

THE UNGODLY MIXTURE

Cecil duCille

(Message from the Foundation Studies CD 07, message 133.)

It is a pleasure to be again with you. We just know that God has something special to do in our midst as we come together and we thank God that His presence has been felt here already and we just know it is going to do something else for us, even something greater than we have receive before. Praise God.

The Spirit of the Lord has been speaking to me about THE UNGODLY MIXTURE that is in our midst, in our churches amongst us. The mixture which is destroying the purity of our effort in God. We need to get rid of this mixture before it gets any later for it is very late now and it is difficult for me to explain how late it is.

I remember ten years ago, twelve years ago when I started preaching the message that God wants His people to be prepared because there is a certain destructive force that is to come in this country and in the whole world to destroy. The people looked at me as a *CRAZY*, you know. There were so many people who would not accept the message. Now it is no gratification for me to hear the President of the United States and other men like the Secretary of States and these people saying, "There is a *REAL* danger of this destruction." Now it is worse too for me to hear them say it because I know it is not only danger but it is going to be. Amen. The Bible says, "If then these things are going to be what manner of men ought we to be?"

NOW THE PROBLEM WITH THE CHRISTIANS IS THAT THEY WON'T HEAR YOU WHEN YOU ARE GIVING THEM A SPIRITUAL WORD BUT THE MOMENT A CARNAL WORD COMES THEY RUN.

There is going to be a word to tell you to "RUN! Leave Schuyler! Leave So and So! Run to the mountains! Do this!" and there are a lot of people today who are doing these things. The number of people who are responding to the carnal word are many, many more than those who respond to the spiritual word.

THE UNGODLY MIXTURE
CECIL DUCILLE

I want to show you even as we talk about the mixture that is in our midst. Even as we talk about the mixture in our midst we need to know that mixture prevents any substance from functioning. When you get mixed this is all the devil wants. **HE DOESN'T WANT TO CHANGE YOU FROM BEING A CHRISTIAN, HE JUST WANTS YOU TO BE NOT A GOOD CHRISTIAN.** Amen. He just wants you to be mixed up.

I am going to touch a little bit on the history of the church and what the mixture has done to us and how we have lost the true concept of even coming together. We lost the true concept of even gathering together and we need to assert ourselves. This is the time when people need to pick up themselves and to be resolute in order to even do that which is normal because the Bible says "perilous times would come".

I switched on the television the other night and listened to Billy Graham speaking from Canada and this was all his message. All his message is that the weaponry, the destruction, the trouble that is in the world and the hope that we have and the hope is in Jesus Christ. But most of the Christians don't believe the hope is in Jesus. Do you know what the majority of Christians are doing? They are either storing food or guns. You watch the preaching. There is a little paper that is being sent out to most of us and this paper is coming from a certain place. They started out with saying we must store food. Well, how can you store food without storing guns? How are you going to store food without storing guns?

Now I say to you, sure, don't waste food. Don't waste food. If you have too many tomatoes then can some. You know what I mean. If you have too many or too much of anything can it. I don't believe in waste. Can it even to give it away. When you talk about storing food brethren these people are not talking about storing food to give the hungry people to eat, they are talking about storing food to save their own skins and their own families. How would you like to be fat and overweight and joining the *Weight Watchers* program while your neighbors are dying of hunger? You are going to be eating and the rest of the people around you starving? Isn't that crazy? If you store food you are going to have to store it on a national basis.

Why don't you go to your congressman and tell them to stop throwing away all the wheat and to stop cutting back on the agricultural products and to start putting up the barns and saving it. That is what we should be doing but we are talking about saving food on an individual basis which is nothing but suicide. That is suicide because let me tell you brethren you will see it with your own eyes, but it will be too late of course that if there ever comes a need, a want, a famine that the people are going to run, rush to every place that they know people store food. If it goes around, if the news gets around as it is now that

Christians save food they are coming for you and they are going to kill you to get your food.

Now if you think that you have more guns than the sinners that would be looking for food have then you are making a very sad mistake and that is not the gospel of Jesus Christ. You just walked clean out of your gospel. We are here to save humanity. Our duty on earth is to save lives and to preserve people, not to kill them and to destroy them. So if this is what the church has come down to, then for sure we must have reached the last stage, we must be in the rock bottom, we must be the last stage. Do you see what I am saying? What is all the fighting about?

God tells you how to preserve your life.

He said, "He that loveth his life shall lose it."

He said, "He that loseth his life for My sake shall find it."

He said, "If you fight by the sword you will perish by the sword."

Look back in history. Look at all the mighty warriors and tell me what was the end of them? You just cannot beat the word of God and the things that God has ordained to be – you cannot turn the clock around. What we can do is what God wants us to do and He wants us to preserve life – just like Noah built an ark, God is today building an ark. Amen.

I want to give you this promise before we go any further. Turn to Revelation and take Chapter 12 and verse 14. You can with safety beside the word *woman* put *church*.

Re 12:14 *"And to the woman (church) were given (the) two wings of a (the) great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent."*

Now I have known groups to believe that this says that we must flee into the mountains. It says "she will flee into the wilderness", but if you understand the word of God you will understand that we are in the wilderness now. Amen. We are in the wilderness now. This world is a wilderness waste. This world, God doesn't see it as beautiful, prosperous city. He sees it as desert country. He sees it as jungles. Amen. Where wild animals in the shape of men travel to and fro devouring one another. Amen.

So when you talk about flee to the wilderness, God said He would give you two wings. Now brethren, come on. If the wings are natural then the wilderness is natural, because watch it now, a spiritual thing won't take you to a natural

THE UNGODLY MIXTURE
CECIL DUCILLE

place. It takes a spiritual thing to take you to a spiritual place, a natural thing to take you to a natural place. I want you to be with me!

Consequently we were in a group that accepted the message that there is going to be a destruction but they couldn't accept the message that the wilderness was not the natural wilderness. So come on, tell me what they had to do next then? They had to get wings. Right? They had to get wings so what did they do? They made all the elders become pilots and they all bought planes and they even wanted to give me a plane.

I said, "I don't want it. It can't fly in bad weather and I travel too much in bad weather."

