Many preachers have been saying that they have had a revelation of the beast and they through many methods and calculations have sometimes come up with names of persons and have named world figures as this beast. Very often it turns out into an anticlimax in that the person sometimes dies or fade away from the limelight and it proved to be not that beast that the Bible spoke of. Of course we must realize that there have been many beasts and when we understand the terminology of the Bible then we will really understand why the word beast was used and what it refers to.

Let us first look into the scriptures and see what we see. The first scripture we will take is in Revelation Chapter 13 which gives us a picture here:

Re 13:1 *“And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.”*

2 *“And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.”*

3 *“And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.”*

The picture we see here is of a legendary creature with seven heads and ten horns. I had a revelation of this. I know many artist have tried to draw this beast and sometimes it is rather amusing to see what they come up with, how to draw an animal with seven heads and seven necks and one body. Sometimes they draw it with a top heavy conglomeration of necks and heads. But the vision that I saw showed me a beast trying to simulate the candlestick – a monster or a monstrosity

THE BEAST IDENTIFIED

CECIL DUCILLE

in the spirit that is trying to bring forth a many membered body in the earth even as Christ is bringing forth His seven churches in one church joined unto one candlestick and its branches. So I saw the beast trying to bring forth these seven heads. There was one great exception of course, that like a lizard or like an alligator with one main body this thing had branching out from the sides six bodies, three on either sides and there was the great monster head in the middle which will be the head that manifests the fullness of the satanic power.

Therefore what we are seeing in our midst on the earth is a many membered body in the natural yet motivated by spirits and completely controlled by Satan himself. This body is the manifestation of Satan in the earth. Now this doesn't say that Satan has not been manifested for a long time in the earth, but now he is bargaining for a manifestation such as he never had ever in the earth.

Now we see therefore the question arising in our hearts, "Where is this body?" "Where is it?" "May I see it?" The question comes to you, "Where then is the body of Christ?"

Rise up tomorrow morning and go down and lay your hands on the body of Christ and show me that body of Christ. You see you cannot do that and so it is with the body of Satan, you cannot go down and say, "Well it is here. They meet here, or there" because the thing is a spiritual thing. The whole manifestation is a spiritual devil manifesting through physical people and to be one they do not have to sign a contract or meet under the same roof, they only move in the same spirit. Just as the body moves with the blood passing through it so does the satanic force move in the earth and in the children of disobedience.

I mentioned previously that Satan the adversary imitates God. I want to show you here that he is even imitating the church to set up his own movement. We see by looking at the church itself and the final fulfillment allotted, the last day fulfillment of what the church is to be in God's plan as laid out in Revelation 1 when John heard a voice speaking behind him and he turned to see who was speaking. The John who knew Jesus quite likely in his mind he expected to see the Lord, but what he heard and saw was different from just Jesus Himself for he heard a voice like the voice of many waters and what he saw – we will read the picture here given in Revelation Chapter 1 from verse 12:

Re 1:12 "And I turned to see the voice that spake with me. And being turned, I saw seven golden candlestick;"

13 *“And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle.”*

14 *“His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire;”*

15 *“And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters.”*

16 *“And he had in his right hand seven stars: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength.”*

17 *“And when I saw him, I fell at his feet as dead. And he laid his right hand upon me, saying unto me, Fear not; I am the first and the last:”*

Praise the Lord. Now the picture you see here is a many membered Christ. This is not just Jesus Himself, but this is a many membered Christ. There is something very striking and wonderful about this picture. It is that the central candlestick which in the Bible is called the candlestick and the other ones are called the branches. The center candlestick had come forth in the image of the matured Christ man. I want you to see this. The center candlestick which is a specific church, an overcomers church, those who have overcome will come to the point of fulfillment and I should say are at this time coming into this point of fullness wherein they will show forth the full nature of God and all the other churches will be a part of them receiving life, or receiving the oil from this involvement of the Christ Spirit within the earth. Now the explanation of this is found down in verse 20:

Re 1:20 *“The mystery of the seven stars which thou sawest in my right hand, and the seven golden candlesticks. The seven stars are the angels of the seven churches: and the seven candlesticks which thou sawest are the seven churches.”*

Now if you notice that in the first phrase here He said, “my right hand,” then afterwards He said, “seven churches.” You can see then that He was standing in the middle of the center church, in the midst of this overcomer church and this is the picture of the church which we are coming to and which I have seen in a great state of advancement.

