

THE ADULTERY OF THE CHURCH

Cecil duCille

*(Foundation Studies CD 10, message 189.)*

Amen. It is a real privilege and I think we should use it as much as we can while we can for the day might yet come when we can't meet together like this. Amen. Especially for a morning meeting it is beautiful to see so many able to come. Hallelujah.

Turn to Isaiah Chapter 4:

Is 4:1 *"And in that day seven women shall take hold of one man, saying, We will eat our own bread, and wear our own apparel: only let us be called by thy name, to take away our reproach."*

2 *"In that day shall the branch of the LORD be beautiful and glorious, and the fruit of the earth shall be excellent and comely for them that are escaped of Israel."*

3 *"And it shall come to pass, that he that is left in Zion, and he that remaineth in Jerusalem, shall be called holy, even every one that is written among the living in Jerusalem:"*

4 *"When the Lord shall have washed away the filth of the daughters of Zion, and shall have purged the blood of Jerusalem from the midst thereof by the spirit of judgment, and by the spirit of burning."*

5 *"And the LORD will create upon every dwelling place of mount Zion, and upon her assemblies, a cloud and smoke by day, and the shining of a flaming fire by night: for upon all the glory shall be a defense."*

6 *"And there shall be a tabernacle for a shadow in the daytime from the heat, and for a place of refuge, and for a covert from storm and from rain."*

Praise God. We are not going to even attempt to deal with this passage naturally because it is not possible. But looking at the first verse we see spiritual adultery, a mixture. You know, mixing my cup of coffee with onion soup, it is neither coffee nor onion soup. I take my coffee/onion

soup thing and I mix it into my cereal and I take that and I mix it into all good food but not to be mixed. They weren't made to be mixed, concocted together they form a poison.

I used to know of people creating poisons from good food. You know, like somebody took butter and banana. Banana is good, butter is good, but butter your banana and it is your slow poison. Things like that. You have certain concoctions that have no right to be together.

The Bible is showing us a period of time when seven women/seven churches would cling to one man/Jesus and said:

“All we want is Your name. We don't want Your clothes, we will find our own clothes, our own righteousness. We don't want Your righteousness. We don't want anything else but Your name to go around saying, ‘I am Mrs. So and So.’”

Praise be to God. It is a spiritual picture of a church that is mixed, mixed with all manner of things. The worst part about it is satanic forces also mixed in the church. I cannot go into details but if you ask questions after this I can give you some very good answers.

I saw where in yesterday's paper, it was long before – I have a clipping in my Bible five years old. It said that the Anglican Church in England which broke away from the Catholics and they broke away on the point of divorce that the king wanted a new wife and he went off and divorced his wife and the Pope said, “No.” They broke away on that point from the English Church, that today they found no reason to be separated. That the Bishops of the English Church met with the Roman Catholic Church Bishops. The most amazing part of the story is that they, the Catholics never moved from their position: infallibility; the sacraments; transubstantiation; they never moved from these things. They hold fast and the English Church is giving all the concessions. The greatest concession that they give was to condescend to join with them. Amen. They had a riot in England because the people are rioting against this. The people “BOOED” the Arch Bishop of Canterbury. For an Englishman to boo the Arch Bishop of Canterbury it must be pretty rough, but they booed him because he was going to join back the Catholic Church with the English Church. But you haven't seen anything yet.

Last year I think in June the Pope was shot. You know, everybody was shocked because these people, every couple of months they shoot somebody, the terrorists. So they shot the Pope and everybody was fighting. You know we begin to search into it but why was the Pope shot? We saw a reason that hitherto was not published and was not known, a reason in the Spirit that the churches, all the churches around here that you can name and see, all the denominational church are joining to a thing that we call the World Council of Churches. The World Council of Churches is incorporated with Communism and with all kinds of deep dark evil. Amen. Because that is the beast coming forth in the church system. In Revelation Chapter 13, let's just turn our Bible to it and we see a beast that will force all the people to worship the devil.

Re 13:11 *“And I beheld another beast coming up out of the earth;...”*

Whenever you see your Bible say *out of the earth* it means out of man, out of carnality.

Re 13:11 *“And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.”*

A lamb shows Christianity church, the dragon shows world. So now the church was speaking with the voice of the world. The dragon you see is the symbolic term used for the coming together of the nations, they bring an animal with many heads. So as this picture comes forth we see two horns, what is the horns? The authority, the power, the rulers. We see this thing being formed.

So in June last year the Pope had an appointment to meet with the World Council of Churches. So they had this appointment to meet to bring together what? The two horns. The World Council of Churches which represents all the churches here and the Catholic Church which represents the other church. Now the only churches which would be out of that would be the Greek Orthodox Church and the Russian Orthodox Church. You see the Greek Orthodox Church and the Russian Orthodox Church, the German Lutheran and the African Churches you see. Well the Pope went to Africa, he got the African Churches.

He went to Germany, the German Lutheran said, “There is no reason why we shouldn’t be one church and we recognize you the Pope as the head of the church.”

So they come to the English Church and the English Church says, “There is no reason why we shouldn’t recognize you.”

So the only basic agreement that was left was the agreement between the World Council of Churches and the Catholic Church. But was it God’s time? Can you tell me? No. So the Pope got shot and the meeting was postponed. Amen.