All the elders got planes and now all of a sudden they got a new revelation. I'm wanting to show you just how one little error can go from one point to another and take you deeper and deeper into error. Error is led by demon spirits and they are smarter than we anyhow. Amen. You don't try to pit your brain with a devil because he is smart. He doesn't have any flesh to hold him back and he is pretty smart and he gets his book of knowledge from hell so he will make circles around you.

They said, "Okay. We are the elders and we are the ones that have the wings. Now we are going to take the church into the wilderness. Therefore the church must be the bride so we are the bridegroom."

So they brought in a thing called husband ministry whereas whenever you are up here preaching you are in the husband company and you are giving forth life to the wife and she is going to bring forth Christ. The church is going to bring forth Christ from the ministry.

Where did they go wrong again? Where they went wrong is that God said, "Every seed brings forth after its own kind." Man can't bring forth angels, angels can't bring forth man, man can't bring forth God. It must be Christ that brings forth Christ. So if Christ is to be formed in you, if Christ is to be birthed in you then it must be Christ that ministers to you. Amen. So they made that error again. Let me tell you, you have never seen anything so horrible, so sad, so terrible as a whole people... When I'm talking about people I'm not talking about ten or a thousand people. I'm talking about ten thousand, fifteen, twenty thousand people. That is what I am talking about. They all went down the drain because the ministers stumbled in judgment and misinterpreted the word of God. The average Baptist wouldn't get in that trap because he is not going to go that far. The average Methodist wouldn't get into that trap, it is the people who want to go on with God that fall into that trap.

So we are talking about perilous times. "Perilous times shall come." Let's get back into the history of the church. Jesus Christ called twelve apostles. He gave them life, He sent them out. He said, "Go into all the world, preach the gospel, baptise them in the name of the Father, the Son and the Holy Ghost. Lo I am with you always."

Seventy years after Jesus the church started being corrupted. Paul was killed. All the disciples, all the apostles were killed mostly. They only left one apostle, John and he was so old, he was just going around telling them, "Jesus loves you." "Jesus loves you." He was so old. Beloved brethren the next thing we saw in the church is a church that began to get mixed up, mixed with the world. This is your greatest danger.

Let's look into Genesis Chapter 6 because we have made a complete circle and we are right back again in Genesis Chapter 6.

Ge 6:1 *"And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,"*

2 *"That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose."*

The sons of God and the daughters of men, now the part is going to tell us who the sons of God are in verse 4:

Ge 6:3 *"And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years."*

4 *"There were giants in the earth in those days; and also after that (after those days), when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown."*

The stories, the Greek Mythology, Hercules, Perseus and all those Greek mythological figures where they get all these stories. You know they expand the stories and they make them sound great, but this is where they got all the stories. There were men that were so mighty that they could do almost anything, men that were powerful of mind and powerful of body. The word used in the Hebrew is the word *gibbor* (nor-fal). The word (nor-fal) didn't mean that the man was nine feet tall but it meant that he was a man of great renown, mighty deeds, a man who would catch a lion and tear him apart. This is what it meant, men of great renown.

Now what are we talking about therefore if they brought forth children then who were the sons of God? According to the word of God, if the men, the sons

THE UNGODLY MIXTURE
CECIL DUCILLE

of God and the daughters of women brought forth human beings as children then who were their fathers, the sons of God? The must be men – yes. Only that they came from the righteous generation who got all the wisdom and the power of God that Adam had and he handed it down to his sons. Amen.

One man was so powerful that he walked off into the heavenlies. By faith God said Enoch was translated. Amen. No man had that kind of faith afterwards, we don't even know about it. We would have to go and learn about it from Enoch but he is gone and God won't let him come back to tell us. Do you see what I am saying? So these men were mighty men. Adam was such a mighty man that all the animals obeyed him, he communicated with them. He had the garden all under control from his own mind. Everything was under control, Adam was absolute king. That is what God said. Five hundred miles of garden from the top of the river Euphrates right down to Iran and Iraq, that is where the whole length of the garden of Eden was. To prove it – I mean the cities are still there. You can go into Bagdad and see the Ishtar gate and see where Nimrod built and where Noah used to live and so on.

So the fact is then that the mixture, the mixture caused God to destroy the whole world. Why? Because it was an unholy mixture that it would have destroyed the whole human race - too much wisdom with too much sin. I want you to understand it very, very carefully because there is great wisdom in this thing. Let's look around the chapter Genesis Chapter 3 and hear what God said about Adam in verse 22:

Ge 3:22 "And the LORD God said, Behold, the man is become as one of us, to know good and evil (knowledge we are talking about): and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever:"

That means he has taken knowledge and let's stop him before he also takes life. That would make him a sinner and he would live forever, a sinner forever. Let's get him out of this place quickly. Amen.

So God got him out of that realm. Amen. Because when He got him out of the garden he still lived the same place. Do you remember that? Yes. There is no part of the earth that we can't go. Is there a little part of the earth that man can't enter into? So it is not the earth God was talking about. God was talking about a spiritual place where the man occupied that He must get him down quickly and He sent something over his mind so that the man could not reenter into that place and seize immortality.

Now what are we talking about here? We are talking about the mixture that came into the human realm and has been destroying and destroying until this day. Now we see then Jesus came, the apostles went forth and the mixture start coming. Do you know what happened in the history of your church? The

history of the church says that Pope Gregory said, "Let the missionaries go out and let them keep the feast days of the heathen. But let them get the heathen to worship their gods, to recognize their gods, but let the heathen keep their feast days. So that is how Christmas came in. That is how Easter came in. It was a deliberate thing. Pope Liberius brought in Christmas and Easter came in from Pope Gregory and all those. They all added to it and brought in the mixture that we have today.

What has happened? We go back to Isaiah Chapter 1 and we see something that God is complaining about here through His prophet.

Is 1:21 *"How is the faithful city become an harlot! it was full of judgment; righteousness lodged in it; but now murderers."*

22 *"Thy silver is become dross, thy wine mixed with water:"*

Praise be to God. You hear about good wine. You go, you spend your money to buy the good wine. Lo and behold it is half wine and half water, mixed with water and God was displeased because the problem is that it can no longer be wine.