Now sometimes we preach that we don't see how this thing is going to come about and we get very weary and wary about its circumstances of brother meeting brother

THE BEAST IDENTIFIED

CECIL DUCILLE

and the churches coming together. You see we are looking in the wrong direction. For a long time we have been looking in this wrong direction. The direction which God wants us to turn our attention to is the spiritual direction wherein we can see the church coming forth in the spirit, we can see the function, the beautiful powerful function of a spiritual church: people praying for people they don't know; people receiving blessings they don't deserve; God working on your behalf because of somebody over some other place pray for you and you did not even know. As we come to this spiritual realm we are more and more understanding that the church **is** – the church **not** will be, but the church **is** and that it is functioning under great authority and power by the Holy Ghost.

The verse that we just read said, “In my right hand” and that referred to Jesus Himself. Surely Jesus also said that “anyone who touches you touches Him.”

“If you give one of these my brethren a cup of cold water you do it unto Me.”

We see that when He was commending the brethren for what they did.

He said, “I was an hungered and you fed Me.”

They said, “I have never seen You. We don't remember feeding You when You were an hungered.”

He said, “But you did it to the least of My brethren so you have done it unto Me.”

Therefore we are seeing a little further even into God's manifestation right now today in His body. But if this is so and if then the enemy is emulating the things that God does and doing it in his body and in his way and in his manifestation in the earth, then you can believe me that today the manifestation of the beast is in an advanced state. It is no longer a matter that “we are looking for the beast” but that “the beast is now being manifested” and is coming towards the highest point of his manifestation in the earth when he will show forth his hand against the saints openly.

Now we turn back to Revelation 13 and here we see an astounding thing in verse 2:

Re 13:2 *“And the beast which I saw was like unto a leopard...and the dragon gave him his power, and his seat, and great authority.”*

Now I want you to notice that. Now who is the dragon? Well we can look back on Chapter 9 and in verse 11 we will see who the dragon is.

Re 9:11 *“And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.”*

We can see there clearly that he is talking about the devil. So the devil is that dragon, but we can see it again in Chapter 12 and in verse 9:

Re 12:9 *“And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.”*

So we see here as clear as day that it is the devil that gives this beast his power. You want to find out then what the beast is? The beast therefore came out of the sea and the sea refers to the nations and tongues and languages. So it is one of the nations that is rising up with this beast power having the other nations pulling them a certain way. Now I tell you that previous to my going to the scripture in Daniel to show you that this beast rising up out of the sea is the nation. In Daniel Chapter 2 when Daniel saw the great image and Nebuchadnezzar’s dream and he was explaining Nebuchadnezzar’s dream in verse 40 he said:

Dan 2:40 *“And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdueth all things: and as iron that breaketh all these, shall it break in pieces and bruise.”*

41 *“And whereas thou sawest the feet and toes, part of potter’s clay, and part of iron, the kingdom shall be divided; but there shall be in it the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay.”*

42 *“And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken.”*

43 *“And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.”*

THE BEAST IDENTIFIED

CECIL DUCILLE

Now we will have to come back to that to show you some point, but let me show you this point here now – that this kingdom was the fourth kingdom. Turn your Bibles around to Daniel Chapter 7 and in verse 19:

Dan 7:19 *“Then I would know the truth of the fourth beast, which was diverse from all the other, exceeding dreadful, whose teeth were of iron, and his nails of brass; which devoured, brake in pieces, and stamped the residue with his feet;”*

20 *“And of the ten horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows.”*

Praise God. Now we can see here that this fourth kingdom is the fourth beast and the same beast with seven heads and ten horns is the one mentioned here as the fourth beast and the fourth kingdom and that is the fourth kingdom in Daniel Chapter 2. Therefore we see that it is a kingdom and not just a nation but a nation with others joined to it we call it a kingdom. Now a kingdom must have a king and this is the king that we see in Revelation Chapter 9 and verse 11, we have read it before, which says “they have a king over them.” The moment you have a king over you then you become part of a kingdom. This kingdom therefore that we have been looking for in the earth, many of us have been saying or thinking that it was the United Nations, or it was some other world coming together and they are still looking for a world coming together, but they have come together already in the spiritual sense in that the same devil that is motivating Russia is motivating the other countries. The devil therefore is this head of state that has given his power to this beast out of the sea. You see the beast out of the sea now referred to in Revelation 13 is this revolutionary spirit which is rising up in all the nations of the world. If you will notice everywhere that they have had a revolution coming forth and taking over the government that they have gone anti-God. They have turned against the church and they have destroyed the Christians and this is a thing that today we can actually name the countries of the world that have gone this way and some are on the brink of going this way. We who are even now having this freedom of speech that we can speak about it today, it will soon be that we cannot speak about it because of the revolutionary spirit that is rising up in the people and taking over the governments of the world and subverting them unto a specific brand of anti-Christian government. Whatever they call it, by whatever name – I do not want to put the brand although it is well-named. You can see for yourselves. Read your newspapers and realize where we are in God’s time.

