

Love One Another

Cecil duCille

May 24, 2009

Mahomet, Illinois

I am indeed blessed to be here, to have this privilege to bring to you the Word of the Lord. God has been speaking to me through the week and one of the things that He did was to show me a vision. I saw a human form and the word *LOVE* was being written. "L" on the right shoulder, "O" on the left, "V" on the stomach and "E" in the belly. After it was written that way, He wrote *LOVE* with "L" on the forehead, "O", "V" and "E", right down. He turned him another way and He wrote "LOVE" on the side written in red. I wondered at it. What kind of vision is this? What did God mean?

Our only hope is love. I began to remember a brother in Grove Place back in Jamaica many years ago. He was a rough, hill man. He lived in the mountains and did his agriculture and he was pretty rough! He had never learned to read or write. We went up into the hills and started preaching and he heard the Word of God and received Jesus Christ. You would think it was a university professor speaking when he opened his mouth and began speaking the Word of God. He couldn't put two words together properly in English, because when he would speak in Jamaican you wouldn't understand anything he said. But when he got in the Spirit, the man was an entirely different person. Hallelujah. The love of God took hold of him and he was just an entirely different person! He quickened the whole of God's congregation when he spoke. So, I remembered him, Brother Biggs, as I sat down there in my seat. I just remembered him and the Lord began to show me that after all our efforts, all our labor, all our work, the main thing is love. Do you have it? If you have love, does love have you?

Let us look at what Brother Paul says here. I think there is a feast somewhere for us today. I Corinthians 13:1, ***Though I speak with the tongues of men and of angels, and have not LOVE, I am become as sounding brass, or a tinkling cymbal.*** In other words, a dumb brass sound - that is what I am if I don't have *agape*. Now, I have been trying to find out why they translated it *charity*. I have been looking through all of the history that I can find of the writing of the Bible and I cannot understand why anybody would look at the word *agape* and translate it *charity*, because *charity* is far removed from *agape*. You can have *charity* and not have love. There are some people who could give you many things - Rockefeller could give away billions; that wouldn't make him a lover. Bless God Almighty.

The word that came to me as I sat there is that there is no law against love (Galatians 5:22-23). We should never be afraid of loving one another. That is the honest truth. We can be afraid of coveting one another, you know, but not loving. If you love someone and you show the love for the person, it is God's Word and Spirit in you. Love can do no harm. Real love is not the petty thing that men play with. It is L-O-V-E, God Himself speaking. That is the only word in the Bible that describes God, because, we couldn't find any better word. You see, God is light. God is peace. God is everything. But when the Bible said, "God is love," there is no other word; you cannot circumvent it (I John 4:8). I don't think I have ever heard anyone adequately describe love. The thing is beyond our ken, beyond our understanding. That a man could be crucified, beaten, bruised, kicked, killed,

hanging on a cross and saying, “God, forgive them. Don’t let it go to their charge for killing Me” (Luke 23:34). Amen! The man ran a sword into His ribs and He said, “God forgive him.” The man put the whiplash on His back. I’m telling you, if someone hit you, brother, you have got to have God Almighty not to tear him apart (if you have the strength and the power) and not to hate him. To love someone who hurts you, who hates you is beyond our understanding because we believe that love is supposed to be reciprocated. That is, if I love you, you are supposed to love me back. That’s not what God says. Love doesn’t want anything to be given back to you in order to pay for it. It is too precious to be paid for. You can’t pay for it.

One of the things that the people of God are lacking is love and we are afraid of love. We are afraid of saying, “I love you.” We are afraid of saying, “I love you” because if we say so it might sound pretty bad and somebody might, you know, get jealous and all that sort of thing. But we should begin to be children of love for we are children of God. We should love without any restraint. Do you hear me? You should lay down your life for love, not because you want something from the person! Amen! But because the Spirit of Almighty God is in you, for those who the Spirit is in, you are children of love. Did you hear me? You are children of love and you can’t help it. Don’t be afraid of it.