So we come to the point of **SPIRITUAL ADULTERY**. Spiritual adultery, I'm going to give you a picture of adultery and I believe you won't ever forget it.

One day I asked God, "What is adultery? Give me a right definition of what you would call spiritual adultery."

This is a picture that God gave me:

This is coffee and He gave me another pot and that pot is onion soup. Onion soup is good, I like it. Then He gave me another pot with milk. Milk is good, isn't it? All of it is good food. He gave me another pot with oats.

He said, "Okay, take the coffee and mix it with the onion soup." Coffee and onion soup mixed.

He said, "You have neither coffee nor onion soup."

He said, "Give me a cup of coffee somebody. They give you a mixture of coffee and onion soup there. Something is wrong here! It is neither coffee nor is it onion soup. It is good for neither coffee nor for onion soup."

He said, "Okay, just mix a little milk in it." He said, "You take it and mix it with a little cereal there and tell me what you have."

Oh no, no respectable cat would want to take that!

You would have just a mess. That is all you have. It is good for nothing. It is good for nothing. God is saying that **WHEN WE MIX WITH THE THINGS OF THE WORLD, WE HAVE NOTHING**. You see, turn your Bibles to 2nd Timothy Chapter 3 and God again here was complaining. He said:

2Ti 3:1 *“This know also, that in the last days perilous times shall come.”*

Amen. Going down to verse 5 He said they would be:

2Ti 3:5 *“Having a form of godliness, but denying the power (of God) thereof: from such turn away.”*

The only hope, the only good thing we can do with a mixture like this is to **throw it out** because spiritual adultery has gotten to a point of perfection. It is made so attractive that a lot of people would prefer to have a real adulterous relationship with the church than to walk in truth and righteousness. Let me give you an idea of what we are talking about.

The church, the church having been mixed with all of the heathen rights. Take it from me, I am just going to touch a few of the heathen rights so that you will understand that I know what I am talking about.

The rights of Isis is the great heathen rights which came back away from Babylon adopted by all the nations including the Romans and brought right into our modern world. This made Isis, queen of heaven. Have you ever seen the word queen of heaven anywhere? Look at it, *queen of heaven*. Now I didn't know heaven had a queen but the word queen of heaven was the word used to the worship of Isis. Another word used was Madonna. I'm not talking about modern, I'm talking about ancient. You can take up any ancient book and see the Madonna, see the queen of heaven. The Madonna woman is a woman with a child in her hand with a halo around their head. All the gods of Egypt wore a halo around their head. All the gods of Rome wore a halo around their head. All the gods of the Greek wore a halo around their head. We come, we see a church bringing in a woman with a halo around her head and the most astounding thing is that they call her by the same name of Isis – Madonna. Then they call her queen of heaven. Amen. Okay.

Now the Roman God which is the father of the gods (talking about Babylon now) is called Zeus. Zeus is the father of the gods. Do you know that he is infallible? Come on! Do you know that the doctrine of infallibility came from the heathen worship of Zeus the father of the gods? I want you to challenge what I am saying. Go home, take up your encyclopedia. Just take up the encyclopedia, if you don't have one just rush down to the Library sometime when you have some time and look into the Library and you will see that the very words verbatim word for word that Zeus is infallible. The same doctrine of

infallibility is the same doctrine that was brought into the church and presented to us of God.

Now some of the ministers, I'm not talking about the Pope because we know he is infallible. But we are talking about some of us. The ministry that preaches the word of God we also, this is one of the doctrines that destroyed this group that I was telling you about a while ago because they said that when they are speaking of <Ex cathedra> (but we won't use that word). When they are speaking in the spirit they are totally infallible, whatever they say is God. So when a woman wanted her husband to do anything she would just say, "Thus saith the Lord God brother do so and so." It sounds like a joke, this is no joke, this is a present condition in our midst. People are telling you that God says because they want you to do it and they keep you under that rulership by telling you "The Lord said brother, you must do so and so." You see?

So the same spirit that mixed up Rome, God touched a man in Rome, Martin Luther and God took him out. Martin Luther was determined that they should not start another church but when Martin Luther died they started the Lutheran Church anyhow. So we see the Lutheran Church rejected some of the mixture of Rome but the same devils that were in Rome was in the Lutheran Church giving them more mixtures. So they became just as mixed up, mixing the wine with the water, mixing the lie and the truth. Let me tell you something, the worst lie on earth is a lie that is mixed. Amen. A lie that is wearing the clothes of truth, covered up in the garments of truth is a lie that you can't even handle.

Do you realize that I saw a certain lie being preached and I went there to touch the lie. As soon as I opened my mouth I got all the blame. Amen. Because you can't get up and come against a child of God, the man is a child of God if he is born again, he is baptized in the Holy Ghost, he is anointed to preach the word of God. **DAVID FOUND HIMSELF IN THE SAME TROUBLE, HE COULDN'T TOUCH THE LORD'S ANOINTED.** The Lord's anointed was behaving like a common criminal and he could not touch him. Amen. This is the danger of lie mixed with truth.

We are going to have to hand over some of these things into the hands of God. But do you know who you can touch? Tell me? **TELL ME WHO YOU CAN REALLY TOUCH AND GET AWAY WITH IT BEFORE GOD? YOURSELF.** Yourself brethren. Once all of us are determined to get the lie out of us, not to be mixed with the adulterous modern day world order system we will be pure because God said it.

Let me give you another scripture. Turn your Bible to Malachi 3. Somebody with a good clear voice read Malachi 3 for me the first three verses there.

Mal 3:1 *"Behold, I will send my messenger, and he shall prepare the way before me: and the Lord, whom ye seek, shall suddenly come to his temple, even the*

THE UNGODLY MIXTURE
CECIL DUCILLE

messenger of the covenant, whom ye delight in: behold, he shall come, saith the LORD of hosts.”