Let us therefore go one step further and identify the heads and what the horns are. Now we see that the seven heads must coincide with the seven branches of the candlestick. These seven branches of the candlestick represent the seven areas of the church world which form the full church. That is that when Jesus sent forth His message to the seven churches of Asia you could see that the seven churches of Asia had seven different natures within them but they were all working towards the same thing: Repent and be zealous and I will do so for you and so will be your destiny. So we can see if we compare them with the seven churches of Asia we can see that the seven churches of Asia were all different though the same. Now we can see in the world understanding of what is going on here coming up out of the sea that all these revolutionary groups they are in some way different. We have Socialism. We have National Socialism. Some call themselves that, some call themselves Democracy, some call themselves... Whatever they do call themselves by they want the one basic point – that they are anti-God and that they have one spirit ruling over them which is the satanic spirit, the spirit of an adversary of God.

Now I want you to see this carefully now that these seven heads that God speak about in the end time here they are going to have ten horns. Before we go into the horns which is a very interesting subject let us see if we can truly identify the heads and upon these heads the horns will come forth. Now the heads therefore would be coming out of the sea as the first verse said:

Re 13:1 *“And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns...”*

Now the sea in the scripture represents the nations. We will read that also to be sure that we are on the right track. Now the sea represents the nations so therefore the nations are going to be divided into seven different blocks. We said first of all that these blocks were revolutionary blocks and so let us see... We had first the Russian Communist revolution and that brought a one block. Then you have the European Common Market which will in itself become another block. That includes all the nations who are in it and those who ought to be in it. Now from that we have the Chinese Eastern block which also will include all the nations who are in it and those who will be in it. Do you notice that these are spreading towards Viet Nam, Cambodia and all those Middle East Countries? They spread each area, each area is spreading itself to those it can influence and then you have the African Nationalist movements that have come together again into another block, into a Union. So we have the American and its Western Nations and Western Alliances and you can see how these different areas are spreading. Some are under the influence of the

THE BEAST IDENTIFIED

CECIL DUCILLE

Chinese, some are under the influence of the Russians, some are under the influence of the Americans. The South American nations all fall under one or another of these categories. Then we have the aligned third world groups which include all the little nations including some of the South American nations that have not been aligned in any of the blocks but are as it were between. Many of these are revolutionary governments. Then we have the Ecclesiastic kingdom which in itself is exercising a certain amount of authority over quite a number of people within these kingdoms.

We don't have to go into the details of this spirit but you can remember where it began up in Babylon with Nimrod. The kingdom of Babylon began with Nimrod and Nimrod was one who revolted against God and set up a kingdom. If you notice that when God speaks of these things He calls them Babylon, that one name refers to all the revolutionary spirits and the spirit of war that is in humanity.

Now that we have identified the heads let us identify the horns. We said then these heads had ten horns. These heads had ten horns. Now the ten horns we must read another scripture to give us an idea of what these heads and these horns mean. Let's go into the 17th Chapter of Revelation and we begin to read on the 7th verse:

Re 17:7 "And the angel said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns."

Now the idea about the woman we have not yet discussed that idea. But the beast is the thing that we are dealing with now and then we will come back and show you what the meaning of the woman.

Re 17:8 "The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is."