So God said, speaking through Paul, what a mighty wonderful man that was. Verse 2, ***And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not LOVE, I am nothing.***

Let me touch on prophecy. In this meeting - well, it was one of the most perfect meetings that I have been in for a long time (I am talking about spiritually speaking). The meeting came to a point where there should be a prophetic word. I said, “Lord God, quicken Brother Burt, let the man come forth.” You see, God anoints every soul in here. Whether you knew it or not, you were adding to the Spirit that was moving. So, the Spirit of God was moving in you for the prophetic word, it all transferred and I think that it got so burdensome to Brother Burt that he had to shout out. Thank God for a body that can come together. We function in parts: my right hand functions, my left hand functions, my right leg... So, when I call upon my leg, if I pitch forward, I have to put the leg forward to stop from falling on my face. The leg answers. Amen?!

Praise God! When a meeting reaches to a certain point God says, “Now the prophetic word must come right into that niche and join the chain together.”

You know, we haven’t sung enough. Hallelujah. I tell you what. We should just get together to sing all night. If you do it, the next morning you will feel so invigorated with the Spirit. We used to do it in Jamaica and I figure you guys do it in Africa, don’t you? You call it a “night vigil.” Oh God, what has happened to us? We need this sort of thing. We need the exercise. We are sick and tired and not doing well. We shouldn’t have space to hold people today, but we have a lot of space because we are not exercising. I am speaking to myself both naturally and spiritually, that my legs are kind of not wanting to walk a half a mile. I walk a quarter mile and they are dropping off. I am getting too lazy.

I am going to have to start walking. Look at the “walking man”(Henry Gruver) sitting before me. He walks hundreds of miles. I am telling you, he is one section, he is the walking part of the body, but you notice how slim and trim he is? He is slim and trim because he is walking. I felt in the Spirit like I wanted to dance so I got up but soon the legs started telling me, “You better sit down.” I had to humbly take my seat. So, may God help us.

We are talking about love. If you look at your own physical body, do you think your hand loves your feet? Your hand will do anything it can for your feet, especially if you can reach it. Once I could reach mine, but either my hands got shorter or my feet got longer. But it so happens that I am so distressed when I have to reach my feet that I sometimes stop and rest a little bit. Praise be to God. We are thanking God for everything.

Your body is a type of the Body of Christ. Nobody can say that you can't read the Bible, because you can read your body. God Almighty, Who made the body, He made it so that it is a temple of the living God and every piece of the gospel of Jesus Christ is written in your body. Your fingers are the servants: apostle, prophet, evangelist, shepherd, and teacher. So you have the Word of God written in your body.

So we come now to talking about love. The love is the cohesion. The love is like the blood that runs through your veins, the cohesive force that keeps both the head and the feet together, working as one. This is the love of God Almighty. I'm telling you, anytime you begin to move in love, you will begin to forget some of the wrongs that your brethren do.

You know, if my little boy (a big boy now), does me harm, instead of getting mad or upset and saying, "Lord God, just knock him down for me," I say, "God, have mercy upon him." He is my flesh and blood. If you can do that with your child, why can't you do it with mine? When my child starts hitting you hard, when somebody else starts showing a lack of love towards you, God is saying that **the only answer to lack of love is love and there is no law against love!** Amen! The scripture says that against love there is no law (Galatians 5:22-23). No man can write a law against love. If anybody begins to persecute you against love it is because it is a persecution. That is all that it is and God Almighty will take care of that.

But remember that God is saying to us that we must come into Zion. What do you think He means? The highest point of man's achievement in God is called Zion. The highest point of man's achievement in God is called Zion and God said, "Come up a little higher." Then, do you know what happens to you? You start to feel love for the other people.

Do you know that I had not understood certain things until my wife died? I didn't understand pain. You know, we were in love for sixty years or more, maybe we were even in love before we met. You bet, sure! My thought is that a man cannot live without love, neither can a woman, and if you love the wrong thing, you are in trouble and if you love the wrong person, you are in trouble. Yes! In other words, when I say love, I am talking about the love that unites people together.

Before she came, I was asking God for somebody who could really be part of me. I had a vision. I saw the bright sunlight and I could hardly see but there was a beam coming through my window down into my house. I saw the woman come down through the beam into my house. When she came, we held hands together and then she faded away. That night, I didn't know she was going to die but after a while it happened and I believe it is the will of God. You believe me? Brethren, I believe it is the will of God. I believe God created her to bring me to this point and I believe that God took her at this point, but I must go on. I believe, brethren, that what she taught me of love of one human being for another is something that I never could have learned had I not had that experience. Amen.