I want you to see that God is in the midst of her, she shall not be moved. Why do you think God postponed the meeting? Because we are not ready. If you and I were in our place and ready to bear the pressures that would take us after this joining comes together God would let the beast loose. But it was not time, God’s holding them back. This next meeting that is coming up, if it is not God’s time something is going to happen again to put off the meeting again or they will quarrel and not be able to come together. Watch out – when they do come together RUN INTO THE MOUNTAINS! Glory to God.

When they DO come together it is time for you to move up because the women calling themselves by the name of Jesus are going to call you by the name of cult. Oh yes. When they fully come together and they have their business ready there are things that you don’t know brothers and sisters that right now in Washington on the books of the law are enough wordings and laws passed that they could come in here and take us over by force. Those who wouldn’t want to go with them would have to go underground. Right in this country, this beautiful country that there are laws passed and some of the Senators and men who we put up there and they sign those, they didn’t even see them. They didn’t even see those laws that they voted for because they were voting for something else and they tack on that little bill onto the bottom of it. This is why the churches have lobbies, paid lawyers in Washington lobbying, lobbying, lobbying. When

they get all the laws they want on the books then they are going to move, but they are doing it quietly so that they don't stir you up and every man that jumps up and stirs up – he gets hit.

Do you remember the man who used to expose their business? He got a lot of trouble. He got hits, the media got him, they did all kinds of things. They said he was this and that. Beware of what you hear about Christians. You hear me! Beware of what you hear about Christians because it is the weapon of the devil to lie on Christians to turn you off from the truth.

Let's go back to the main theme. We are back in Isaiah and we are discussing the adultery and the mixture of the church. God said when this mixture gets bad these seven women holding on to this one man, He said something is going to happen to you.

Is 4:2 *"In that day shall the branch of the LORD be beautiful..."*

I see this beauty. I see the people of God as beautiful as I have never seen them before. You don't feel beautiful for sure, you feel ugly, but ugliness or beauty is not a feeling. Praise God. If it were a feeling we would be in bad shape. He said:

Is 4:2 *"...and the fruit of the earth shall be excellent and comely for them that are escaped of Israel."*

Not for those who are still there, but for those who have escaped.

Is 4:3 *"And it shall come to pass, that he that is left in Zion..."*

In other words there has been a shaking going on in our midst for years and years. A shaking and only the die hards that are left. Amen. Bless God.

Is 4:3 *"...(for those) that is left in Zion, and he that remaineth in Jerusalem, shall be called holy..."*

Do you remember what holy means? Holy comes from the word whole, yes, whole. Holy means only God is whole and we are part so when I say holy I mean godly like your Father. Amen.

So then it went on and He said:

Is 4:4 *"...the Lord shall have washed away the filth of the daughters of Zion..."*

God is giving us a promise here. You don't need to worry. You are going to be clean. All your problems, all your sins that you have struggled and fight with and can't get away from, all the things that seem to zero in on us and make our lives miserable – God says He is washing, He is purging them away and we don't have to worry about them, we just have to believe, just thank God that He is purging Zion and that He is making us clean. **YOU SEE THE PURGING PROCESS IS NOT YOURS TO DO. THE PURGING PROCESS IS NOT THE MINISTERS TO DO. EACH ONE OF US DO WHAT WE CAN DO, DO WHAT THE LORD TELL US TO DO AND HE WILL DO THE REST.** Amen. When God finish purging your group sometimes you have nothing left and that is clean. Amen.

He says He will thoroughly cleanse His floor – suppose it was all dross? Then when you look around nothing would be left.

It is like somebody says that the devil is going to be burnt until the devil is burnt out of him. Have you ever heard that doctrine? That is the doctrine a lot of the brothers are preaching now – you are getting some papers in your mail that is what they are saying. They say that God is going to purge the devil and that sinners that go to hell they will burn for a time. Well let me tell you brethren it is news I've got for them. Anytime you purge the devil of the devil nothing is left. Amen. Nothing is left. There is nothing left because the devil is all devil, he doesn't have anything in him of God. Like how you have a conscience, even Hitler had a conscience, even Hitler he loved Eva Braun. Stalin had a weakness, he loved his little girl, she is now living in the United States. He loved her so much that he sent her away to the United States while he was fighting against the United States. Amen. He didn't want them to hurt her in Russia so he sent her here because he knows we will take care of her.

Even those men they had...but the devil doesn't have anything like that. He can't love, he is total hate. Amen.

So when we talk about purging Zion we are talking about God sending a spirit of judgment and a spirit of burning. I know some of us feel the burning, haven't we? Do we not? Amen. Well that is the spirit of judgement, it is burning out something but it is burning IN something you see. It is burning in something and we need not fear. The Lord said:

*Is 4:5 "And the LORD will create upon every dwelling place of mount Zion, and upon her assemblies, a cloud and smoke by day, and the shining of a flaming fire by night..."*

That sounds familiar doesn't it? When the children of Israel came out of Egypt they were in the wilderness little children, animals and everything and they would have died, at least start dying from the first hour they were out. Well no, they came out after midnight so by the time morning, by ten o'clock with the sun up they would be in trouble and by evening a lot of them would be dead. But the Bible said that God put a pillar of cloud over them like an umbrella, big umbrella. That umbrella remained over them for forty years. The day they crossed Jordan it departed. The day they crossed Jordan the manna left. It is amazing but some churches today have a doctrine not to cross Jordan.

They say, "Don't you cross Jordan, you will lose the manna."