Now you wonder what all this means. Of course the beast that was and is not and yet is is the devil himself that has been trying to mix himself and to incorporate himself with humanity. Now if you look back at Daniel 2 and that phrase somewhere from verse 41 which we read, we said "he would try to mix with the seed of men." Iron cannot be mixed with clay so would this spirit try to bring forth himself with the seed of men and he could not. Now if you look again at your

Bible your Bible tells you that God became man; that God mixed himself with humanity and God became man manifested in a man named Jesus Christ. Now you will find that everything God does the devil tried to do it. So what the devil was trying to do is to bring forth a human being out of his own breeding with the human race. Now if you look therefore at this Chapter 17 we just read here – verse 8:

Re 17:8 *“The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition...”*

In other words we are speaking of a future event when the devil will come out as it were and manifest himself into and in an individual. Some people don't really understand the beast that we are talking about: we are talking about a kingdom; we are talking about a spirit; we are talking about a human manifestation. Therefore he will manifest himself in some men more than in others. Even as we see in the church there is weakness and there is strength and there is one church that will come forth in the glory and power of Jesus Christ manifesting the full glory and the nature of Jesus – so it is that there is an area of the world that is coming up in satanic influence and will manifest itself as the devil incarnate and at the head of this will be a man. We will come right down to the identification of who this man will be, or is I should say. But I do believe that the whole manifestation is here both the spirit, the man and the kingdom. As we go into the kingdom and deal with the kingdom we come into the spirit and then we will see the man.

So we see that Satan therefore – I want to add this one point about verse 8: that Satan manifested himself in a man named Judas and if you look back at the scripture in John Chapter 13, verse 27, you will see wherein Satan entered into the man named Judas. But Judas could not stand the power of Satan and he finally committed suicide. So we see that Satan is seeking for another manifestation of himself in a human form in the earth in our time.

Now we run down the chapter here and we look at verse 12:

Re 17:12 *“And the ten horns which thou sawest are ten kings, which have received no kingdom as yet (when the Bible was being written); but receive power as kings one hour with the beast (that is to come).”*

We are reading the Bible here speaking of the future, but we are in the present when the beast **is**. I want you to understand that. We are looking at a Bible that

THE BEAST IDENTIFIED

CECIL DUCILLE

spoke of something that was to come and we are now living in the time when the beast now **is**. The ten horns which the Bible speaks of would have a crown on them in Chapter 13 and in verse 1:

Re 13:1 *“...having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.”*

So this is the identification of the beast, that this revolutionary thing, this beast system is against God, anti-God. Now we are going to show you where it started from, how it happened that all the nations of the world, all the universities seem to be teaching anti-God-ism and you are looked down upon the moment you profess Jesus Christ as Saviour. Men of knowledge don't count you when you begin to follow Jesus and the worst thing you could ever do in a place of knowledge is to speak in tongues, you would be totally anathema. So we look here where it says the heads have on them the name of blasphemy but the horns have the power.

Re 17:12 *“And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.”*

Re 17:13 *“These have one mind, and shall give their power and strength unto the beast.”*

In other words you see here the kings that will be at the head of these seven nations or the rulers which are at the head of these seven nation, they will give their power to the beast and their strength to the beast. Remember the devil gave his authority to the beast.

Right here let us stop a little and find out where the devil got his authority from that he gave to the beast. We turn back to Luke Chapter 4 and in Luke Chapter 4 we see Satan talking to Jesus and as Satan talked to Jesus he seemed to let out certain secrets there. In verse 5:

Lu 4:5 *“And the devil, taking him up into an high mountain, shewed unto him all the kingdoms of the world in a moment of time.”*

6 *“And the devil said unto him, All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it.”*

In other words he said that the power and the kingdom was delivered unto him and to whosoever he will give it. Amen. So we can see here Satan letting out the source

of his power, telling us where he got it. Now we know God didn't give him any power and any kingdom and we know that he threatened God that he was going to take it. Let me show you that too. If you turn your Bibles with me back into Ezekiel Chapter 28 you see here that God took away the power from the Devil. In verse 16:

Ez 28:16 "By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire."

That is the stones of fire were those bright and glorious ones there in the second heaven who had the power to radiate change upon other creatures. So God took away His power from him. Now let me read it for you in Isaiah Chapter 14 where Satan actually threatened God that he will take Zion. Hallelujah. Amen. He said he would take Zion. Do you hear that?

Is 14:12 "How art thou fallen from heaven, O Lucifer, son of the morning! (That means day star or bright one, son of Jesus Christ.) how art thou cut down to the ground, which didst weaken the nations!"

Listen to this now!

Is 14:13 "For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:"

Where do you think he is talking about? He is talking about Zion. You turn your Bibles to Psalm 48 and there you will see the word of God speaking of Zion.

Ps 48:1 "Great is the LORD, and greatly to be praised in the city of our God, in the mountain of his holiness."