I am talking about agape love. When the world talks about love, the world is talking about something else. You know what I mean. You have the real thing and then you have the shadow of the thing. The poor people in the world don't know what love is. Unless you know Jesus Christ, you never experience true love, believe you me, because the love of God permeates your whole being and it lifts you from being an ordinary low-down human being to a higher level. Do you know that scripture describes human beings on different levels? The angel said to the other angels that were ready to destroy the earth... when you talk about earth, we are the highest form of earth. He said, "Don't touch the grass," the low-down grass on the field there. He said, "Don't touch the trees," and he said, "Don't touch the sea," which is the nations, "till we have sealed the servants of our God in their foreheads" (Revelation 7:3). What was he talking about? He was talking about the poor Christian who is low-down to the ground. In agriculture, we would call him a "low-bite." We had to feed some animals on "low-bite;" they had to crop the grass off the ground as part of their exercise. Then we had tall grass and fodder. Then we had some that would pick the leaves off the trees and God Almighty speaks of the Christian as *a tree, planted by the rivers of water, that bringeth forth*

his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper (Psalm 1:3). This speaks of a Christian with high lofty limbs looking up to heaven. Hallelujah! He speaks of them as trees of righteousness!! AMEN, HALLELUJAH! So there is a difference between the “low-bite” and the trees of righteousness that bringeth forth his fruit in his season.

So if you will understand, God doesn't want you to be a “low-bite.” God wants every one of us to be lifted up, to be trees of righteousness, planted by the Lord. You have the capacity, the ability, to resurrect from low down to high up. Let me tell you something. Talk about low down – I was low down. I can remember the days as a young man, strong and dreadful. I could be nice, but boy, don't get me mad. I would lose all humanity; I would become a beast. I would want to kill you. It was only the mercy of God that stopped me several times from committing outright murder.

Sometimes I would wonder to myself, “I would like to be good. I would like to be like nice people,” but I was wild. When Jesus took me, He carried me through so many stages. He brought me from down low to up high. I can tell you now, you can't make me mad - you can try it sometime. I tell the devil that, I warn him that I have beaten him already. Yes. When I, as a fighter, a warrior, I knew exactly what to do to break your neck. But after Jesus brought me higher up, I would see a man beating me and I would just laugh at him. Another one would be kicking me and I would laugh.

You know, God is so humorous. Somebody was saying that God had a sense of humor. I don't think so. I think God is the humor. I think He has great fun sometimes in doing something. When the man came up to me and the man looked me in the face and “bam,” kicked me and pulled back, then another one rushed in and “bam,” kicked me and pulled back, what God was showing me was his face. The man made a face, with a snarl and a grimace, and I start laughing at the look on the man's face. The strangest thing is that I didn't feel the blows. They were kicking me and I didn't feel it.

It was a message to a man who lost his ministry because somebody kicked him. He said, “The Bible said if you hit me on the right cheek I must give you the left and so I did it. I gave him the left and he hit me and I gave him the right again and he hit me on the right. But the Bible didn't tell me what to do when he kicked me!” So the man kicked the other guy to pieces. People had to run to save his life because the man was a very strong guy and he tucked him like a football.

But God Almighty was teaching this man a lesson. He sat down there and watched these men who were kicking me and he watched what I did and he began to weep. He just wept and he confessed himself to me, he told me what happened to his whole life. He said there was no hope. Do you know, he died of a broken heart because he completely lost his ministry.

So, we talk about love. It is not something you can make, but it is something you can take. (I am poetic sometimes you know.) YOU CAN'T MAKE IT BUT YOU CAN TAKE IT! You can remember that.

Get love by getting on your knees and saying, “Lord God, I need more of You. I am too human, Lord God.”

This thing that covers the Lord God in me, this thing here is a veil that covers the God in you, my brother. Yet there is a God in you that is so great that nobody knows it, not even you know it. If you ever let loose that God in you, you would become one of the greatest men on earth. Hallelujah.