If you cross Jordan you will lose the manna. You will have to go fight for yourself and you will have to find your own food. You will have to go hunting and fishing and everything else. But God said that He again will come as a pillar of cloud. Now if we are carnal, I know some brethren who believe that there is going to be a big cloud over the head of every brother and sister walking along the street and he would concede that sometimes the cloud would be invisible, but that we will all have a cloud over our heads. The scriptures speak of a cloud but it is speaking of the same kind of spiritual presence of God that was over the tabernacle that this is now over the children of God.

THE ADULTERY OF THE CHURCH

Jesus said you know, “Lo, I am with you always even unto the end of the age.” In my Christian experience as a young Christian one thing I just couldn’t understand was “how is Jesus with us and yet He is coming again? If He is with us always how come He is coming again?”

So once God asked me, “You talked with Jesus, didn’t you?”

I said, “Yes.”

He said, “You sit down and talked with Him.”

I said, “Yes.”

God said, “Do you think He was physical?”

I said, “Well, I don’t know. He just looked like any man to me.”

He didn’t look like He was a spirit. He didn’t look shady or anything else. He looked like if I would have stretched out my hand I would have felt Him.

He said, “Then that couldn’t be right because He said He is coming again. That means that He has come already.”

I’m putting questions in your mind. But what God is saying is the way in which Jesus is coming He has not yet come.

You see because it took the priest one year to go into the holiest of all in the tabernacle and it is taking Jesus Christ two thousand years to come right through the tabernacle and to come in His fulness in us. So at Pentecost He began His coming.

Anybody who wants scriptures for that just ask me as soon as we are through with this word. You take a note of it and you ask me the questions and I will find the scriptures for you.

Jesus Christ began to come at Pentecost. This is why we are talking about the **coming** of the Lord. There is a sudden coming. Turn your Bibles around to Malachi Chapter 3:

Mal 3:1 *“Behold, I will send my messenger, and he shall prepare the way before me...”*

I do believe that this scripture is being fulfilled on a different level. The first messenger was John and Jesus said, “If you will receive it he is Elijah that should come.” Amen. So you see Elijah came as Elijah and the same spirit came as John. Today the same spirit is coming as the fifth angel, or ministry rising up in the earth warning the people that the time is at hand. So before every coming there is a warning and a messenger. Are you there? Hallelujah.

Mal 3:1 *“... and the Lord, whom ye seek, shall **suddenly come** to this temple, even the messenger of the covenant, whom ye delight in: behold, he shall come, saith the LORD of hosts.”*

So the coming of Jesus Christ is a coming through your spirit into your soul and then one day He is going to show Himself in the outer court in all His glory. Do you follow me? That right now we are covering up Jesus with a cloud of flesh, but you have Jesus and yet it is not blazing through you, it is not coming through, but little by little He is coming. Hallelujah. And He said the last move will be **sudden**, quick as lightning, “as the lightning flashes in the east and shineth to the west, so shall the coming of the Son of man be.”

So the story is that while men are fooling around with you, you know, “Oh this is only Ruth.” You know what I mean. “Oh that is only Al.” One day all of a sudden they are going to find that it is not Al at all, it is Jesus Christ that come forth in Al overnight and nobody knew. It says, “As a thief in the night.” Glory to God. A thief in the night that you yourself will be surprised because no man knows when he is ready for the coming of the Lord.

He said, “O Zion...O Zion...”

We are talking about the firstfruits company because the glory of God is found His harvest. Then you fertilize it and then you water it some grow bigger than the others. Some are more forward than the others. All of them got the same amount of attention and then all of a sudden you find that there was some that fruit big, beautiful, ripe first and you went around and picked those and got a much better price for them because they are the firstfruits. There is a law in God’s laws in the Bible that the firstfruits belong to God. For every Jew knows that when he picks those firstfruits although he can get a better price for them he knows he must not sell them, they belong to God. He takes them to the temple and gives them to the priest and the priest will offer them to God. Praise be to God.

We are talking about the mysteries of the kingdom here. It will be strange to some people who never heard it before, but God said, “over Zion,” that means to say the Zion of God is the mountain of God, is the people of God, who are in the forefront of God. In your heart, it is not those who go to church more, not those who do anything more than the others, it is just those who are in the forefront of God’s operation. God says that this people will suddenly come forth. “Behold, I come suddenly.” You know the translation says, “Behold, I come quickly.” Some brethren go around preaching that Jesus will soon be here because He said, “Behold, I come quickly.” That is not what He said. He said, “Behold, I come suddenly.” That means that when He moves He is going to “BOOM” be right there and it will be like a thief in the night. Whether it will be this year or next year I don’t know, but it is very soon.

We can see the time of the overshadowing coming upon us. Do you see what I mean? We can see the Spirit of God dealing with us in a different way. Hallelujah. The glory of God coming upon the church in a more profound way. He says a glory will be over us, meaning to say we will be under the shadow of the Almighty. Amen.

Most of us want to know when.

“When will this thing be?”

THE ADULTERY OF THE CHURCH  
CECIL DUCILLE

“It is all well and good to preach in a hundred years time we are going to get under the shadow of the Almighty, but when?”

I gave you some signs a while ago which are the most profound signs in the Bible. As a matter of fact the Bible said that these signs, when you see this sign you (the children of God) shouldn't wait for anything more. Let's make sure that we see what we are talking about. You go over to Matthew 24. It is hard to preach about the end time without touching on Matthew 24, it is very difficult. Although my book is worn out in this place, this page is dropping out. If any of you know anyone who can fix a Bible let me know about it. This page is really dropping out right before me.