2 "Beautiful for situation, the joy of the whole earth, is mount Zion, on the sides of the north, the city of the great King."

Surely this is the clue that Satan wanted Zion, that he wanted that stronghold of God – you and I, that he wanted us to be his people and this is the very issue upon which he fell as shown us here in Isaiah 14 and verses 12 and 13.

THE BEAST IDENTIFIED

CECIL DUCILLE

Now let us go back to the main thought: that the time has come when Satan realizes that he cannot get Zion. Zion has already proven herself to be above his taking and he is now making war with her. If you notice Chapter 12, verse 17 in Revelation:

Re 12:17 "And the dragon was wrath with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ."

This is speaking about Zion. Now I want you again to observe in Revelation 12 that it is no longer the beast and the dragon as separate entities, but in verse 3 it says:

Re 12:3 "And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads."

You can understand now what has happened. If you notice the transition between the dragon and the beast in Revelation 7 the dragon was different from the beast, now we see them as one. The beast and the dragon become one dragon even as Christ and the church are becoming one and will manifest as Christ in the earth. So Satan and his human agents are merging to manifest as Satan in the earth. I should say have already merged and are manifesting as Satan. He has now seven heads and ten horns and this is the picture of the satanic candlestick. This candlestick as I saw it in vision was elongated in the middle like the head of a lizard with two long front legs standing almost upright, the other six heads protruding out from the sides.

The heads therefore are not national heads but ideological heads as the world seemed to be divided into ideological parts rather than international parts. Each level that rules in the kingdom gives the doctrine or ideologies of the world and not of the kingdom of God but of the kingdoms of this world. All governments are/have so much departed from God, but all governments are not diabolical. Thus we find that the British and the American ideologies are democratic types of government are basically Israelic and in these governments you will find that the Bible plays a large part and there is freedom of worship. We would say there are no pure governments but we would fall in the same ideological category of Israel. You will readily see therefore that the Americans represent the last barrier against the total devil takeover of this world. Remember the word which says there are some of Israel which are not of Israel and so it is with us. We are greatly influenced with

satanic forces and infiltrated by these forces but the elect of God, the holy nation, the royal priesthood will never be taken. Then in the last hour when Satan will be bargaining for a victory Michael shall stand up (Michael means like God). The sons of God will come forth in the likeness of God and defeat the enemy.

These horns we have seen to be the men who are going to be at the head of these governments. These men are going to give their power willingly to this beast revolution thing. Now I again will speak to you by revelation when I say that I believe that the Common Market countries in Europe, I should say France, that they are about to appoint a head – one man to be above the whole European block of nations or what we call the Common Market group. This man then will be **the** personal beast. Remember we wanted to know who the beast is. We have seen the beast as a world power, now we see the beast as a man. The man that heads this thing with his headquarters in Paris or somewhere about there in Europe will be the head and then the next sequence in verse 14:

Re 17:14 *“These shall make war with the Lamb, and the Lamb shall overcome them...”*

This head will begin to make war with the church and it will all begin in Europe. So if you understand what I am saying I am giving you direct understanding now, no longer symbolic talk, but that this is direct from the Lord as He has given it to me – I am giving it to you.

Now you want to know when will this begin to happen? I can probably bring you one step nearer than I have hitherto brought you to the time when this would happen according to a vision I received, this vision is of the Lord. I receive a sign of three days before this event. I had the vision on the 18th day of December 1974 and the voice that talked with me called the day the 18th which was the day of warning to the church of a great explosion or catastrophe that would overtake the church system. I was called a false prophet by these brethren in the vision but the voice said to me, “Come out of her” and so I did.

The next event of the vision was on the 19th when a very prominent and precious saint of God left the church system by death and I saw her dressed in white to be with the Lord. This came to pass early in 1976. The third day was the day called the 20th and this was the day when the great explosion occurred in the church. “He who hath ear to hear let him hear what the Spirit says unto the churches.” I am going to leave it with you.

CECIL DUCILLE

This of course is not the war against the saints which I have been telling you about but it is **this** war in the 16th verse here:

Re 17:16 *“And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.”*

17 *“For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.”*

Verse 18 is a crowning verse well worthy of a concluding one:

Re 17:18 *“And the woman which thou sawest is that great city, which reigneth over the kings of the earth.”*

When this Bible was being written at the time brother John was in the Isle of Patmos the ruling force was Rome and it is that great city which they say, the scripture says *“which reigneth over the kings of the earth”* and it is Rome. So you can see then that this definitely refers to the Roman Church, but then we will have to deal with that thought because whereas many church people look at it as the Roman Church they refuse to see it as the church that has gone a whoring with the world. This does not only include the church of Rome which is the Roman Catholic Church who is the mother of these harlots, but it includes all the other harlots who are playing with the world and the world system.