All the suffering that God put you through, Brother Lawyer I am talking to now - all the suffering that God put you through in this life is to make you one of the greatest men on earth. Believe it and if you follow God in the way He is leading, He is going to do it for you before it is too long.

God Almighty is doing something here. Do you know what He showed me this morning? He said He is in the act of cutting that stone out of the mountain (Daniel 2:4). He said it is not human made, it is God made stone – of some of the roughest men, some of the roughest women.

Somebody was telling me about somebody else how she is this and she is that and she is the other. I said to the person, "Well, you know, Mary Magdelene was a harlot before she met Jesus and you wouldn't like to know what I was before I met Him. I don't know what you were?"

But God uses the tough people that life has been rough with and that life intends to destroy. He uses you to be His stone!

Now, I am going to tell you something very peculiar. Do you know that stone that was cut out of the mountain without hands? That stone that was cut out of the mountain without hands was the toughest part of the mountain. To me it must have been something like flint, something that could mash iron and it struck the image! Do you hear me, brethren? It struck the image with violence. I am not talking about you going now and taking a gun and vindicating yourself or doing anything like that. I am talking about spiritual violence.

Do you know that God said that in the end of time He is bringing forth two witnesses? He said, "If any man would hurt them he would be killed by fire coming down from heaven" (Revelation 11:5). He gave us an example. Do you remember Elijah? Do you remember what happened? He called down fire from heaven and burned up the sacrifice (I Kings 18:37-40, 19:1). Amen!!! As a matter of fact, he even took up a sword and did some violent thing there to the prophets of Baal, but we are not in that order. We are up higher than that now. Remember now, we have been lifted above that.

I can give you an experience that I had. A man sharpened his machete and he came to kill me. I didn't have any fear and I didn't think he could kill me. In my past, when I was in my violent state I could have defended myself even if a man had a machete. But I wasn't going to defend myself that day because I just believed that God would not allow him to chop me to pieces with his machete. The people heard that this man came down hunting me to kill me so crowds gathered. They kind of prevented him coming to me as I was standing up there. I heard it and I came down from my house to come down to the church to see what was going on. He was going to kill me because I got his common law wife saved and she told him she couldn't live with him any longer because she had now found Jesus.

So he was going to teach us a lesson by chopping to pieces the "Jesus man." He must have really meant business. He decided to sit down under a tree and wait for his opportunity to chop me up but out of a clear blue sky a bolt of lightning struck the top of the tree and split it in two and since the man was sitting underneath this tree, it killed him. You see, he had intended to kill me.

So, the love of God in you will become not only a thing to bring together God's people, but it will be a shield and a defense. When I am talking to you, brethren, please, young people, don't believe I am talking about some far and distant time. We only have maybe five years left, somewhere in that period of time, when God must bring forth His final move on earth. We are the people, the stone cut out of the mountain that God has to use to stop Satan from taking over and from destroying the whole world.

You know how our past vice-president, Mr. Gore, talks about us destroying the ozone? That was his thing. I used to laugh at him.

But I asked God, "Can man destroy Your earth?"

He said, "Yes, they can do it."

I said, "My God, what do you mean? Show me that in the Bible."

He showed me where God said, *And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened* (Matthew 24:22).

But for the stone cut out of the mountain without hands... no flesh would be saved. It would become a dead planet. Think about it. It is possible and God says that YOU are the people that He is going to use to stop it from happening.

Now, you want to know if it is really you, right? Let's look at Daniel 2:32, *This image's head was of fine gold, his breast and his arms of silver, his belly and his thighs of brass, ³³His legs*

of iron, his feet part of iron and part of clay. I want to tell you that the iron and clay represented the Roman kingdom, secular Rome and spiritual Rome. You see, you had the Roman Empire and then you had the Holy Roman Empire. The peculiar thing about it is that He said that the Holy Roman Empire would come right down to the feet, to the end of time. Are you all with me, brethren? It will come down to the end of time. So that means to say that if we are in the end of time now we are still under the Roman influence, that the whole world has come under the Roman influence.