Mt 24:15 *“When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)”*

Then you must get up into the mountains. So that is the last sign before you run out of the institutions of man and run into the mountain of God. Now let's look at this here Mark 13 and 14.

Mr 13:14 *“But when ye shall see the abomination of desolation, spoken of by Daniel the prophet, standing where it ought not, (let him that readeth understand,) then let them that be in Judaea flee to the mountains:”*

You see in other words Mark is giving you a little more idea of what it is talking about. It says:

Mr 13:14 *“...when ye shall see the abomination of desolation...standing where it ought not...”*

Where it ought not – it doesn't belong there in the holy place church because Jesus said it is in the holy place. In the holy church place the abomination has no place but that is where he will be aiming to take over. Do you follow what I mean? It is all well and good for him to take over the outer court church, or take over the Anglican Church, or the Methodist Church, or the World Council of Churches. But mixed up in the World Council of Churches are some of the Pentecostal Churches also. The Bible says, “When he takes over, stand up” meaning to say takes authority over... When he stands in the holy place then He said, “RUN!” The holy place is going to be taken. This soul area, do you hear me brethren, the area of the soul, they are making all kinds of machinery now to try to control man's mind. Amen. If you notice all the cults and all the churches, because I see the churches as bigger cults than the Moonies. I don't see any difference between someone brain washing you in the church and someone brainwashing you in the Moonies. It is all the same, for the same purpose – to control you. If I am an elder here and my intention is to control you all – I am also working in the area of cult because the cult intention is that you don't think for yourself. You know you must do this – you do it. You know you must do that – you do that.

One leader said here recently, “You have no right to be trying to hear Jesus Christ for yourselves. We are supposed to hear Jesus for you. You have no right to be trying to hear Jesus for yourselves.”

This is where cults develop in. If anybody ever call you a cult – tell them you are a free thinker. If they don't believe it they can check you out and you can think circles around them too. The point we are driving at here is the abomination that maketh desolate standing in the holy place is upon us and as soon as you see these things you must know for sure, for sure, for sure that one day your mind is going to go *click* and Jesus is going to take over. Amen.

Let's check with Daniel and see what Daniel really said.

Dan 9:27 *“And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abomination he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.”*

Yes. So you see the abomination that we are talking about is the abomination of Sodom and Egypt. Do you know where I am quoting from now? Revelation 11 it says “in the streets of the city which is called Sodom and Egypt and the place where Jesus was crucified.” Meaning to say brethren they are going to want to crucify you just like they crucified Jesus. Meaning to say brethren that the homosexuality and the sexuality of our time is a sign. It is a sign you see that Egypt means worldliness, it is a sign. I am distressed about the amount of worldliness that I see among the brethren who are walking on in Zion. I just look at the brethren and I see the worldliness, you see. If they change a style tomorrow you are in it. If they change a style the next day you are in it. This means that your mind is not in God. Your mind is still being controlled by Hollywood and some of the styles that they give you are not of God because they are sinful styles, they are made for sinners to attract sinners. When you wear them I wonder who you are attracting? Not Christians! Because if any Christian person look upon you and his heart is in the Lord he would be turned off. I know that some of the men cannot control their wives with the styles and some of the wives don't even try to control the men for the men are in it too. But that is only a little part and if you take a person and dress them up into a beautiful gown that looks very godly it doesn't change their insides. So if we want to deceive one another we could just dress up. If you understand what I am saying, I am going this way and coming back this way to show you that is what I am talking about.

I'm talking about the mind in submission to what is going on around us. Everything, some people's minds get involved in food. We are taken away by it as if food is godliness. Some of us get involved in other things, sports, whatnot. We get taken away by it. It means more to us than God and the things of God. This is what we are talking about. The mind is under bombardment by the world around us, the money around us, everything around us. I know some brethren that have been taken by money, completely taken by money. They are involved in nothing but looking about the things of this life – lost out with God. Hallelujah.

Of course the adultery of the seven women, the adultery of the seven churches that are having one man's name, Jesus' name. So we find that the last sign therefore as to when is a deadline for us to get out before our minds get completely taken is the sign of the World Council of Churches and the Catholic Churches and all of the other churches that are outside coming together. I don't know if you remember that prophesy that came forth in a Presbyterian Conference 1977? It

THE ADULTERY OF THE CHURCH  
CECIL DUCILLE

---

pinpointed the day, the prophesy pinpointed the day when the Pope would be shot. Yes. I have the prophecy from 1977 in my Bible. It pinpointed the day and this brother was a poor Presbyterian brother who doesn't know anything about prophesying and all of a sudden God zapped him and he just got up and he didn't know what he was saying. He said within 400 and so many weeks – that got to be dead on. I mean if a man in four years can say within so many weeks so and so is going to happen in Rome. He give the place it was going to happen. He said that will be a sign of the antichrist in the city of seven hills. I have the prophecy here, anybody that wants a copy of it can get it. I think brother Jim has some too. If I didn't have this prophecy in my Bible from 1977 – I decided I'm not going to preach it until it happens. Do you see what I mean? I wouldn't have been shocked by it because prophecies come and prophecies go but this is just like Matthew Chapter 24 and verse 15:

Mt 24:15 *“When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)”*

I wonder if words to us don't mean what they should mean? Do you know what desolation means? There is a sin, an abomination that is destroying the world. That is what God said. God said the abomination, this great sin against God, this thing that God hates rebellion is abomination that is destroying the world. Hallelujah. When you can see this abomination that is destroying the world come into the holy place. Hallelujah. Glory to God. He said, “Get out!” and when you get out there is going to be a shadow over you, there is going to be a protection over you. He said, “This shall be a defense.” (Is 4:5b) Do you remember we just read it in Isaiah? It said, “For the cloud shall be a defense over Zion.” We are not looking for a natural cloud but we are feeling the cloud right now, we are feeling the anointing of God upon us these days we are under the shadow of the Almighty and we will be more under the more the danger increases the more we will be under the shadow.