You ask me the question, “Brother duCille, praise God, my church isn’t harloting.”

Let’s look at that. Let me ask you who is your church following when you keep all the Roman feasts: Christmas, Easter, Halloween, St. John’s Eve, St. Valentine’s Day and the lot? Who are you following? Stop there.

You said, “Okay, my family doesn’t keep that.”

But who then is the church following when you go to worship? Is your worship ordered according to the Holy Ghost? Or is it ordered according to your plan or your desires? Or is it ordered according to your church board? Or according to the plan of Babylon? The whole Babylonish thing is that man makes a plan of worship. No man can plan how to worship God, it is the Holy Ghost that teaches you even as you gather together how to enter into worship. So therefore any kind of plan that you have for worship is a plan contrary to the Holy Ghost. Unless you are being

led of the Holy Spirit then you are being led of Babylon. That is number two which the basic point, the point of worship is a point where we have strayed from God. Another point is that all our church organization, arrangements: we have our church boards; our bishops; our deacons; our discipleship plans; all this is not of God. There is no such thing in the Bible but God put it in the Bible how His people should worship. So therefore if our church program is after Babylon then we are submitting to that same spirit that we are talking about, the spirit of anti-christ. This will soon be revealed. Thank God, it will be revealed in a short days time, one of God's days. I praise God and hope to live to see it.

This Revelation that I am talking about is not to those who are seeing the kingdom who now are actually a part, knowledgeably a part of the kingdom, but to those who are really blind to what God is doing. This is the revelation that will soon come to pass so vivid that even the blind will see it and there will be none in such a position or so blind that they will not be able to discern what is happening.

The Bible contains a much more detailed description of the horns and the things that will happen in the time of these ten horns that it is necessary for us to turn again to Daniel Chapter 7 and to see a little explanation here about these horns. Let us read from the 7th verse:

Dan 7:7 “After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.”

8 “I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of a man, and a mouth speaking great things.”

9 “I beheld till the thrones were cast down, and the Ancient of days did sit, whose garment was white as snow, and the hair of his head like the pure wool: his throne was like the fiery flame, and his wheels as burning fire.”

We notice here that the last verse I read, verse 9, shows the picture that we read previously in Revelation Chapter 1 wherein the matured Son had come forth with white hair and so on. But in Revelation Chapter 1 we have the details of verse 9 describing the throne and describing the Christ man. We have gone through that all

ready but let us continue to look at these horns. In this same Chapter 7 there is the description of the horns because Daniel was not satisfied with this description which we have just read. So we go on to verse 20 because Daniel asked the angel in verse 15:

Dan 7:15 *“I Daniel was grieved in my spirit in the midst of my body, and the visions of my head troubled me.”*

16 *“I came near unto one of them that stood by, and asked him the truth of all this. So he told me, and made me know the interpretation of the things.”*

Verse 20:

Dan 7:20 *“And of the ten horns that were in his head, and of the other which came up, and before whom three fell; even of that horn that had eyes, and a mouth that spake very great things, whose look was more stout than his fellows.”*

21 *“I beheld, and the same horn made war with the saints, and prevailed against them;”*

22 *“Until the Ancient of days came, and judgment was given to the saints of the most High; and the time came that the saints possessed the kingdom.”*

So we see that this horn that is going to make war against the saints, this identifies him as **the** anti-christ. The anti-christ therefore will make war against the saints and you can see it here clearly put out that **this** is the horn and this is **the** group in which the fullness of Satan will come forth and will do a lot of great things. We can read that, we just go back to Revelation Chapter 13 and there we will look at a few more verses which we did not take in the first instance. Here we are Revelation 13, we come right down to verse 4:

Re 13:4 *“And they worshipped the dragon which gave power unto the beast...”*

We have gone through that. You know what the dragon is and what the beast is. The dragon the devil, the beast the world powers.

Re 13:4 *“...and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?”*

5 *“And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.”*

6 *“And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.”*

Of course this here means he blasphemed the saints, those who dwell in heavenly places, he spoke against them.