So we look here and in Daniel 2:35 he says, *Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.* Now the angel explained it in verse 44, *And in the days of these kings shall the God of heaven set up a kingdom...* We are the kingdom of God. The God of heaven set up a kingdom...*which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.* Can't you see how important we are? BRETHREN, YOU ARE IMPORTANT! YOU ARE IMPORTANT TO GOD. I am glad that Brother Gruver made us to understand, "Don't call yourself a dog or the doorkeeper any more. You are not doorkeepers anymore. You are the Kingdom of God."

Verse 45, *Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure.* Now, some of us are not certain, some of us are not sure. Please, for God's sake, be certain and sure! "I AM," saith the Lord God, "Be certain and sure because the hour has come when the stone is being cut out of the mountain and the hour of time will come when we shall smite the image."

You know, our lives are going to be spared. We are going to have a great war and it is going to destroy billions of people. There will be death and destruction everywhere, hell and torment, but YOU WILL BE SPARED! Why? Because you must strike the image! Don't you understand? You must come to the point where you are preserved in order to execute God's will at the end of time. Do you see what I am saying? This is our insurance policy that we are going to live, that we are not ready to die. Amen.

I said to God, "Probably, I should die. Probably I should go home and die."

God said, "Don't you ever mention that again."

We are not talking about dying now. We are talking about taking the kingdom. *The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever* (Revelation 11:15). BUT YOU CANNOT DO IT IF YOU CANNOT LOVE YOUR BROTHER. The key of life is love. Do you hear me? **The key of life is love!** The love of God doesn't have any jealousy in it. Do you hear me? The love of God has no jealousy in it. It is God, God, God! And when you love, you are of God. "He that loveth is born of God" (I John 4:7). I mean, you don't love the bad ways of the brother or the sister, but consider your own bad ways - you don't love them, either!!!

Do you ever get before God and say, "God, rid me of my bad ways! I would like to be like Jesus. Oh, I want to be like Jesus! But I have some bad ways that I HATE."?

The truth is that every man who sees should be able to see himself and there is no man that can wholly see himself. Did you hear that?

I have never seen my back and I can never see it like you can see it, but if you tell me, I will believe it. Yes. You tell me how it is and I will believe it.

It is good sometimes to go to a person and say, "You know, you are beautiful," especially someone who thinks he is ugly.

The love of God should permeate through us as sons of God and as daughters of God; we should care for one another. I should care how you feel. I should care what would happen to you if I should do so and so. The care and the love is something that has a revelation in it. **The more you love, the more God reveals love to you.**

Love takes away the pain of suffering. Oh yes. I believe that when they were beating Jesus that the love in Him was crying for them.

Someone beating you and you are saying, "Poor things, they don't know what they are doing. Lord God, have mercy on them. Don't allow them to be killed or destroyed." That is the Spirit that I feel when my children go against me. My God Almighty; everybody who comes against me gets hurt. God Almighty says that anyone who comes against Israel will not prosper (Isaiah 54:17). I said, "O Lord God, have mercy. Don't put it to their charge, Lord. Put it to my charge. Maybe if I would have brought them up a little different they would have done better." Amen.

Because the love of God is greater far, than tongue or pen can ever tell. It goes beyond the highest star and reaches to the lowest hell! AMEN!!!!

Let me tell you, it cancels sin. **The love of God in you cancels sin.** Amen. Somebody hurts you and you begin to think how awful that person is but the love of God comes in you and you begin to make an excuse, "poor thing, they must be suffering so hard." You know? The little puppy bites you but you know that the poor little thing bites you because he is suffering.

So God Almighty has put in us a thing called love. I will tell you something else, too. Do you know that **love will heal your sicknesses**? Love will heal your physical body. That body you have there is subject to the Spirit. No matter what sickness you have in your body, no matter what pain you have in your body, your body is subject to the Spirit. It was the Spirit of God that made your body and it is the Spirit that God breathed in you that keeps you alive. I'm telling you that **the Spirit of the living God in you will heal your sicknesses.**

We had not gone to a doctor for thirty years, believe it or not. Somebody who never went to a doctor for thirty years, but when we went to Africa, Mavis got malaria and we didn't know she had malaria. When we got here, they said that they couldn't legally give her the treatment.