You know I saw the headline a couple days ago: *THE PERIL, THE PERIL GROWS GREATER*, something like that. The Peril and they were talking about the South American situation. The enemy is putting a circle around us. Amen. The enemy is trying to surround us and when the attack comes it will come from all sides.

A brother had a vision, he saw the Statue of Liberty staggering through New York City tearing down the cities right down the coast coming down to Florida staggering and destroying all the cities and falling on its face in the Gulf of Mexico. Amen. Hallelujah.

Are you frightened? Hallelujah. “For the clouds shall be for a defense...” Let's read it again. Let's go back to Isaiah and let's read it again.

Is 4:5 *“And the LORD will create upon every dwelling place of mount Zion, and upon her assemblies, a cloud and smoke by day, and the shining of a flaming fire by night: for upon all the glory shall be a defence.”*

Yes. You know Pharaoh let the children of Israel go out of Egypt. He was beaten. His firstborn in his house was killed. Everything in Egypt was under weeping and mourning and therefore he let them go. When they had gone his heart got hardened. Remember they were with him all these

---

years he couldn't kill them. He couldn't touch Moses yet his mind tell him that he could kill them out in the wilderness. Do you know what happened?

Some god of his, some demon god came to him and said, "You see they are the god of the cities, but we are the god of the desert." He said, "We will kill them out in the desert. Let them go out there and get weak and when the sun in upon them and they get weak and stagger in thirst we will get them."

So when he started out with his army and all his enchantments he was sure that he had them all as much as dead because he thought it was flesh against flesh and he thought it was his demons against the God of Moses. You see one of the reasons why Pharaoh went against Moses is because Moses was taught all the arts of sorcery by Jannes and Jambres and when Jannes and Jambres saw Moses in action they knew it wasn't sorcery. At first they thought it was because when he threw down his serpent and his serpent went around they threw down theirs.

"We know that old trick." (you know.)

But when his serpent ate theirs they said, "Ah ha." Can you imagine them stroking their beard. It is big fun. It is like going to the theatre for some great fun there. "Hey, the man has one over us." They learned that one.

They go back... He made flies in the land, they made flies. He made frogs, they made frogs. He made lice, they couldn't do it. Little by little they begin to realize that Moses was not working by their methods. Do you know who realized it first? The sorcerers noticed it first, so they went to Pharaoh in a dissertation.

They said to Pharaoh: "Pharaoh, you see that man Moses, he is going to destroy the whole of Egypt. Let him loose."

The sorcerers of Egypt told him to let them go before Moses brought fire from heaven.

Pharaoh said, "I'll think about it." But somebody was there egging him on, pushing him a little further, "You are going to win. He will soon run out of tricks."

So when they went out into the wilderness and Pharaoh went after them Pharaoh had it well told to him that he was going to win. So when he looked over there and saw them in a *cul de sac* he said, "Ah ha! My god has given me the victory because there is no way for them to run out now." He blocked the entrance off with the sea behind them piled here up on one side and the other mountain on the other side and there was no way out. "There is no way out. They are going to die like flies." Pharaoh looked and the Bible said, "God Who was over their heads like a cloud, a pillar moved and came and stood up before Pharaoh, between Pharaoh and the Israelites."

Now if I were Pharaoh I would run. I would turn my horses and say, "Home, back home." But Pharaoh wasn't that smart. He wasn't that smart, he was so taken by his gods and the lies that they tell him that he think he could fight them that he gave the order to attack. When he gave the order to attack thick darkness came down on him and he couldn't see through the clouds because

---

THE ADULTERY OF THE CHURCH  
CECIL DUCILLE

---

they turned into darkness on them. God was dark on Pharaoh's side and the Israelite's side was bright. All night the cloud, the wind was preparing the highway in the sea, they couldn't see it because there was a big thick darkness on his side. I want you to understand brethren what God is doing. He is doing it again. He is doing it again and it is good for you to see it and to understand it. When God lifted the cloud and Pharaoh saw what was happening they were going across the sea. Why didn't he turn back at that time?

"Oh no," his god told him, "if you get in among them, if you get in among them your strategy will be perfect. Their God cannot bring in the sea. Run as hard as you can and get in among them. Moses won't be able to bring back the sea on you."

That is what his god told him. The enemy, the deception was perfect. He was deceived, deceived, deceived down to the last moment. He came down and tried to get in among them. He could see the last little struggling old man at the back. Hallelujah. He couldn't catch up with him. The sea took him and drowned them all and **THIS IS THE STORY OF HISTORY REPEATING ITSELF.**

This is the story that we need to remember. History repeats itself because spirits continue to do the same things they did last year. They want to perfect themselves and they continue to do it and history repeats itself. Do you understand? It is not a fallacy if it does repeat itself. Right? Over and over it repeats itself. This is why history repeats itself because spirits continue to maximize to try to do the best, the greatest. If they didn't succeed this time then they take another generation and they try again. Okay now. Praise be to God. You watch the circumstances of the world. You watch the Russians riding high. **YOU WATCH ALL THAT IS BEING DONE AND IT IS THE SAME STORY OF PHARAOH IN EGYPT AND THE CHILDREN OF ISRAEL.**

Except that the Bible said that the deadly wound (of the Devil) was healed. The church turned around and healed the Devil. Hallelujah. Thank You Jesus.

