.

I do believe that God has shown me in my training I believe I have seen every miracle that is written in the book here in my training.

Let's go back to the story of what Jesus talked to me.

So Jesus said to me, "All right, you have the power to raise the dead; heal the sick; cast out devils; to bind and to loose." He said, "You do it. Deliver Mavis."

I said, "In the name of Jesus Christ angel of death; power of death I come against you. I command you to loose your hold now!" Amen.

That night I was supposed to have problems in my knees and everything else. I actually danced in the room. 2:00 o'clock in the morning in the darkness dancing, praising God. Hallelujah. We went the next morning and we see her sitting up eating her breakfast. So I gave out the sound that we had received the miracle that we had asked for.

But then God came back. He said, "Now when you brought healing to Clifton Berry, the man who was born without a tongue, who received a tongue when you prayed for him. How did you do it?"

I said, "Well you whispered in my ears and told me You were going to do it, so I knew it was done."

He said, "All right." He said, "When you raised the man from the dead in Mayfield St. Elizabeth, while the death certificate was there, while his grave was being dug and the man jumped up and asked for food to eat." He said, "How did you do it?"

I said, "Well we just got in the Spirit and started shouting and command the Devil to loose Imansfield Manuel."

He said, "All right. He said, "Now, if it were not the will of God do you think that you could do it all the same?"

I said, "Yes. We do a lot of things that is not the will of God."

Did you know that? You have the power to do it and you can do a lot of things that are not the will of God.

So I said, "Yes."

He said, "Well I want you to tell Me if it is God's will that Mavis should come home at this time, would you be willing to give her up?"

Boy it was a tight one. I couldn't speak for a while.

I said, "Well God, You are God. You are God. My experience with You is that whatever You do, it is right. If You do this or that and it doesn't look good to me

and it doesn't feel good and it makes me feel unhappy – **I know it is good.**” So I said, “Yes. I give her up to You if You want her to die.”

Well secretly in my heart I believe He was testing me like how He tested Abraham. So I told myself, “Oh you passed the test because you give her up to Him.” I went to the Morgue there where they had her and I expected her to get up. I went there and I saw that her lip was kind of twisted this way in the coffin. I said, “How could you people have her like this and then think you fixed her to look good?”

They said, “Well nobody told us to do it.”

So while I was talking to them, I turned around and her lips changed and slightly opened and straightened up. I was expecting her to get up at that time, but she didn't. I wasn't convinced that God was going to let her stay in the heavenlies until yesterday when they closed the coffin. I still expected that she was going to jump up and frighten all of you. Amen. But then my word was, “Yes Lord.”

So what we as a people should know is that this is the perfect will of God. In my training spiritually I have been with people in the heavenlies. They have visited, they have helped, they have delivered, they have fought with us. If you look at Ephesians 1:9, “*Having made known unto us the mystery of his will, according to his good pleasure which he hath purposed in himself:*” I want you to understand what He says here. That there is a mystery that God has in His will for mankind. Verse 10, “*That in the dispensation of the fulness of times...*” The “*fulness of times*”, when all the different times of God have come into it's fulness, in that dispensation what is going to happen? “*That ... he might gather together in one all things in Christ, both which are in heaven, and which are on earth; even in him.*” Hallelujah. The Bible says that, “*we also are compassed about with so great a cloud of witnesses*”.²⁸ Hallelujah. It means that some of the brethren who have gone on before with the Lord are part of this cloud of witnesses. They are not just standing idly by, but they are helping us in whatever we are doing. Do you hear me?

We have to begin to stop using the natural. Stop using the natural and start using the spiritual.

I bowed down before God. I am sick. I have problems with a man and he is robbing me and everything like that. I left him and I went down to God and I said,

²⁸ Hebrews 12:1

“My God I cannot take this man into court. I don’t have the energy. I don’t have the money. I don’t have the time. Lord God do something for me.”

Do you know what God did? He went to one of the brethren, told him exactly what was going on and tell him to take charge of the case. You couldn’t want better than that. God Almighty is trying to teach us to be spiritual although we are carnal.

I want to stop but I have something more to tell you. We are going to start to work in the heavenlies. The Bible says, “*For we wrestle not against flesh and blood...*”²⁹ If “*we wrestle not against flesh and blood*”, how are we going to wrestle? We have to wrestle with spiritual power. First of all you have to accept the power that God has given you. “*I give unto you power....over all the power of the enemy: and **nothing** shall by any means hurt you.*” Nothing on earth, neither in heaven nor in hell can disturb you or destroy you. This is a people who must bring deliverance to this generation.