We called Sister Ada in Lagos. She called the doctors here and said, "Give her 1,000 CCs of quinine." The doctor said he couldn't. He said it was illegal.

She said, "Are you going to let her die?"

He said, "Well, we can't do anything."

They couldn't do anything for her and she was left to die. Jesus Christ touched her and she got up and laughed at the doctors.

She had fourth stage cancer. The cancer was skipping from one organ to another, it filled up her intestines, and was going all through the body. They were charting the cancer.

The doctor came out Monday morning, trembling, trembling and he said, "Come quickly." He showed me what the fourth stage of cancer means.

He said, "Nobody turns back from the fourth stage of cancer." He said, "But this morning she has no trace of cancer in her body!"

Friday evening they ran their tests, Monday morning came and they are just charting death now, you know. There is a time when the doctors stop charting life and they start to chart death, but blessed be God. I saw Brother Cody, God bless him, he has passed on, but he came from the United States and knelt down by her bedside weeping all night. Hallelujah.

Monday morning I went to the doctor and the doctor said, "There is no trace of cancer in her body."

Amen. What happened to the wound that the cancer made when it penetrated the intestines and blocked the intestines? Totally healed!!! Thank You, Jesus.

So they called her the Little Lily and she used to sing:

When I saw the little lily pushing up that heavy clod

Then I marvel at the wisdom of my God
Hallelujah. Praise be to God.

So, brethren, we believe now that if we begin to imbibe the love of God, that means swallow, get the love of God coursing through your body, through your mind, it will heal you.

Sister Kathy, God Almighty intends to heal you. Don't accept the down, accept the up. God intends to heal you. The Lord told me to come to your house and to pray for you. You are being healed in the Spirit by the power of the living God right now and it will manifest in the body. Amen.

This body is a servant. God picked up Brother Hicks from California and landed him in Russia. I was thinking it was strange, but when I started reading my Bible, in Ezekiel he explains the same thing. He said he was with the captives in Babylon, in Iraq. The man is in with the captives in Iraq and all of a sudden, he was translated to Jerusalem and he saw the 25 men and he said, "You are the men who troubled this nation" (Ezekiel 11:1-2).

I love prophets like that. May God Almighty anoint the prophets like that, that they get senseless, that they don't have any sense to consider, "What am I doing here..."

Lord Jesus, anoint the prophets, anoint the men and women who are moving in the prophetic realm, for at this hour, God is going to bring a new breed, a new breed of people and prophets, people who don't value their own reputation. Yes, you don't think about your own reputation any more. Amen. God Almighty is anointing a new breed. Bless the Lord God, oh my soul! Let us bless the Lord. Lord Jesus, anoint them. LET THE LORD GOD ALMIGHTY ANOINT THEM! Amen. Thank You, Jesus.

He said that he was brought from Babylon into Jerusalem and he looked at the princes, twenty-five of them, and he said, "You are the men who trouble this nation." Then he begin to prophesy to them, "Thus saith the Lord God..." and one dropped dead right there and then he found himself back in Babylon (Ezekiel 11:13, 24).

Believe me, brethren, that body you have is just a servant. That body will do anything the Spirit tells it to do. God Almighty said, "All things are possible to him that believeth" (Mark 9:23). **We had better begin to believe God.** Begin to believe God that you will remove mountains, that you will be totally supernatural in your natural. Did you know that is what the Bible teaches? The Bible doesn't teach that we will be raptured out of here! The Bible teaches that we will become supernatural in the natural.

We had a case where this woman was in her house and robbers came in and one of the men had a shotgun in his hand. He held up her husband.

She marched in and said, "GET OUT OF HERE!"

The man turned the gun on her, right in her chest. Now, this is somebody we knew. Right in her chest he blasted her with double barrels.

The woman fell to the floor, but she got up and said, "GET OUT!"

The man ran like a thief. When we examined the woman, she had little pellet marks all over her, but none had penetrated her skin. Hallelujah. **ALL THINGS ARE POSSIBLE TO HIM THAT BELIEVETH!**

FOR GOD'S SAKE, ZION, ARISE!