2 *“But who may abide the day of his coming? and who shall stand when he appeareth? for he is like a refiner’s fire, and like fullers’ soap:”*

3 *“And he shall sit as a refiner and purifier of silver: and he shall purify the sons of Levi, and purge them as gold and silver, that they may offer unto the LORD an offering in righteousness.”*

Praise God. So we do have a promise from God that there is a refining process. Now you wonder sometimes about the fire trials that come into your lives, the problems, pressure. You know Satan is an agent of pressure, he is a master at applying the pressure to you. Sometimes you feel like you are going to be smothered, everything seems to be against you. Amen. God Almighty says that this pressure is part of God’s refining process. Amen. Don’t worry about it because pressure is not organized or ordained of God to kill you, it is ordained to make you better. He knows that you have the strength to bear it or else He would not allow it to come upon you.

If you have a neighbor, or a brother, or a friend who is not having any pressure, who is going on and having a good time it is because God Almighty knows that if He let pressure come on him he would be dead. God allows pressure to come on you because God knows that you can bear it and if you can bear it you can overcome it. This is why He allows the pressure to come. Okay.

We go back then to after Martin Luther came along here comes the English Church and John Wesley and all the other Reformers. Go read it for yourselves. Every man had a pure word from God, a pure word from God which took him out of a certain group. Hallelujah. What happened next? He got mixed.

SO YOU SEE THE DEVIL’S INTENTION IS TO MIX US. He knows he can’t just tell you to turn back from God or to leave God. No. Just get him mixed up a little bit, you know. Just get him mixed up.

Something peculiar, worse than the mixture: God showed me that at this time there is going to be such confusion that people won’t know where to turn.

I remember I gave you the vision that I had of God calling to me and said, “Go east.” He wants us to go east. We were lifted up, three of us were lifted up in the air and the Spirit of God was ready to take us east but we had to choose the direction that we wanted to go. There was a power that would drive us but we had to turn that way to go.

I said, "Ah, this is a piece of cheese, you know. The sun is behind me, the sun is setting and God tells me to go east. All I have to do is to turn my back to the sun and to go and I am dead east."

But by the time we looked around to take our bearings from the sun there were three suns behind us. So I turned around to talk a little bit and the whole western sky was just covered from one end to the other with suns. Light was crossing light and we couldn't discern which was the true sun. We had no bearings as to where to go east, whether it was this way or that way or straight ahead or what and it was confusion.

So I said to this brother beside me, who was a pilot in the war, I said, "If you had a condition where you couldn't go by the sun or any heavenly body how would you be able to go east?"

He said, "It is simple."

He was trained in night flying and I remember he used to tell us stories of how he bombed Germany and so on.

He said, "It is simple. All you have to do is to follow Mercator's projection. That is the map with the straight lines. Follow your map, your chart and your compass. You learn to fly blind." He said, "Follow this."

I got out of the vision. But in this hour brethren the only thing you can follow is the word of God by the Spirit. Do you hear me? The word of God by the Spirit because one preacher will come and as convincing as anybody can be, he will preach to you a certain word and tomorrow you will go and listen to another preacher and he is preaching it just as convincing and he is preaching it in a different way and pointing you to a different direction. Next thing you do you take up a book and you read it and it is pointing you to another direction. Ten different preachers all good men are pointing you in ten different directions (Hallelujah.) and you don't know where to go because the confusion is increasing. The confusion is increasing.

Let me read that for you in the Bible so that you might know...go back to Revelation 12 and you will see that exact picture here, the intention of Satan in this business. You see when the serpent saw that he could not catch the church, the woman:

Re 12:15 *"And the serpent cast out of his mouth (water as a flood) after the woman water as a river, that he might cause her to be carried away by the stream (the flood)."*

I want you to understand, flood waters are always dirty waters. Nobody goes out and drinks flood waters, it is always dirty waters. This is a time of flooding when all the snow begins to melt and the rivers begin to overflow their banks and the towns are inundated and flooded out, as we have the condition over there in Indiana.

The Bible said it was out of the mouth of the serpent that the water was coming. So we are not talking about water then, or are we talking about water? The scripture said “the water of the word”, remember? (Eph 5:26) The Bible speaks of “the washing of the water by the word.” All right. So if then the water is the word then the dirty water is dirty word. It is the word of Satan and God is saying that we are going to be flooded, the church is being flooded with water from the mouth of the devil.

But what is really beating us? It is beating me and I know it is beating you too, that it is not the devil talking these words, it is good brothers, or at least brethren who we have looked up to for years who are talking these words. Blessed be to God. But **YOU KNOW WHAT IS OUR HOPE? EVERYWHERE THERE IS A BAD WORD THERE IS A GOOD ONE.** Everywhere someone is talking a wrong word God is giving forth a good word. God will never leave His people without a witness, so the word of the Lord is in the midst of the congregation bringing forth life although there is a word of death all around us.

So we see then that we need discernment of God. Do you know how easy discernment is? Let me tell you how very easy discernment is. You take this kid to the table and you put all kinds of good food before him and he eats some and leaves some. It is all good food but he just eats some and doesn't have the desire to eat the other. That is what we mean by discernment. The discernment is way down inside here, you don't feel to something, you don't feel to accept that word, don't accept it. You hear me? You may be sick spiritually because I might be giving you a good word and you are not accepting it, but do you know what happened to most of my preaching? Let me tell you what goes wrong.

I preach to you and what I am telling you I believe with all my heart I believe that is what God is telling me to tell you and if I make a mistake you correct me, I will be willing to be corrected. But what I am saying here is that I have no problem with preaching the word of God to people and people believe it. Where my problem comes in is when I turn my back somebody comes to you and says, “That man is of the devil.” I go into a Baptist Church and preach to them and the people are blessed. I go into a Methodist Church and preach to them and the people are blessed. When I turn my back that is the time I get trouble and that is what you have to be careful of because in Matthew Chapter 13 the Bible says that the people who are shallow in themselves, they have no root in themselves, that they receive the word with joy and a little blackbird comes and

picks it out of their hearts because it had no roots, it wasn't hidden in good soil and Satan comes and picks it out. This is the problem.