Re 13:7 *“And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.”*

Of course here in verse 7 it is not told how long he will overcome them, but in Daniel 7 where we read, “he will overcome them until the Ancient of days comes” and this is a very specific meaning, this has a very specific meaning. This means that the saints of the most High God will continue to suffer until the Christ comes forth in them and strength rises up from Zion and in Zion and vindicates the cause of God. This is the Christ rising up in the body as we see it in Revelation Chapter 1, from verse 12 where we read. I am now in Revelation 13, verse 8:

Re 13:8 *“And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.”*

9 *“If any man have an ear, let him hear.”*

10 *“He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.”*

11 *“And I beheld another beast coming up out of the earth...”*

Now the first beast here we mentioned in the 13th Chapter verse 1, came up out of the sea - that means this one came up out of the nations. But this one, this beast comes up out of earth, meaning to say out of the carnal mind.

Re 13:11 *“...and he had two horns like a lamb, and he spake as a dragon.”*

Two horns would definitely refer to a kingdom that had two rulers, that was just one head two horns. This kingdom had two rulers. What is going to happen here is that we read in Daniel Chapter 7 wherein this horn that spake great things against God plucked up three. So it became the eighth. In other words there was ten, we lost three through an in-fighting, then this eighth one was or is the beast. I want you to see what we are talking about here. Let's just read on a little further.

Re 13:12 *“And he exerciseth all the power of the first beast (that is the devil which was) before him, and causeth the earth and them which dwell therein (people who dwell within the earth realm, within carnality) to worship the first beast, whose deadly wound was healed.”*

We find we are dealing with worshippers now. Of course the devil was wounded at Calvary and the church healed his wound by falling and giving him their power.

Re 13:13 *“And he doeth great wonders, (a miracle worker) so that he maketh fire come down from heaven on the earth in the sight of men.”*

14 *“And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.”*

They were going to make an image to the devil.

Re 13:15 *“And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.”*

16 *“And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:”*

17 *“And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.”*

18 *“Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of man; and his number is Six hundred threescore and six.”*

Now these passages are somewhat hackneyed. They have been gone over time and time again. Therefore my only desire here is to give you new revelation on this word. We see here, we are trying to identify the horns. Now in verse 12 we find a situation of a beast with two horns. Now remember the horns represent the men, the rulers themselves and the head represents the government. So we find that the horns had the crowns on them so they took unto themselves authority and they had the power and the authority. So we see it is more like a dictatorship type of business, but this beast with two horns, there are certain characteristics about him

which show him up to be a religious person. From this religious thing we can see first of all it was like a lamb and you know a lamb refers to saints. It is not to say it **was** a lamb but it was **like** a lamb and this gives us a clue as to what it was showing forth itself to be, but it spake like a dragon – so it was a devil inside and a lamb outside.

Now we find that this was: (1) causing people to worship; (2) showing its religious nature it was causing people to worship; (3) is that it was doing miracles, causing fire to come down from heaven and making laws pertaining to worship and doing miracles by the power of the devil. Now this therefore is a church and we see the church organization split into two basic power groups. (1) One is the Catholic Roman, Roman Catholic. (2) The other is the protestant which is just as bad as the Roman Catholic. These two groups that have turned away from God are coming forth to be this beast and from them will come forth **the** anti-christ. This can be proven further by turning your Bibles around to 2nd Thessalonians Chapter 2, we look again. You see no matter how many times you look at a scripture it seemed to me that the more you look at these scriptures the more understanding we get from them and the more revelation that comes forth to our understanding. Without the revelation of God our understanding is unfruitful.

2Thes 2:3 *“Let no man deceive you by any means: for that day shall not come, except there some a falling away first...”*

Now the world isn't going to fall away – it must be the church he is talking about that would fall away.

2Thes 2:3 *“...and that man of sin be revealed, the son of perdition;”*

Meaning to say the church will fall away to a degree, to a point where the son of perdition will come forth in the church. Now he is beginning to describe him.

2 Thes 2:4 *“Who opposeth and exalteth himself above all that is called God, or that is worshipped (as God)...”*

Now when the church comes to a point where in our worship we are worshipping we know not what, like what Jesus told the woman at the well. When the church system comes to a point that we begin to put in Halloween and all the festivals of Rome and the satanic worship; when we begin to use these instead of the worship of God; when we worship idols and statues; when we pray to dead saints and things like that; then it seems we are completely missing God and worshipping

something else. If we don't even pray to dead saints and we mumble a prayer that goes to the roof and falls to the floor we are still not worshipping God – we are worshipping we know not what as Jesus was saying.