Don’t you understand that the people are being gathered now? You are being called to the right places in God that you might do what God wants you to do. Hallelujah. I have seen the heavenly hosts. I have seen the heavenly hosts. When I was in trouble and a certain person who I knew that is passed on rushed in between me and the demon. He made one pass over me, I was bound and I couldn’t talk. He came and he did like this and the moment that he put his hand across my mouth.

I said, “I rebuke you in the name of Jesus.”

The devil stopped. He said, “All right, since you say in the name of Jesus I have to go.”

Yes. Yes. I have seen the heavenly hosts working with me.

I tell some people and they say, “He is a sorcerer.”

Oh yes. Well I am telling you something. The power that is in you is building up. Amen. We are not glad for our brethren to pass away from this life, but they are not idle. They are part of the work to a point that certain people cannot stand it physically. God takes them into the heavenlies and they continue their work. Hallelujah.

You know that it is God’s will to take Mavis from me. I am distraught. I am terrible distressed. I don’t know what to do. But I still feel her presence so I am not lonely now. Yes I am not lonely now. I don’t know if in the future it will be, but blessed be the Lord God Almighty. I have got one foot in heaven. Oh yes. I remember the covenant. The covenant we made and we didn’t say, “till death do us

²⁹ Ephesians 6:12

part”. We said, “Always and forever.” There is nothing, nothing that can separate you from God’s people or from who God binds you with a covenant, because the covenant that we made is an everlasting covenant. Amen. So when God outside of you in the Old Testament, He talked to us outside of us up to the baptism of the Holy Ghost when God comes into you.

Now there are some people who are speaking in tongues and they are not baptized in the Holy Ghost. You know you are baptized in the Holy Ghost because of the results. You see tongues are a peculiar thing. It can be psychological. If you repeat something enough you will automatically say it. It can be psychological. But then the true Spirit of God, when He moves in you He lifts you. Amen. When the Spirit of God moves in me my hands lifted higher than they could ever lift. The Spirit of God moving in you, He is moving in a way that He is going to break the kingdom of Satan. The worst devils that have ever been loosed on earth are now loosed. Yes. They are now loosed. God depends on you to tame them. God is depending on us. Stop fooling around in the natural things. Amen. Praise God.

The covenant that I made with her, the wedding thing said, “Till death do us part.” We said, “Always and forever.” and between us it was always “Always and forever”. I knew God gave her to me and no powers will take her away. Amen. She is part of me, “*flesh of my flesh, bone of my bones*” in the heavenlies.³⁰ Do you understand it?

Come back to the thumb. How did this thumb work? What made it work? Brain, no not brain – mind. Is mind a natural thing? Can you show me your mind? and you can turn me a piece of it. But you can’t show me your mind. That means that **God has ordained that the spiritual should motivate and work the natural**, but the natural is only a servant. Your natural body is only a servant, a servant of a spiritual being that is motivating it. Now if this is a principle of God – don’t you understand? The more spiritual you get the more power you will have over the natural things. **How do you get spiritual?** Well it is simple. How did you get to become a lawyer or an engineer? How did you get it? You concentrated on it. God wants us to meditate on Him. The Devil is doing everything to prevent you from meditating. You are working down to the midnight and you drop into the bed and you can’t meditate. Cut it out. This is God’s time. Sorry, no more business. We have no time left. Amen. Hallelujah. When Brother Cheemah said that God showed him that he should put up something in Atlanta, he doesn’t even know what God is doing with him. Yet as you move on you are going to find out,

because the Christians will be the only people who will be able to help the suffering and the dying and those going to hell. Believe you me! You will see more people going to hell than any time in the history of the world, but you will also see them going to heaven, just like in the flood.

God wants you to be servants of the Living God. “God I don’t care about my own life. All I want now is for you to tell me what to do, when to do it, how to walk.”

So we are working in the spiritual to defeat the spiritual. But guess what? Princes! Have you ever met a prince? He is not a prince because he is a name. He didn’t steal the title. A prince of devils is a spirit with more power than an ordinary spirit. They are the ones that are coming against us now. When it comes to temptation, you know God said, “When you get to a kings table and if you have an appetite, put the knife to your throat.”³¹ In other words the time has come, like temptation and all those things, we must get above it. If temptation is still bothering you, stop eating, pray to God for it is better that you die fasting than to continue as a servant of the flesh. Amen. I am not encouraging you to commit suicide, I am just encouraging you to live. Hallelujah. Amen.

Thank You Jesus. Thank You Jesus. I’m glad I didn’t tell you some of what I shouldn’t. I’m real glad I was able to get over it. Thank You Jesus.

God bless you in Jesus name. Amen.