I want you to let us have an open discussion on the things that we have talked about this morning. Hallelujah.

Question: In Ezekiel 32:7 where it says:

*Ez 32:7 "...I shall put thee out, I will cover the heaven, and make the stars thereof dark; I will cover the sun with a cloud, and the moon shall not give her light."*

Is that the cloud, the cover that you are talking about?

Brother Cecil: The church will be underground is an easier way of putting it. The church is going to have to be for a while underground, hiding.

Question: So in Matthew when it says the "sun will be darkened"?

Brother Cecil: The sun will be darkened, some of those, it is about ten or fifteen times in the Bible you know about the sun dark. It is divided into two sections: one is fulfilled in Jesus Christ when the sun was darkened, the natural sun was darkened because the Spiritual Son was

---

darkened; then in our time there is going to be another darkness and the darkness will come down on the church and the sons of God will be slain in order to bring forth/overcome death. The last enemy to be overcome is death. In the sudden change in the world over will only come by the death and resurrection of the sons of God in front of everybody and they will walk around and talk with people and bring down the kingdoms of the world. So this is the time, the three and a half days when the sun was darkened. Amen.

Yes.

Question: When you began in Chapter 4 of Isaiah 4 you mentioned spiritual adultery. Would you explain that more please? Did I understand you to say it is a mixture...?

Brother Cecil: All kinds of mixture, it is every form of mixture that you can think of. Let's get back to the pure church. The pure church came out as with Jesus as Lord. Now today the church has many, many, many lords. Many, many, many leaders who claim and who are feeding their own soulish natures into those of the church. They feed false doctrine, it mixes satanic doctrine, it mixes man's doctrine. It is so horrible, you know, it is mixed with the scientists. Some of our doctrines are mixed with Psychology. Some are mixed with all kinds of doctrines: false teachings about God; teachings about the devil; satanic doctrines; doctrines; doctrines of men. So that is the adultery. It is a terrible mixture that defies even description.

Does that give a good answer or do you need some more.

Question: I believe I understood then what you were saying, but the religious spirits, trying to relate it to the temple of God.

Brother Cecil: Not just religious spirits, but we have familiar spirits, our families. Things coming from our families, we are mixed.

“Way down yonder I am an Irish man so I am supposed to be irritable.”

All over the world, every nation has pride in the fact that they are so and so and so and so. I remember some of the pride that we used to have was not good at all.

We felt just like the Irish man that “You are a Frenchman you are supposed to fight and nobody must beat you and you come from Africa and you are supposed to overcome everything in the world.”

So these things were bred into us and it is a mixture. When you come to Jesus Christ Jesus has to deal with all of the mixture. Most of us don't allow it, although we are good Christians we still remain Irishman and **that** pride still remains there. As I was talking about people are nowadays sending away and getting their crest, the crest of your family. That crest represents all of the demon powers, all that the devil did to your generation of people from way back down there. Praise be to God.

Question: I thought we could liken spiritual adultery to natural adultery, if a man and wife are one. If one mixes with somebody else it is called adultery. If we are one with God/Jesus and we try to go and mix with some other doctrine that is away from God we commit spiritual adultery.

Brother Cecil: Well for instance, to strengthen what you are saying, you have Catholic Charismatics. It is impossible! You have Lutheran Charismatics. It is impossible! You have...you know it is mixing two things that can't be mixed. You can't mix denominationalism with the body of Christ. You cannot be the body of Christ and be a denomination at the same time. A denomination is under human headship and human laws and it is humanism. The body of Christ means that Christ is my Head. So Christ can't be your head and another person be your head. Like what the Anglicans said when they were joining with the Catholics is that "We accept the Pope as **the** head of the church in the world." Praise God. Amen.

Yes.

Question: What are the lying wonders right now that are the false church systems? Moses was doing the wonders and the magicians were doing the same...how does the church do that?

Brother Cecil: Well you see a little spattering of it in the past ages, in the past times the Catholic Church used to have a lot of what we call *real lying wonders* like the Fatima situation and they had a statue there that just started bleeding. A man confessed that it was he who planted the chemical in the stone behind the statue and it came out through the face of the statue like blood. That is what you call a trick, but there are some that are no tricks like the Fatima business, the shroud (of Turin) and that sort of thing. These are no tricks, they are really satanic. That is what they are. They are going more and more into the satanic powers because you have a priest around that will just touch people and they will fall to the ground. He is doing everything.

I have a friend who was a priest, he was not just an ordinary priest but he had gone up to be even appointed as a Cardinal at one time and he immediately he was struck with blindness and God began to deal with him. So eventually he was turned out. They tried to kill him and he had to flee for his life. God transported him, translated him out of the prison and he found himself in a different place. Even now he doesn't even want you to even mention his name or to tell where he is because they are still after him. For a number of years now they are after him and he has to keep **in Christ** because Christ will just tell him "that man over there is after you" and he will be able to get away from him. So they have a man following him at all times.