You must learn the witness of God. Learn how God witness in your heart when you hear the thing. The brethren walked with Jesus half a day and while they were walking they said, "Ahhh, didn't our hearts burn while He spoke?" (Lu 24:32) That was the witness, you see. When you have a witness don't allow anybody to take it away from you. You talk to a person and you get a good feeling towards the person - don't let any knowledge about that person or anybody come to tell you something about him take away that feeling that you have. Do you know what you have done? You have rejected the Holy Ghost. Please let us go over that a little bit more so that we understand.

You meet a person in the shopping center. You don't know the person from Adam. You have a good feeling towards the person. You just have a good feeling towards the person. Listen, good feelings don't come from the devil. You want to bless the person, you want to...you just feel that way towards the person.
THAT IS THE FEELING OF GOD.

Somebody is going to say, "Do you know who that is? So and so and so and so" about that person.

NEVER FORGET THAT FIRST FEELING THAT YOU HAD THAT YOU NEED TO BLESS THAT PERSON BECAUSE THAT WAS GOD. If you turn your back upon that feeling to begin go talk against the person and you have committed a sin, not against that person but against the Holy Ghost and your own soul.

So when a person comes to me and says, "Brother I can't hear from God. I'm not hearing from God."

I know, I know there is no man who doesn't hear from God but I know that there are some who don't listen, you see. Some people who really don't listen to God. You listen to everything else and the way not to listen to God is to listen to other things. You see, you start listening to John, you start listening to Tom, you start listening to Harry, you start listening to everything else - when God speaks you don't hear Him because your ears are not on the frequency to listen. You want news, you have been listening to that. Your ears are tuned to another God. God help us.

So we see here then that God said that the serpent will be casting water out of his mouth and we have got to have an ear to hear God. He that hath ears to hear let him hear.

"O my God, I want to have ears to hear You."

THE UNGODLY MIXTURE
CECIL DUCILLE

You know last night a question was asked me about the doctrine of prosperity, the prosperity doctrine. Truly I didn't want to come against the prosperity doctrine although I am against it. Have you ever been in that position? You don't want to come against it, the moment you come against it it makes it look even worse and bigger than it really is. But my great gripe against the prosperity doctrine is not because it is wrong, because the problem about it is that it is not really wrong, it is only that too much attention is being paid to it. Amen. I am going to pray to God that I should prosper and I'm praying for prosperity and I'm believing in prosperity and I'm sleeping with prosperity and I'm rising up in the morning with prosperity **AND MY SPIRITUAL PROSPERITY IS NIL**. Do you not know that the word of God said, Paul said, "Brethren hear this, I'm going to pray you a nice blessing now. I pray that you might be as prosperous as your soul is prosperous." (3Jn 1:2) What have I done to you?

You should say, "No, no, no!"

I'd turn you into a pauper. I'd turn you into a pauper right away because my soul, I don't think my soul is prospering as much as we are prospering here. We have so many meals a day and you are really not hungry and yet sometimes you feel such a hunger in your soul. So when these guys are talking about prosperity, the natural prosperity they are not paying enough attention to the spiritual prosperity. Some of the things that we need to start praying for:

"O my God, let my ears hear You."

"Give me ears to hear You God."

"Give me ears to hear God, Lord God."

"I want eyes to see Lord God."

Sometimes you know you wonder, "What do I pray for?" You hear that a guy is praying for an hour before God, praying two hours before God. I always wonder what does he pray? I used to spend two hours before God, but I know what I prayed, I had a long list praying for people, various people and then you pray for them and actually feel the pressure that is in them and pray until the pressure lifts. That is intercessory prayer. I can understand that. But when a guy is going to tell me that he prays for an hour and he is praying for himself – he must be praying for all the lands in Schuyler, all the gold in the bank and everything else because to pray a spiritual prayer – we need to start thinking of our spiritual condition.

"I am not satisfied with where I am spiritually. Lord God deliver me from the mixture that is around me, from the dirty water that is coming into my mouth."

When a person is drowning you take in water, you don't start wondering, "O Lord the water isn't clean." You are drowning, "Lord, I wish it was distilled water, I just pray that I was drowning in distilled water." You are taking in that dirty water brother and all you want to do is to get out of it. So we should be praying these spiritual prayers and the mixture is horrible in our spiritual realm. In the magazines you get you take up a magazine to read the word of God and so many of them are being published. You switch on the radio, you go to the *700 Club*, you go to the *PTL Club* and it is all a mixture. When you see a program not mixed you say, "Praise God, there is a nice one." But where are you going to turn? You are going to have to turn to God. You turn to God to get from the Spirit and from the word of God the unadulterated gospel, unmixed, poured out to you from heaven.

We say, "Okay, the denominational churches are mixed up." The denominational churches are mixed up. There is one thing good about the denominational mixture, one thing very good about it. They write it down, they put it down in a manifesto and tell you how much you must be mixed. Oh yes. They put a barrier around the mixture and you are not supposed to mix outside of this. This is why the Baptist man, praise God for some of those who didn't come out of the Baptist Church. You hear, I am preaching in reverse now. Praise God because some of those that came out they drowned. I see them die. I see them go to depths of degradation that no Baptist would ever go to and the Baptist Church was their shelter for those who didn't step out with them. The Methodist Church was a shelter and the other church there was a shelter. It was a mixture and I can't advocate mixture, but I say thank God for those who were smart enough not to step out into deep waters and get themselves drowned.

So then we are on the other side of that because we here, I don't think any of us here are involved in the denominational mixture - **YET IT FOLLOWS US**. You were in the water drowning, you took the water into your mouth. You said, "Oh, I'm leaving..." You had better get some good medicine to get that dirty water out of you because you took the water with you and every time you opened your mouth the swamp came out. Amen. Do you see what I am saying? This is our problem.

NOW WE NEED THE CURE! WE NEED THE CURE!

THERE IS NO USE FOR THE DOCTOR TO MAKE A DIAGNOSIS AND NOT GIVE A CURE BECAUSE THAT IS DEATH.

Because then that adultery is around us, all around us, mixture is all around us and in us - we must begin to pray spiritual prayers.

Begin to go to God and say, “God, deliver me from the mixture that is in the present church.”