2 Thes 2:4 “... so that he as God sitteth in the temple of God, shewing himself that he is God.”

I tell you I definitely have seen many cases where churches are calling something else God than God. In other words I have seen some saying, “Praise God. God gave us so and so and God did so and so for us,” when they had their schemes and their plans and their programs of operation and they draw in so much money they go in and say, “God gave us...” God didn't give them that. They got it by their own efforts and with a little help from the devil sometimes.

2Thes 2:5 “Remember ye not, that, when I was yet with you, I told you these things?”

6 “And now ye know what withholdeth that he might be revealed in his time.”

7 “For the mystery of iniquity doth already work: only he who now letteth will let, (KJV has) until he be taken out of the way.”

At this point I would really like to read for you what the Greek says word for word. You may not understand it but you may have the opportunity of misunderstanding it for yourself rather than for somebody else to misunderstand it for you.

We have here 2nd Thessalonians Chapter 2, verse 7. I am going to read from the Greek text word for word.

GREEK TEXT

2Thes 2:7 “For the mystery already operates (or is generating) of lawlessness. Only there is **the** one restraining just now until out of the midst it comes.”
(GREEK TEXT)

That is what the Greek says and I can tell you how I see it, that the enemy is in our midst. Right now we are casting him out, he is coming out of us and out of our operation and out of our church. Until this work is finished the power of God in us is holding back the full manifestation of the devil in the earth. As soon as we cast him out then he will manifest himself in the system and in the disobedient ones.

2Thes 2:8 *“And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:”*

9 *“Even him, whose coming is after the working of Satan with all power and signs and lying wonders,”*

So we do see that the devil is bringing forth a lying wonders, miracle working body.

2Thes 2:10 *“And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.”*

11 *“And for this cause God shall send them strong delusion, that they should believe a lie:”*

12 *“That they all might be damned who believed not the truth, but had pleasure in unrighteousness.”*

Now that is from verse 3 to verse 12 of 2nd Thessalonians Chapter 2 and if you notice carefully that he said that this one will be in the church putting up himself to be worshipped in the temple (verse 4). Now in conclusion I would like you to get a list of all the nations that are part of the United Nations and look at them to find which nation has not gone over to some revolutionary type of government and which one is going over and which ones are absolutely free. You will find that Israel and the United States and just a few other nations that have not yet got the tentacles of the beast completely formed in their governmental system. We can well see that these are under such pressure that soon and very soon something will have to give. This is what the scripture described as the great consummation at the end of time. Let me read that for you in Daniel.

Dan 9:27 *“And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.”*

We turn again to Daniel 11 and in verse 36:

Dan 11:36 *“And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvelous things against*

the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done.”

So we can see here God has determined a consummation to bring the transgression to an end. Now we look at Isaiah 26 and verses 20 and 21:

Is 26:20 *“Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast.”*

21 *“For, behold, the LORD cometh out of his place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain.”*

The sequence therefore of what is to happen is first of all that as we are seeing now, the beast will be revealed, then the church will enter into travail and suffering, then the manchild will come forth and then the great deliverance comes. This is what we are heading for now, the travail of the church for the beast will have power until the church brings forth for this is the meaning of that scripture in Daniel which says, “Then the saints of the Most High shall be slain by the beast and shall suffer...”

Dan 7:21 *“I beheld, and the same horn made war with the saints, and prevailed against them;”*

22 *“Until the Ancient of days came (comes forth)...”*

So this until we can trace it through the word of God, it shows that there is a time when power will come to the saints of the most High God.

Let me just quickly give a summary of what we have been learning on this tape. First of all that the kingdoms of this world are divided into two distinct groupings: one grouping is political; the other is ecclesiastical, or spiritual I should say. Then that from the political kingdom will arise somewhere in Europe the beast or this man of sin who will be a great leader among the nations. Then from the ecclesiastical side will arise the anti-christ as we see in 2nd Thessalonians Chapter 2. Along with the anti-christ will also come the false prophet. All these things will come to their fullness in the tribulation and at the end a great consummation. The end of the tribulation will be with a great war between the worldly power and the

satanic forces and the Christ rising up in the sons of God and this, all authority and government will be put down and Jesus Christ will reign forever. Hallelujah.

God bless you in Jesus name.