Okay, I am saying that to say that he said that they learned that one of the subjects that you learn when you are going into the high orders in the Catholic Church which an ordinary Catholic knows nothing about is necromancy. It is a subject just like you go to school and you learn Psychology. He said he learned necromancy and there were times when they couldn't get certain things done. You wanted something done and they couldn't get it done, they prayed and they used all the things they know to do and it couldn't be done. He said they would get themselves into a little place and there were certain oils there and they would anoint themselves with these oils and they would make incantation and he said the devil himself would come and stand before you and they would order him to go and do so and so. He said it was just done just like that,

immediately. They have all kinds of doctrines for that from the Bible too because the Bible said that God sent an evil spirit down to deceive Ahab and scripture said that an evil spirit from God went and made Saul mad. So they feel that they have all this power, you see what I am talking about? So it is going to that. There are many priests around us now that are doing wonders and miracles that are still in the Catholic system.

Yes.

Question: When you came from Rockford you said about all the big ministries have fallen.

You said, "God, Why did You send them if You know they were going to fall." You said, "Am I going to fall too?"

God said, "You can make it."

I thought about that so much how what you and I can do depends on our obedience. I just wondered if we are making it.....? Did...vision seeing that? Do we know when we are making it?.....

Brother Cecil: You don't know. You don't know. It is just that keeps you on your toes. If you knew you were making it you would get relaxed. You are making it. You are making it, doing pretty well too I think.

Question: In Proverbs when it talks about...that is not talking about what you see with your eyes....Isn't that ....what you see of God?

Brother Cecil: Yes. Definitely. You have a vision of where you are going.

Question: In my notes you said that Jesus was coming to His temple and it takes two thousand years to do it. You said before that it took the priest one year to enter the holy of holies. I didn't quite get the connection?

Brother Cecil: Yes, well it took the priest one year: he kept going back and forth, back and forth for a year before he could go in one time a year. Entering in is Jesus Christ coming in His fullness within us.

Question: How does the one year and the two thousand years connect?

Brother Cecil: Okay, the one year is a time. The two thousand years is a time period of God. God divided the time into three two thousand years to bring us to perfection and then perfection will be the seventh thousand years. Three two thousand: two, two, two, then one to bring us to perfection.

Yes.

Question: Is it two thousand years from Adam to Noah? Then from Noah to Christ?

Brother Cecil: Then from Christ to us?

Question: What it seems is that people get their eyes on the natural Israel. Some of the brethren seem to think that they have an inside corner, kind of like Peter and Paul, like they had with the Jews...then you go back to Romans where Paul says He cut them off and grafted you in.... I don't really believe that they have an inside corner. Aren't we all if we are of Christ we are of the seed of Abraham? .... Israel has now become spiritual Israel....

Brother Cecil: By faith. Let's explain it here. The whole Israel business now is on a spiritual basis, but you have some spiritual natural Jews, that is the Jews who are calling themselves Zionist Jews who believe that their Messiah will come. Now Jesus said, "He that believeth in God, believe also in Me, for in my Father's house there are many mansions." So there are some Jews there. You are talking about Jews now, not only those that are born Jews, but those that are born Jews and that believe in their Messiah, that God gave their Messiah to their nation and are waiting for their Messiah. **GOD CANNOT LET THEM DOWN.** So some of the Gentiles are going to come in under that, some of us who don't believe too much what we are doing they might well come in under that Jewish thing because God has a provision and a preparation for them that when the Israel of God comes forth in her power they will see their Messiah.

I saw that brother and that pride, that high pride in these Jews who call themselves "completed Jews" who will feel over you (the Christians) that you are a Gentile and they are a Jew and they have Christ now so they have something over you. It is a false pride. It is a stupid pride that will prevent them being in the real Zion of God, the firstfruits company.

There is a gathering that will come in great tribulation and adversity and the Jews must recognize Jesus Christ as Lord. During the 1973 war the Jews made an order that it should not be published: Jesus Christ appeared to a Jewish Army and saved the whole army. The Jews said they could not publish it and they squashed the whole thing.

Question: ....scripture of Jews reconciling and the Gentiles in God....?

Brother Cecil: In Isaiah 49 it speaks of the Gentiles carrying them on their shoulders and so on. You see the Bible says that out of twain He made one new man, out of both Jew and Gentile He made one new man. So this is what we are looking forward to.

Question: How does God gather together the people when there is so much division going on?...How is God going to work around all this miscommunication...?

Brother Cecil: It is a marvelous question. Fire brother. Fire. Fire is the one answer. Fire is going to make men stop thinking all the foolishness that they are thinking.

You know I saw a publication a couple of days ago which said that "if you don't believe that God made Satan you are one of the deceived ones." "If you don't believe in that Satan doctrine that is going around you are a deceiver." It would seem that the attack against us who don't believe that is to drive us away more from them, although we were feeling that we should go and fellowship with them and try to get them to see the truth. As you say it seems that the thing is

slipping off more and I think that is very good because if we came together it is possible that we would get some of the counterfeit thing that is out there. The point what Jesus is doing, He is allowing all these little different things to continue and when He pours out the fire it is going to melt everybody into one. Amen.

Question: Cecil I asked the Lord that same question. I asked, "With all that is in the world how are You going to get Your people to be one?" He showed me a vision of about seven candles burning and all of a sudden the fire got so hot that all of the wax melted on those candles and they just became one.

Brother Cecil: They couldn't find which one was which one. Oh yes.