Okay, I prayed it. The next thing I prayed, “Deliver me from the mixture Lord.”

And there was a group over there that has a mixed situation, spiritually mixed I am talking about, preaching reconciliation – but:

“They are nice brethren.”

“Oh they only have two bad doctrines.”

“Oh they only have three bad doctrines.”

“I can go have fellowship with them.”

“I can go have communion with them.”

And you go over there...

DO YOU KNOW THAT WHEN A PERSON PREACHES TO YOU HE PREACHES A SPIRIT TO YOU? WHATEVER SPIRIT IS MOTIVATING THE PERSON THAT IS THE SPIRIT THAT IS PREACHED TO YOU. THIS IS THE PART OF THE PREACHING THAT YOU DON'T SEE AND YOU DON'T HEAR YET THAT IS THE PART OF THE PREACHING THAT AFFECTS YOU.

Yes. I mean I don't want to give you the examples that are popping up in my mind at this moment because they are not...they are good examples but they are terrible, they are a little bit hard to swallow.

Men who stand up before the congregation and never utter one word of certain things and yet it comes forth in you and you find yourself doing the same thing. I'll give you a good example, I just remembered a good one.

I was asked by a Holy Quietness man one day to preach at his church. Now I didn't know what kind of a church he had and I didn't care. So the day came and we went and we started Sunday and we were going to preach until Wednesday. We started preaching, just preaching the word of God: the scripture; salvation; and so and so. (I couldn't preach baptism in the Holy Ghost there.) I just kept preaching the word of God. I never said anything about the baptism of the Holy Ghost, never spoke in tongues, never jumped, never shouted Hallelujah. I just kept preaching the word of God. What do you think happened? They, the people, the congregation started shouting “Hallelujah”. The congregation started speaking in tongues. I wondered, “What is that?” You know, I didn't say a word because they were against speaking in tongues and if I did it they were going to you know, put me out for sure. But

the power of God will always come from the ministry and **WHAT THE MINISTRY DIDN'T SAY IT WILL COME FORTH IN THE CONGREGATION.**

If there is an evil motive...do you know some of us have evil motives? An evil motive is not generally, is not necessarily wicked. An evil motive can be just not a motive according to God's holy order. I'll give you an example of one. An evil motive can be my mind and I start preaching to you and the motive comes forth among every weak one in this group. That is why you must be careful of who preaches to you.

Did you ever read about the laying on of hands? If a person lays hands on you and imparts his spirit to you? Did you ever read that God called Moses and told him to go lay his hands on seventy elders and the spirit from Moses went upon the elders? Did you ever hear that in Israel the priest would kneel before the congregation and the congregation would lay their hands on him, confess their sins over him and their sins would leave them and go on him? He would lay his hands on the animal, the lamb and pray over the lamb and the sins would leave him and go on the lamb and they would kill the lamb as a type of Jesus bearing our sins. This is an impartation. Praise be to God. This is an impartation that occurs in the church and God is saying to us, **"YOU HAVE TO BE CAREFUL OF WHAT YOU DO!"**

We had a church where the minister smoked privately. He never smoked in the public but he smoked privately. Do you know what happened? The congregation started to smoke. It is a spirit that is ministered.

When I was coming out of Jamaica to come here the Lord said to me:

I said, "Lord, I am ready to go."

God said, "You are not ready."

So I said, "What is wrong Lord?"

He said, "You have two motives. You have two motives, I can only use you if you have one."

I said, "Lord, what is the second motive?"

He said, "You have the intention to earn enough money through preaching to take care of your business."

I said, "But God, isn't it reasonable for a man to want to take care of his wife and children and pay his debts?"

The Lord said, "Yes it is reasonable, but I can't use it."

THE UNGODLY MIXTURE
CECIL DUCILLE

Do you hear me? It is reasonable but God cannot use a double motive man because when he stands up before the congregation the devil must not have anything against him. Because God must be able to send you to preach to three people who won't give you an offering and you mustn't be able to stand up there preaching and thinking about the offering at the same time. Hallelujah.

He said, "I'll make a deal with you."

I have a couple of deals with God.

He said, "I'll make a deal with you. You look after My business and I will look after yours."

I said, "That sounds good."

Let me tell you something, we ran and we just forgot we were human beings. We forgot we had to eat. We forgot we had to sleep. We never thought of living in a house we just kept running and God looked after our business. He sure did! Praise be to God.

So we heard recently that our house was completely vandalized. I'm telling you – God is looking after our business, right? The house was completely vandalized: the roof taken off, the lumber taken away; the windows taken off, the lumber taken away; the floor taken out, the lumber taken away; the steel that they had there to do the floors was taken off and the furniture was taken out; the piano was thrown from upstairs to downstairs and smashed to pieces; the walls were knocked down, some of the walls were knocked down; the generator light plant was taken away; the factory where we made sugar, all the boilers were taken out; the factory was knocked down and the boilers were torn out and taken away.

How would you like that?

I say, "He is still taking care of our business." There is something – He is burning our boats behind us or probably we would have gone back home. You know you have a beautiful place sitting down overlooking the sea, overlooking the whole Caribbean and it is always cool up there no matter how the temperature down in the city is hot, it was cool there. The sea wind was coming up. You could sit there and commune with the Lord any time. It was the most beautiful place I knew in the world. He cut it out. Amen. He is still taking care of our business.

But that double motive – I'm going to show you the damage it does. You switch on your television Sunday morning and some preachers spend half of the time

– the little short television time they spend half of the time to talk about the money. That means that they have no faith that God is going to bring them that money. Because if God wanted that program that program would have to be paid for somehow and if you believe God... When a man is telling me that he is a faith ministry, preaching faith and he is spending half of the time telling me about money and how to give him money and so and so... I just laugh at him. **HE DOESN'T BELIEVE GOD.** It is either that he doesn't believe God or he doesn't believe that God wants that program so he is making sure that he gets it from you. If God doesn't want it – why should I give my money to it? You see this all around and the reason you see it – I want you to understand what you are seeing – **A DOUBLE MOTIVE. THAT WILL BE MINISTERED TO YOU.**

Now ministry is spiritual, it is soulish, or it is natural/carnal. I can minister something spiritually to you, I can minister something soulishly to you, or I can minister something carnally to you.