Get up into the mountain. Get up into the place that God has ordained for His people in the end time. Do you know why? Because God cannot hold the devil back much longer. Time is up!!! He has to loose him and if God looses the devil... He says, "I give you power... over all the power of the enemy: and nothing shall by any means hurt you" (Luke 10:19).

Oh yes, we have to believe. Now the wishy-washy... Our sister talked about the strong and the weak. The Bible says, "Let the weak say I am strong, let the poor say I am rich (Joel 3:10). Because the hour has come for us to move the world, God says that the saints will take the kingdom. It says that all dominions and all kingdoms of the world will become the Kingdom of God (Daniel 7:27). We must overcome this world!!! Glory! Jesus! Loose!

So then, as the scriptures say and we have proven... It is one wonderful thing that everything that is written in the Bible I have proven to be true. Did you hear me? They tell me that I was born in 1922. I don't believe it! But since I have been running around this world, I have experienced most of what has been written in the Bible. I have seen people's withered limbs stretched out. I have seen a new tongue come into a man's mouth. I have seen the dead raised. What else do I want to see? I believe God. I believe God with all my heart. Hallelujah.

Some people say, "Well, Cec, some of your dreams never come true."

Well, do you realize that they said that about Isaiah? And Jeremiah? And Ezekiel? and Daniel? One time God said, "Daniel, shut up the book, it is not for your time. It is going to come to pass" (Daniel 12:4).

I wouldn't be foolish enough to say that God allowed another spirit to deceive me and He never corrected me. Do you think that is the way your God works? You had better believe, if you are a believer, believe what comes in your heart. If you are wrong, God will correct you. He is not going to allow you to continue to be wrong. You hear me? My God is GOOD! He LOVES me! He is NOT going to allow me to believe a lie. He said, "If it were possible, they shall deceive the very elect" (Matthew 24:24). That means it is not possible to deceive the elect. Did you understand that?

Stop saying, "My own mind told me."

Stop accusing your mind of not being hooked onto your spirit!

Let me tell you how the line of command goes. The line of command: FATHER commands to SON; SON commands to HOLY GHOST; HOLY GHOST commands to your spirit; your spirit commands to your mind; your mind commands to your body; your body executes in the world. That is how God's line of command goes.

God called Moses and He commanded him to do so and so and so. Moses got it in his spirit and got it in his soul. "Remember now, the pattern I have shown you" (Hebrews 8:5). That means it is in his soul now. So the soul must remember the pattern He has shown me. But then my soul (my mind) is in touch with my brain. My brain has a photographic memory. Moses' brain remembered what God showed him in the mountain. So he put it on paper and the work can get done building it.

Don't you understand God, beloved? God is our God. He is not going to allow us to be put to shame before the world. If He tells me to run I am going to run. If He says to stand still I am going to stand still. Though hell will be coming at me I will stand still. By His grace. Amen.

So, brethren, let us look at the Word of God again. I Corinthians 13:3, *And though I bestow all my goods to feed the poor...* (though I am Rockefeller) *...and though I give my body to be burned, and have not agape love, it profiteth me nothing.* There is no profit in it. I am not going to be profited by all of my activities unless I function in the agape love of God.

Yes, the Spirit is cooling down so I know that it is about time to close. You know you need to watch that. Sometimes we are singing and we sing one song too many times. You have experienced that? Yes. When you feel the Spirit start cooling down... Blessed be to God.

This morning I started laughing. I do a lot of that by myself. I remember my sister. If you gave her a compliment and told her how nice she is and everything like that, she would say, "You are killing me softly with love."

But this message cannot be finished. You know, I started writing a little poem about love and I just couldn't stop. I can't find an end to it, because love thinketh no evil, rejoiceth in the truth, beareth all things (I Corinthians 13:5-7). Can you imagine that? **Love is a sufferer.** You cannot love unless you make up your mind to suffer. You have to suffer. Love beareth all things, hopeth all things. You hope for the best. Just on and on and on and on. When you go to I Corinthians 14:1, he says, **Follow after love. Follow after love!**

May God Almighty bless you with His love and bless us to love one another. Remember brethren, there is no law against love. Amen. I won't mind if you tell me that you love me, because I love you, too. So God bless you in the name of Jesus. Amen.