Question: I was in a meeting and there was a lot of emotionalism and just a lot of prophesy. People were prophesying just to be prophesying and it was just a lot of emotionalism is all I can say and there was a spirit going through. The Holy Spirit said to me, "Don't take this oil." It was just as clear as could be because the Devil is going in the midst of even our gatherings. He is trying to get into our gatherings to try to distribute that counterfeit oil. We need to hide in God and to hear God.

Question: ...peace...joy...reconciliation...things that seem to be Christ. Is that a simplified way to discern and judge what is God's and what is not?

Brother Cecil: Yes it is a simplified way but it is not always right. I have seen God dealing with certain conditions in the church and it looks like confusion because everybody was screaming and it wasn't emotionalism you see, He was really touching people. Do you see what I mean? But anytime the people have this other form and every time they get together they carry on like this. Or if I preach you to that whenever I say the word everybody that has demons must vomit and some must scream and so on, then that is I am teaching a wrong spirit here.

I remember the first day that I ever went into a church and I just gave off from down here, I couldn't stop it. The people fell on the ground. The whole church fell down, some were bawling and some were screaming and I began to think to myself, "Probably this is the way they usually behave," because I had never seen anything like that before and I didn't know what it was and I had no idea that I was creating it so I sat down quietly. The thing went on and on and on and on for two hours. When I finally saw people start getting up groggy and this old man got up and I said, "Let me talk to him and see if I can find out what it is."

So I asked him, "Brother, praise the Lord. What happened to you?"

He said, "I've been in this church for thirty years and I've never seen anything like this."

Then I found out it was a Holy Quietness Church, that their order was quietness. Now if your order is quietness that is disorder. If your order is noise that is disorder. You must have no order that either is disorder. You know some churches you go in the order is quietness and you go in and they are all speak softly and look like this and walk like this – all that is mockery of God. So that was what I didn't know, this was the first church I went into.

THE ADULTERY OF THE CHURCH  
CECIL DUCILLE

---

The man said he had been there thirty years as a Deacon. He said this had never happened before. He said he sat in his seat and he felt like a weight was resting on the back of his neck and he touched it and he knew nothing was there but he couldn't understand it, he was being pushed forward. Then he said he started resisting and he resisted until he could resist no more and I saw him hit the floor on his face. He said when he hit the floor it was like his heart just burst and he started to weep uncontrollably convulsive weeping. I saw all of this and wondered what was going on.

He said when that happened all his sins became right before him, the things that he did wrong and he just started to repent of it and to be sorry for it and it was two hours down there before he could get up, before the power that was holding him down released him so that he could get up and he was like a drunken man. While I held his hand he was just... and the whole congregation was like that.

The sinners who were in the congregation got up, "Praise God. I'm saved."

Nobody told them to give any testimony. That is how the Spirit dealt that day. So I knew then that what would have seemed to be disorder if somebody had come through that door and looked in there, because the minister was upset when he came, he wasn't there. When he heard what happened he was upset. Do you see what I mean?

So your question then is answered thus. You cannot use...the answer is you can use the Spirit. If you walked in there the Spirit of God would tell you "this is God." But I have been in many meeting that that is the order of the meeting and it is total disorder. So Pentecostalism is disorder. Pentecostalism is disorder and ungodliness because if a Pentecostal were to come in here and just start to stomp and get everybody going, "Come on everybody, let's go!" That is man. That is the same kind of humanism that we have been trying to escape. If you have a law against that you are wrong again. The happy medium is just to leave the Spirit to do what He wants to do. If you come in here and feel to jump everybody just praise the Lord with you because that is what the Spirit is doing to you and it is going to bless.

Question: What if you feel to praise the Lord or to jump and the other people judge?

Brother Cecil: That is all right because the other people are going to feel the same spirit that you feel and they are going to judge. But if they feel nothing and nothing happens then something is wrong and all of a sudden you are going to realize it is not the Lord.

All of -ism's are against God.

Question: ....growing together and moving on...?

Brother Cecil: Okay, this is where I am. I am hoping we will move before it comes to that and God is also hoping it too. Those of us who move in God will be at peace and love with the brethren and move with the people of God before the destruction drives us into that sort of situation, then we will get the fruits of it. We won't have the tribulation that the other are having when they are running like a fool with his head cut off. People in the congregation have that

same problem that that man can have. So it may bless you and you feel very good about it but you must listen to the others because somebody else has another gift of discernment that is not working through emotions or through that particular spirit. You see. When you hear that you will pray and if you are open you will be delivered and God will show you also.

So it is not everything that everybody is going to see. When I travel around a lot of things I don't see because God couldn't have you be (we used to say) Buck and Brian at the same time. No, two persons. You are a particular person and therefore when God begin to pull out His gift in you some of the gifts you will get a certain way. The peculiar thing is that you might have the gift of discernment but this sister over here has a gift of discernment, she has a different type. There are five discernment gifts: seeing; smelling; tasting; feeling; hearing. You can't hear a smell.

So if a spirit coming in here in a smell...a smell is in a different dimension, I'm just giving you that because a smell is in a different realm than a sound. The sound waves are different from the smell waves. So your particular discernment gift might be on smelling spiritually speaking on that frequency. Her discernment gift is on hearing. So before you could smell she would hear a sound coming out there and she will say, "Ah, something is wrong." Do you see what I mean?

I remember one night a sister discerned a man. I wasn't there, I was in Jamaica.

God came to me and said, "There is a false prophet in Illinois."

A sister was in the meeting and she discerned that something was wrong with that man.....