Now let's deal with **THE SOULISH MINISTRY.** If I am going to be soulish to you – we have an orphanage down in India, what I would do is bring you the picture of the orphanage. I wouldn't take the beautiful pretty nice little children, I would take the ones that look very hungry and their ribs sticking out. I would go on the street and I would take the worst pictures that I could get in India. That is the ones I would flash before you. Then I would tell you some pitiable stories about these little children and how they have needs and compare them with your little children at home. Do you hear me? I'm getting into your soul you see. I compare them with your little kids at home and make it so that every time you see one of your kids bite an apple and throw it away or bite a banana and throw it away you hurt inside so that you will give to those kids down there. **I GOT YOU SOULISHLY.**

Now do you know what God says about that? He said, "It is hay, wood and stubble." You will never get paid from God for responding because I appeal to your emotions. So all that money, those millions and billions of dollars are going down the drain as far as you are concerned because you have responded soulishly: somebody appealed to your emotions; somebody touched your mind; somebody appealed to your desires and got you going to give.

Now here is a **SPIRITUAL OFFERING.** When the word of God comes to your heart and says, "I want you to give this ministry so and so." That is a spiritual offering. Until you get that you cannot give a spiritual gift. Oh yes. We preach to some congregations and never get a cent from them because you are preaching a spiritual preaching and the person is in a carnal realm and he doesn't hear you – he can't hear God. But what should the preacher do? Get carnal? No, no. You tell me if that is what happens. We were determined we would never go down – we would never step down to the carnal level. I

THE UNGODLY MIXTURE
CECIL DUCILLE

remember I got so determined that I went down there and took a job as a carpenter. I never stepped down to the carnal level. I prefer to work with my two hands and the strength that God has given me to support myself than to go down to go to that carnal level to get God's spiritual people to give a carnal offering. Don't want it. I don't want it. I don't want it.

The problem therefore lies in the ministry that would destroy your soul with a double mixture of gospel just in order to get you to respond. Amen. Somebody wants you to come here to the meeting today and what we did, we put on a film show or we put on something else carnal that is going to attract you: we invite you to a supper; we invite you to something else; you put on a concert; you will get a musical band. Do you know that today if we had gotten one of those musical singing groups to come in here you would not be able to find place to put people. Amen.

I remember going down into Huston one time and the night, it just happened to us, we didn't do it purposely, people wanted prayer. We started praying for the people and quite a number of the people were healed. The next night the hall could not hold them all, the people were jammed outside packing, struggling to get in. We couldn't understand why because we are there teaching/preaching an end time doctrine and it is not a thing that a lot of people come to hear. But the hall is jammed, people were standing all around the wall. I had never felt so funny in all my life – I was preaching to the wall and they stood up staring at me for one hour waiting for me just to finish to start the healing. The moment the message was finished there was a rush and a long line automatically formed and people were coming up for prayers.

I said, "Oh God forgive me. I won't ever do this again."

You get advertised as a healer and everybody wants to be healed. Praise be to God. But your wine is mixed with water – meaning to say the word of God which God gives you had been watered down. We must not fall into that category. **NEVER, NEVER ALLOW THE WORD OF GOD THAT WE KNOW, THE STRONG WINE THAT GOD HAS GIVEN US TO BE ADULTERATED AND ADULTERIZED BECAUSE THIS IS WHAT ADULTERY MEANS – ILLICIT MIXING.**

You know you mix sugar and water to drink with a little lemon and you get a lovely drink and you call it lemonade. So that mix is a good mix. So there is a good mixture because God speaks of the preparation of the gospel of peace. There is a mixture that is of God, a preparation, a putting together of the word of God of something that is of God, but there is another mixture that is of the devil and it is unclean. This is what we are seeing all around us. Don't let anybody deceive you.

Somebody said, "Cec it sounds like you alone have the truth."

I don't know but I know I want the truth with all my heart and if anybody can ever give me a hint that I don't have the truth I am going to get that truth because I have no intention of preaching a half-truth, a quarter-truth or a lie. I want the whole truth. This is my own desire and this is what God is giving me. When it comes to that mixture out there we could talk about many of the things that are going on now. **EVERY TIME SATAN BRINGS A FALSE DOCTRINE INTO THE CHURCH THE FALSE DOCTRINE TURNS AROUND AND PERSECUTES THE TRUE DOCTRINE**, you see. Amen.

“What do you have against duCille?”

“He is a false prophet.”

“What false prophet?”

They can't tell you what he prophesied false but he is a false prophet. If God tells one of you that I am a false prophet please tell me. Yes. If God tells me that you are a false prophet I am going to tell you because I am not willing for you to be a false prophet.

Do you know what a false prophet is? Have you ever considered what a false prophet is? Is a false prophet a person who preaches a false doctrine? Not necessarily. Every one of us here somewhere along the line we had a false doctrine. Yes. A false prophet is a prophet who is motivated by a false spirit. A false prophet can be preaching the truth and that is the most dangerous false prophet you get, the one that comes to you with the truth.

I was in Jamaica and we were having a little vacation time down there and the Spirit of God came to me and said, “There is a false prophet in Illinois, in the group in Illinois.”

I picked up my pen and I wrote, “I don't know who is there but the Lord says that there is a false prophet there in your group – please get the elders together, pray about it and get the person out whoever he is.”

Before the letter reached them I got a letter from a brother complaining about this man who is preaching ultimate reconciliation, the devil will be saved, everything and he is taking the group hook line and sinker.

You say to yourself, “We couldn't be taken by that...”

Is that what you are saying? Do you feel that way that you couldn't be taken by that? Well let me tell you how they were taken.

THE UNGODLY MIXTURE
CECIL DUCILLE

He didn't come in and say, "I am preaching (ultimate) reconciliation." He didn't come in and say, "I am preaching so and so and so."

No sir. He started preaching exactly what Cecil duCille preached.

They said, "Oh, this man is well informed. He of a surety he preaches the truth."

The last night, the last night when he was closing, that was the night he brought out a little touch and he watched the faces to get the responses to see who was with him and he took those aside. Oh yes. When the person comes in with a strange word he will take the women, he will try to find the women in the congregation and he will take them aside.

He will say, "I can see something in you, you have a greater discernment in God. I'm going to give you a little higher teaching than the others."

Oh yes. I met someone recently who said to me that, "You know the doctrine of reincarnation is a true word?"

I said, "Tell me why you say it?"

He said, "Well, I have had experience with someone who was never at a place, never went to that place in their life and yet the person turned out and started to tell us - they could tell us where everything was. He said it was reincarnation."

Have you ever read the story of General Patton? General Patton went down to some battlefield and he showed them spots where everything was and were so and so happened and all everything. He said he was there (reincarnated).

Years ago I had to go to God to ask Him, "What is this reincarnation?"

Because of a truth there was a little boy that we knew, that boy had never seen a piano in his life. The boy jumped on the piano and played it like Chopin. I mean the boy played as an accomplished pianist and he had never played before you see. We wondered at it so I asked God. God reminded me that you could hypnotize a man. I saw a man under hypnosis spoke perfect German, spoke perfect German and he never knew a word in the German language before. Under hypnosis you can get up and you can play a piano, you can do certain things you never did before. What is hypnosis? Hypnosis is one man's mind taking control of your mind, just taking it over by your consent of course taking over you mind and he begins to operate your body from his mind. Amen. That is what hypnosis is.

Now if that is hypnosis it means that a spirit can do the same thing to a person. Amen. A spirit can enter into a person and cause a person to have knowledge he never had before and this is what reincarnation really is. It is a spirit that has been here before taking charge of a person and giving the person the knowledge that that spirit had, so it is really spirit possession. Amen. Disembodied spirits are always trying to enter into somebody.

Now I don't know why I talk about that but that is part of the mixture that is coming into the church. You see, that is part of the mixture that is coming into the church. Some of the people are going off into spiritual realms that are leading them into satanic operations without knowing. They are innocent. They need leaders. They need people of God who will be able to lead them into righteousness. Praise God.

Another thing that is bothering the church, let me just touch a few of them. The doctrine that Satan is, that God made Satan as a devil and God put Satan upon us here as a devil and this devil came from God. It is a lie. I'll show you it is a lie. Jesus said it is a lie. You turn your Bibles with me to John Chapter 8:

Jn 8:44 "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it."

If Satan is the inventor of the lie... Amen. Then how could you say it is God who made Satan? For it would mean God would have made the lie. You could not say Satan is the inventor of the lie but God made him a liar, so then God would be the one who made the lie. But the Bible said that Jesus said that Satan is the father of lies. That means to say that God never made Satan, God made something else and that thing is made sin. It is very simple. You, anybody sitting here has the power to make himself a devil if you want to. Don't you feel that freedom? You don't feel that freedom that you could make yourself into a devil if you wanted to? Sure! This is the whole story. That he had the power, all the power that God gave Heylel was the power of free will choice which God had to give to all of the angels in order for them to willingly give themselves back to God. Amen. You see, you cannot have a son, you cannot have a free agent unless the agent is free to go against you. Amen. You have to be free to go against God before you can be a son of God, but when you become a son of God it must be on your own free will and volition. Praise be to God.

Yet some of our dear preachers are preaching to the people that God made the devil. Do you know what that means to me? "If God made the devil you can't overcome him for you would overcome God." Amen. "Why fight against

something that God made? You can't expect to win." This is what Satan is trying to teach the people.

I say brethren it is a time of darkness. It is a time of thick darkness and you have to stand in truth in order to survive. You believe me. The battle is coming to the point where we are going to see the result of all these doctrines upon the people who preach them. Oh yes. Because you see the result. There are a lot of things, I have recently heard a preacher that I respect very highly say that "he is confused. He is confused pertaining to the doctrine of reconciliation for somewhere along the line God must save everybody." He said, "He just couldn't see how Hitler and Idi Amin could go into hell and burn forever." He can't see how Hitler and Idi Amin could go into hell and burn forever. Lift up your eyes and look over there.

You have some preachers again, another problem. When I was saved, when Jesus called me Jesus said to me, "Make sure you never become lords over God's people. Make sure you never become a ruler over God's people." I kept away from ruling the churches. I always keep myself away from it. Once I slipped into it and was a bishop actually over five churches and the people would not do anything without they got my permission and I did everything I could. I went to God and I said, "God, I don't know what to do..." God just dropped a bomb in the churches and blew everything to pieces. Oh yes. Overnight we had no church left and that was a blessing. But I am saying that to say this: That the ministry now cannot find their way out. I can tell you the truth, for years we have been struggling to find a way out, to get elders to function together in unity and love. There is always bickering and problems and you just can't get it to work. For years and years and years we couldn't get it to work.

I did not know, some of the men give up and said, "The real thing, we have got it now, discipleship."

"We will get these young men. We will disciple them under ourselves. We will teach them our way."

"We will stamp them with our stamp and they will go out."

When the brothers go out do you know what happens? I guarantee you don't know what happened. They start to talk in the same way that the master talked. The very accentuation of the language they will talk just the same way because they have been injected. It is like a gramophone record, turned them into a robot. God doesn't want any robots. If God wanted a robot then God would have made us robots. We would be perfect. Don't you understand brethren what we are saying? **IN FREEDOM AND IN LOVE WE MUST WORSHIP GOD AND COME TO THAT POINT OF PERFECTION AND THE**

BODY MUST FUNCTION THAT WAY. OUTSIDE OF THAT WE DON'T WANT ANYTHING. Let it remain as scrambled as it is at this moment. But I have hope for I see it coming together.

Discipleship, shepherding, the brethren are going into shepherding.

Somebody said, "Our answer is in communal living."

No, no, no. Ron you must remain the head of your family. You must not be in any communal house wherein a pastor or a whatever he is is on top of you as the head of your family. You must leave your family come to church. You must have a house, little box or whatever where you keep your family in with you and the other brother keeps his family and that is how God organize... (end of tape)
